

Pharmacy Depots

~~(1) No licensed pharmacist shall participate in any arrangement or agreement whereby prescriptions may be left at, picked up from, accepted by, or delivered to any place of business not licensed as a pharmacy. This shall apply to the prescription order blank and to the completed prescription medication container. Provided, however, that nothing in this rule shall prohibit a licensed pharmacist or a licensed pharmacy by means of its employee or by use of a common carrier, from picking up prescriptions, or delivering prescriptions, at the office or home of the prescriber, at the residence of the patient, or at the hospital or medical care facility in which a patient is confined.~~

(1) Except when delivering directly to a patient licensed pharmacists may not participate in the transfer of completed prescription medication containers to or from any location that is not a licensed pharmacy, unless the transfer occurs to:

(a) The home or office of the patients health care practitioner;

(b) The location of the patient; or

(c) At the hospital or medical care facility in which a patient is receiving care.

(2) Upon written request, the Board may waive any of the requirements of this rule if a waiver will further public health or safety or the health and safety of a patient. A waiver granted under this section shall only be effective when it is issued by the Board in writing.
