GENERAL ADMINISTRATION

Rules

Policy Issues for Discussion / Updates:

Division 045 Compounding
Compliance Director Brianne Efremoff and Inspector Cheryl Fox provided background information on the 2018 Intergovernmental Working Meeting on Drug Compounding (FDA), 9/25-16/2018, Silver Spring, MD.

Bri and Pharmacist Consultant Fiona Karbowicz explained the 12/10/18 FDA Memo regarding new efforts being made to assure the quality of compounded drug. The Board discussed Shared Service Agreements and identified that they will need to be addressed in our current rules and processes. Fiona presented rule revisions and facilitated Board discussion of the draft and noted some wordsmithing which will be edited into the revised rules. There was discussion about the need for additional information regarding pharmacies ability to be compliant by rule adoption date. The Board acknowledged there may be substantial costs associated with construction related to these rules and would like a better understanding of this issue.

The Board requested that a Rules Advisory Committee (RAC) be convened to address the following topics:

- Identifying the level of current USP compliance in our state
- When compliance can be reasonably achieved
- If physical renovations are necessary or if a complete rebuild is necessary

Staff advised on the updated timeline being considered: Convene RAC in May and possibly July. Present feedback to the Board at the August meeting and a possibly send rules to a September rulemaking hearing, then adopt rules in October prior to the December 1, 2019 USP deadline.
Technician Informational

Pharmacist Consultant Fiona Karbowicz presented on the Board’s existing laws & rules regarding technicians as background for the anticipated work for future Board discussions.

Public Health and Pharmacy Formulary Advisory Committee

Committee Meeting and Recommendation update -10/26/18, 1/11/19

Pharmacist Consultant Fiona Karbowicz, Compliance Director Brianne Efremoff and Administrative Director Karen MacLean provided a brief update on the most recent Committee meetings. One of the topics approved for the Board’s consideration is Smoking cessation products, nicotine replacement therapy in particular. There are legal questions identified in Committee procedure that required Board Counsel review before proceeding. There are no actions requested of the Board at this time.

Discussion Items:
Waiver Requests:

Pharmacist Consultant Fiona Karbowicz presented a renewal for waiver from Samaritan Pharmacy Services (RP-0001661/IP-0001695) a renewal of the existing waiver related to pharmacy access and “keys” OAR 855-041-1020 (Security of Prescription Area). This 5-year waiver was initially granted in 2008 and renewed in 2013.

MOTION
Motion to approve Samaritan Pharmacy Services request to renew an existing waiver related to pharmacy access and “keys” for OAR 855-041-1020 for 5 years was made and unanimously carried (Motion by Linares, second by Ayoub, Reher recused).

Pharmacist Consultant Fiona Karbowicz presented a waiver request for Deschutes County Health Services that is registered with the Board as a Community Health Clinic (CHC), and operates from two locations (Redmond: CH-0000097 and Bend: CH-0000095). They request a waiver from OAR 855-043-0720 (Security) to allow identified individuals access to the drug storage area. The Medical Assistants split their time evenly between the Bend and Redmond locations. If the staff changes, they’d need to request to update the names. This is similar to waivers the Board has approved for other CHCs.

Motion on page 5.
MOTION
Motion to approve Deschutes County Health Services request for a waiver related to pharmacy access and "keys" for 855-043-0720 for
- Matt Palmer, Clinic Operations Supervisor;
- Ana Silveira, MA;
- Lucia Tapia, MA

for 5 years was made and unanimously carried (Motion by Linares, second by Ayoub).

Other:

Schedule of LEDS Audits

Chrisy Hennigan, Licensing Program Supervisor, presented information regarding the topic of annual LEDS checks. Per previous Board direction, staff completes annual "Oregon only" LEDS background checks on individuals. This is currently a manual process. Chrisy asked the Board if they would approve a policy change to allow an "Oregon only" LEDS background check of individuals upon renewal. In preparation for the transition to the new MyLicense Office platform, we have the opportunity to streamline and automate the system where the LEDS batch files can be uploaded to the LEDS system upon renewal.

This would:
- Expedite the review of the LEDS reports
- Reduce the number of LEDS checks done annually
- Free up staff resources for a timelier review of the audits after renewal

There was a discussion regarding if this may require a rule change regarding mandatory reporting of crimes other than misdemeanor convictions or felony convictions or arrests within 10 days. The Board requested additional information regarding reporting requirements of other Boards and statutory requirements.

NABP District VI-VIII Mtg. Boise, ID, 10/6-9/2019 – A member encouraged for all Members to attend since the meeting is nearby.

Board Member/Staff Presentations

Pharmacy Coalition – 1/8/19, Pharmacist Consultant Fiona Karbowicz and Compliance Director Brianne Efremoff attended and noted the group is monitoring bills, and have changed their meeting format to 1 hour.
Professional Practice Roundtable – 1/10/19 Bri shared the 2019 Self-Inspection form with the group.

Financial/Budget Report – Administrative Director Karen MacLean reported on the November Financial Report and advised that the Board’s 2019-21 Budget presentation before Ways & Means is scheduled for February 12, 2019. She provided the Board with the presentation materials; a Member commented that it was an excellent presentation.

