## **Oregon Board of Pharmacy Probation Requirements:**

*\*\* Please be aware that not all requirements apply to everyone.  
Please refer to your Consent Order for your individual requirements.*

### Toxicology Testing

- Licensee must register with Board's designated testing facility within ten (10) days of their Consent Order becoming final
- Licensee must check-in with testing facility via internet or phone each day Monday – Saturday between 5 am and 2 pm
- Licensee must test for the chosen panel option
- Licensee must be tested on the day they are chosen for testing
- Licensee must notify the Board if finances, work, etc, have or will, result in lapsed testing (suspension)
- Licensee must abstain from the use of alcohol, psychoactive drugs, over-the-counter drugs and herbal remedies that may cause a positive result in a drug test including, but not limited to Nyquil, Benadryl, other cough medicines and poppy seeds unless approved in advance by the Board
- Licensee must send copies of original and refill receipts to the Board containing all pertinent information immediately. Licensee must submit a prescription printout annually from a single pharmacy where all prescriptions are filled

### Vacations/Vacation Requests

- Licensee must provide a minimum of 14 day notice to testing facility prior to starting vacation
- Licensee must be able to check-in and test if necessary
- Licensee must arrange alternate site with testing facility if they are out of area
- Licensee must take COC (chain of custody) forms with them when they travel
- Licensee may not travel outside the country or anywhere that would restrict toxicology testing the first year of probation

### Employer notification forms

- Licensee is to submit an Employer notification form at the beginning of probation (within 15 days of start), any time there is a change in management or a new PIC and annually from the date their Consent Order became final or January 1 (depending on Consent Order requirements)

### Probation Violations

- Missed and/or late check-in
- Positive test
- Suspension from testing facility
