0:5:45.180 --> 0:5:50.500

I am a paralegal and work for SEIU Local 503 and fill the position for representing public employees.

0:6:40.860 --> 0:6:41.680

Mark Landauer

Through a pic.

0:6:41.690 --> 0:6:42.210

Mark Landauer

Thank you.

0:6:43.650 --> 0:6:49.370

Mark Landauer

I do see a couple hands up here, Todd and I think one of them is Emily.

0:6:51.250 --> 0:6:52.820

ALBERT Todd * PRA

I think they're letting us know that they're here now.

0:6:52.990 --> 0:6:53.320

Emily Harris (Guest)

Yeah.

0:6:53.190 --> 0:6:53.740

Mark Landauer

OK.

0:6:53.330 --> 0:6:54.420

Emily Harris (Guest)

Sorry, I was sleeping.

0:6:54.430 --> 0:6:54.800

Emily Harris (Guest)

Yeah, I'm done.

0:6:53.750 --> 0:6:56.40

Mark Landauer

That that's legacy.

0:6:56.50 --> 0:6:57.220

Mark Landauer

OK, very good.

0:6:57.310 --> 0:6:58.900

Mark Landauer

So thank you for every.

0:6:59.210 --> 0:7:2.360

Mark Landauer

Ohh, by the way, I'm Mark Landauer, forgot myself.

0:7:3.70 --> 0:7:12.260

Mark Landauer

I represent a number of public entities, primarily the Special Districts Association, Representative Anderson.

0:7:12.270 --> 0:7:13.880

Mark Landauer

Thank you for joining us today.

0:7:14.910 --> 0:7:24.480

Mark Landauer

So we'll begin with our agenda and I noted that we have a one set of meeting a minutes to approve.

0:7:24.490 --> 0:7:26.890

Mark Landauer

Todd, I wasn't there.

0:7:27.180 --> 0:7:39.790

Mark Landauer

I did read them, but I was not there so I I feel a little uneasy making emotion but but I would welcome emotion if unless there are any corrections to the meeting minutes.

0:7:40.200 --> 0:7:47.590

ALBERT Todd * PRA

There is, well, well, First off, so we only have at the moment November 18th, 2022 and January 5th, 2023.

0:7:47.600 --> 0:7:57.770

ALBERT Todd * PRA

Tony did get me the outstanding meeting minutes by haven't had an opportunity to post them, so I will do that in advance of our next meeting for everyone's review and for the January 5th meeting.

0:7:58.20 --> 0:8:3.650

ALBERT Todd * PRA

Our guest today, Cameron Miles pointed out that we used his incorrect title in those minutes.

0:8:3.660 --> 0:8:11.90

ALBERT Todd * PRA

So I think we could approve those minutes as long as there's no other issues with that scrivener's note for Tony to just go back and change his title.

0:8:11.100 --> 0:8:12.980

ALBERT Todd * PRA

So we could then posted appropriately.

0:8:14.60 --> 0:8:16.680

Mark Landauer

I'll ohh yes, representative Anderson.

0:8:17.580 --> 0:8:24.490

Rep Andersen

I'm sorry, but I forgot to mention that I have another obligation and I'm going to have to leave about 12:00 o'clock.

0:8:24.500 --> 0:8:27.270

Rep Andersen

But I'm sure Todd can fill me on and on anything else.

0:8:27.280 --> 0:8:40.210

Rep Andersen

And I also wanted to tell you that my wife has been a journalist for over 30 years, starting

with the LA Times, and has worked for magazines, major American magazines, pretty much your whole career.

0:8:40.460 --> 0:8:44.450

Rep Andersen

And so that's another reason why I'm glad to be on this this committee.

0:8:45.850 --> 0:8:46.340

Mark Landauer

Thank you.

0:8:46.350 --> 0:8:57.560

Mark Landauer

Again, at this point, I'll entertain a motion with the understanding that there will be a scriveners correction on the tile title for miles.

0:9:0.640 --> 0:9:1.670

ALBERT Todd * PRA

I could make that emotion.

0:9:1.760 --> 0:9:6.670

ALBERT Todd * PRA

I move to adopt the meeting minutes as posted from November 18th, 2022.

0:9:6.680 --> 0:9:14.500

ALBERT Todd * PRA

In January 5th 2023, with the one addendum that will be correcting Cameron's title from January 5th for final posting.

0:9:15.670 --> 0:9:16.70

Scott Stauffer

2nd.

0:9:16.760 --> 0:9:17.970

Mark Landauer

Thank you, Scott.

0:9:17.980 --> 0:9:19.0

Mark Landauer

All in favor? Aye.

0:9:20.490 --> 0:9:20.700

Tony Hernandez

Aye.

0:9:21.300 --> 0:9:21.750

ALBERT Todd * PRA

I.

0:9:21.470 --> 0:9:21.820

CLARK Stephanie * SOS

I.

0:9:20.900 --> 0:9:22.250

Scott Stauffer

I I.

0:9:21.50 --> 0:9:22.320

CHIAPELLA Andrea * DAS

Hi. Hi.

0:9:23.80 --> 0:9:27.660

Mark Landauer

Any opposed the meeting minutes are officially adopted.

0:9:27.670 --> 0:9:28.630

Mark Landauer

Thank you, everybody.

0:9:29.180 --> 0:9:38.530

Mark Landauer

So our next item for the agenda is an update on the status and future of Senate Bill 417.

0:9:38.590 --> 0:9:47.280

Mark Landauer

Well, this is a very interesting topic, and apparently my name has been stuck to this agenda item, so I will give you all an update.