Legislative update – Pharmacist Consultant Fiona Karbowicz reported that staff are tracking legislative bills for the 2019 Session currently in progress.

- High level bills include:
  o SB 9 Insulin emergency supply bill
  o SB 409 and two other bills related to importation from Canada and other low cost drug options
  o HB 2801/SB 696 Foreign language on prescription labels
  o HB 3273/HB 2065 Drug Take Back bills
  o HB 2754/HB 2755/HB 2753 Bio-similar and other drug substitution bills
  o HB 2303 Pseudoephedrine schedule change
- Reminder that the Board may not take a position unless we receive specific permission from the Governor’s office. (This applies to all things legislative – even if it's not OBOP related)
  o Please let the Executive or Administrative Directors' know if you’d like us to ask on your behalf.

Strategic Planning
Sherry Carter HR Partner presented a high-level overview on the state’s accepted fundamentals of creating a strategic plan.

Reports:
Board President/Members – no reports

Executive Director Joe Schnabel reported that he knows where his office is and he’s been working on onboarding and new hire paperwork.

Board Counsel Tom Cowan – Thanked the Compliance staff for their excellent work on a recent settlement. He said the staff did a great job, very sophisticated and that Compliance Director Brianne Efremoff and others worked effectively. He’s very proud of the staff.

Compliance Director Brianne Efremoff - reported that the Inspectors completed 100% of their inspections for 2018!
- 96% passed, passed with notes, or Deficiency Notification- Non Discipline
- 4% Notification of Non Compliance- Discipline
2019 Inspection cycle started at the beginning of February, focus this year:
  o Cold Drug Storage
    ▪ have provided several years of education and time for facilities to get into compliance
  o Pharmacist Prescribing - extended section in 2019 Self Inspection Form
    ▪ Birth Control prescribing by pharmacist-assessment and prescription records must be readily retrieval at the time of inspection
      - Be prepared to show records - per self-inspection form
      - Suggestions to create a separate folder or create monthly printout so that records may be easily retrieved at the time of inspection
    ▪ Please ensure pharmacist is prescribing off of and within the legal scope of the algorithm per law and rule

2019 Self Inspection forms – last minute edits/additions at the end of January were released
  o Staff recently received 2 questions related to patient access to language services and requested services
  o Clarification on a question regarding pharmacy’s requirement to report to PDMP dispensing of Naloxone
  • February is Governor’s Food Drive Month - Bri is coordinating the agency’s efforts to raise contributions for this cause and encouraged Board Members to participate with our agency.
  • HPSP: 21 participants enrolled
  • 2 inspectors are signed up to attend Critical Point Sterile Compounding Certification Training this summer
    o All investigative staff should have certification by the end of this summer

Pharmacist Consultant Fiona Karbowicz was not present, Brianne advised Fiona didn’t have anything to report at this meeting.

Administrative Director Karen MacLean reported on Board Member vacancy application deadlines. The Governor’s office requested recommendations from the agency by March 26, 2019. We are trying to identify ways to do outreach to try and get a Public Member for the vacant position. This is difficult for many agencies. Karen reported that since her last report, the majority of her time has been spent on budget preparation and presentation materials and support for the Executive Director Recruitment process. She’s also been working diligently to get the new database contract drafted in order to begin negotiations. Many staff as well as individuals at multiple agencies have assisted in this process, it has been very time consuming.

Karen mentioned that she asked Brianne to join her in a meeting regarding a question about language translation on some agency forms that we received from the Oregon Health Authority (OHA) that was ultimately from one of our licensees. This was an informational meeting and we identified some areas where we may be able to partner with OHA in the future on this topic.

Licensing Program Supervisor Chrisy Hennigan reported that they just completed the Nonprescription Drug Outlet renewal cycle and lapsed 175 or 6% of the nonprescription class A’s which is the convenience stores and gas stations and other various establishments and 13% or 63 Class C’s which are the medical device, equipment and gas registrations. The pharmacy and drug room renewals were launched on January 9th. This renewal cycle also includes the Dispensing Practitioner Drug Outlet (DPDO) renewals. The fee for the DPDO’s was waived until
January 2019 so this is the first time that fees have been assessed. There are currently 29 registered outlets in this category.

She reported that work is still being done to update all of the license & registration applications. The new applications for the pharmacists, interns and all technicians are complete and that the new Retail / Institutional and Nonprescription drug outlet Class A applications are all available on the web.

A reminder regarding Pharmacist CE requirements was sent to all pharmacists on 1/25/19 and the renewal will open in late March or early April.

In 2018, a change was made to the Certified Oregon Pharmacy Technician CE renewal policy and attestation language was updated in the renewal to allow a CPT to attest to the fact that they will have completed their CE in the renewal period rather than requiring them to have it completed prior to renewal. The intent is to have the Pharmacist renewal language reflect the policy change as well.

She went on to say that a notice will be going out to the pharmacy technicians whose license expires on June 30th to remind them to schedule the national exam and apply for their CPT license. There are currently 996 active technicians who have licenses that expire on 6/30. This is up from 849 techs in 2017, and 917 in 2018.
