Please read the following instructions for applicants for registration as a Nonprescription Drug Outlet:

1. A Nonprescription Drug Outlet is any outlet that sells or donates over-the-counter non-prescription medication directly a consumer. This includes stores, gas stations, hotels, gift shops and taverns as well as out-of-state businesses offering over-the-counter medications for sale to Oregon residents through catalog or internet sales.

If an outlet is selling and/or distributing over-the-counter medications to any other outlet and is also selling directly to the consumer, two registrations are required; a [Wholesaler Class II Registration](#) and a Nonprescription Drug Outlet Registration. This includes Internet and catalog sales.

2. A separate registration is required for each outlet that sells or donates over-the-counter medications. This registration does not authorize an outlet to sell any prescription medications.
3. Per Oregon Administrative Rule 855-035-0020, registered nonprescription drug outlets may sell or donate non-prescription drugs in the original and unbroken packages only, properly labeled according to state and federal law, in conformity with rules of the Board. A nonprescription drug outlet shall not purchase or receive nonprescription drugs from a source not registered with the Board.
4. Nonprescription Drug Outlets are prohibited from purchasing or selling any product containing any amount of ephedrine, pseudoephedrine, or phenylpropanolamine.
5. Your business must have an **active** Secretary of State business registration in the Secretary of State’s “Oregon Business Registry Database” found at: <http://sos.oregon.gov/business>.

6. The Board will issue a registration once all required documentation and fee(s) have been submitted. An outlet may not commence business in Oregon until a registration is issued.
7. An application is required for a new registration, an ownership change or a location change. Signed, legal documentation which verifies ownership must be provided for all owner change applications. Additional information may be requested. An application is not complete until all required documentation is provided. **All fees are nonrefundable.**

Examples of a required ownership change application include: purchase of a business; corporate restructure; LLC to a Corporation; Corporation to LLC; acquisition of assets; or additions or deletions of an owner or partner. An ownership change requires submission of a copy of the sales agreement or other documentation that verifies proof of new ownership.

If you are completing these forms to report a **Name Change** only, a fee is not required.

8. Oregon Administrative Rule 855-035 lists the regulations regarding the operation of Nonprescription Drug Outlets: <https://secure.sos.state.or.us/oard/displayDivisionRules.action?selectedDivision=3973>.

Nonprescription Drug Outlets are responsible for compliance with all applicable Board of Pharmacy Laws and Administrative Rules.

The registration is to be in the possession of the approved drug outlet *PRIOR* to doing business in Oregon.

Nonprescription Drug Outlet Registrations expire January 31 annually, and fees are not prorated. Annual Renewal notices are generally mailed out mid-November.
