

Disciplinary Action Report

01/01/2026 – 01/31/2026

The Board has issued disciplinary action against the following licensees/respondents. These are public records and available for review pursuant to public disclosure laws. For those with a license number, please use the OBOP [online licensure verification](#) to search by a person/facility name or license number; the order will be available to view under the Board Orders section. For those without a license number, you may submit a [public records request](#).
