Please read the following instructions for applicants for registration as a Nonprescription Drug Outlet.

1. A Nonprescription Drug Outlet is any outlet that sells over-the-counter non-prescription medication directly to the consumer. This includes stores, gas stations, hotels, gift shops and taverns as well as out-of-state businesses offering over-the-counter medications for sale to Oregon residents through catalog or internet sales.

If your outlet is selling and/or distributing over-the-counter medications to any other outlet and is also selling directly to the consumer, two registrations are required; a [Wholesaler Class II Registration](#) and a Nonprescription Drug Outlet Registration. This includes Internet and catalog sales.

2. A separate registration is required for each outlet that sells over-the-counter medications. This registration does not authorize an outlet to sell any prescription medications.
3. Nonprescription Drug Outlets are prohibited from purchasing or selling **any** product containing **any** amount of ephedrine, pseudoephedrine, or phenylpropanolamine.
4. Oregon Administrative Rule 855-035 lists the regulations regarding the operation of Nonprescription Drug Outlets: <https://secure.sos.state.or.us/oard/displayDivisionRules.action?selectedDivision=3973>.

Nonprescription Drug Outlets are responsible for being in compliance with the Board of Pharmacy's Laws and Administrative Rules

5. Your business must have an **active** Secretary of State business registration that provides proof of ownership on the Secretary of State's "Oregon Business Registry Database" found at: <http://sos.oregon.gov/business>.

6. We will process your registration when we have received all required paperwork and fee(s). You may not commence business in Oregon until your registration is issued.
7. You must pay a registration fee for each application for a **New Registration, an Ownership Change or a Location Change. All fees are nonrefundable.**

Examples of a required ownership change application include: purchase of a business, corporate restructure; LLC to a Corporation, Corporation to LLC; acquisition of assets; or additions or deletions of an owner. An ownership change requires submission of a copy of the sales agreement or other documentation that verifies proof of new ownership.

If you are completing these forms to report a **Name Change** only, you do not pay a fee.

Please be aware that your registration will be issued upon approval once all required paperwork and fee(s) are processed. Your license is to be in your possession *PRIOR* to doing business in Oregon. Nonprescription Drug Outlet Registrations expire January 31, annually, and fees are not prorated. **Renewals are due and must be post-marked by December 31st**, annually, which is one (1) month prior to the expiration date of your license. Renewal notices are generally mailed out mid-November.