0:9:47.390 --> 0:9:55.340

Mark Landauer

So as you will recall, the practiced introduce a bill addressing fees during the 2023 session.

0:9:55.770 --> 0:10:14.690

Mark Landauer

That bill did receive a hearing before the Senate Rules Committee and as a result of that hearing that the Chair of the committee, Senator Lieber, directed a work group to be formed during the session and during the session we did meet.

0:10:14.700 --> 0:10:20.390

Mark Landauer

And it's I'm trying to remember who all was a party to that I know.

0:10:20.400 --> 0:10:25.870

Mark Landauer

Steve, you were in those meetings as well as Emily.

0:10:26.120 --> 0:10:32.550

Mark Landauer

I'm trying to remember whether a I Scott, I don't think you were in those meetings.

0:10:32.700 --> 0:10:44.550

Mark Landauer

We did have a couple of city attorneys, a County Attorney, a member of the Oregon Trial Lawyers Association School Board, cities, counties, districts.

0:10:44.920 --> 0:11:4.520

Mark Landauer

It was a it was an interesting group and we conducted I think, Steve, correct me if I'm wrong, I think we had six meetings and we took at least an hour and a half and each of those meetings, we did produce a product.

0:11:4.580 --> 0:11:19.770

Mark Landauer

And I think a, Todd, we have shared that with the with the group that was a frankly it was a memorialization of what had been agreed to to that point.

0:11:21.800 --> 0:11:24.930

Mark Landauer

I am going to be meeting with Ohh.

0:11:24.940 --> 0:11:32.210

Mark Landauer

I should also mention Tom Holt with SPJ was a Co chair.

0:11:32.220 --> 0:11:35.140

Mark Landauer

I served as a Co chair of that work group.

0:11:36.600 --> 0:11:48.870

Mark Landauer

I would tell you that 417 and the dash one amendment is essentially a memorialization of what I think we had all agreed to up to that point.

0:11:48.920 --> 0:12:4.290

Mark Landauer

However, I would also mention in all fairness to all parties, there are still a few outstanding issues, one being whether or not we are gonna address least cost.

0:12:5.580 --> 0:12:12.910

Mark Landauer

Uh, for a charging individuals again, this is a result of the OHSU.

0:12:14.420 --> 0:12:31.620

Mark Landauer

Litigation that took place many years ago about using people who have the lowest salaries at but are able to do that work rather than having managers or higher tiered employees.

0:12:34.110 --> 0:12:56.780

Mark Landauer

Excuse me, do doing that work the second issue that remains outstanding is a difference of opinion on how long a district attorneys should be given to conduct denovo reviews upon the denial of a fee waiver.

0:12:58.330 --> 0:12:59.810

Mark Landauer

That go ahead, Steve.

0:13:0.760 --> 0:13:18.430

Steve Suo, PRAC

Yeah, I I think I just on that point, mark, it my recollection is that the outstanding disagreement was on the seven day period for just an initial review of denial of records request.

0:13:18.880 --> 0:13:27.880

Steve Suo, PRAC

We did reach agreement on the time frame for a de Novo review, which would be 15 days longer than the what's currently instead.

0:13:30.590 --> 0:13:32.630

Mark Landauer

I had to be happy to be corrected.

0:13:33.110 --> 0:13:48.410

Mark Landauer

I'm if it is the seven days, that's probably a easier issue to resolve I hope, but it is still a thorny issue, so it is a timeline as Steve described.

0:13:48.420 --> 0:13:50.550

Mark Landauer

Thank you for that assist, Steve.

0:13:51.570 --> 0:13:53.730

Mark Landauer

And then honestly, I cannot.

0:13:53.740 --> 0:14:10.970

Mark Landauer

Even now I'm all messed up and do not recall what the third third item was, but it is significant and So what Tom Holt and I had a discussion yesterday that was it last week.

0:14:12.940 --> 0:14:38.520

Mark Landauer

Kim Thatcher, who is the Senate member of the Prack, had reached out to Senator Leiber, asking her as the chair of the Rules Committee to introduce the amendment that we came, that we came up with as a bill for the Rules Committee in the 2024 short session, yeah.

0:14:40.650 --> 0:14:46.160

Mark Landauer

I don't think a decision has been made as to whether to move forward with that or not.

0:14:46.170 --> 0:15:4.670

Mark Landauer

As a matter of fact, I will be having a discussion this afternoon with the caucus leader in in the Senate about that, and I will be meeting with Kate Lieber in person later on this week to discuss this.

0:15:4.680 --> 0:15:13.730

Mark Landauer

So whether or not this bill is actually introduced in 2024 remains I questionmark.

0:15:13.990 --> 0:15:28.960

Mark Landauer

However, my advice to both Senator Thatcher and Senator Lieber will be to reconvene the group to try to iron out any issues before introduction.

0:15:28.970 --> 0:15:43.860

Mark Landauer

I think that we need to have a consensus document that we're all clear on before we go ahead and just get it introduced because frankly, if this thing is not agreed to, that bill is not gonna move forward.

0:15:43.870 --> 0:15:55.90

Mark Landauer

You have literally about one week to work through issues during the short session and it has to be done at least in my view, in advance of the session.

0:15:56.40 --> 0:15:59.190

Mark Landauer

So that is that is what is going on.

0:15:59.300 --> 0:16:8.10

Mark Landauer

I would welcome any questions, thoughts or anything of that nature, but that's the status at this point.

0:16:8.20 --> 0:16:11.230

Mark Landauer

We're not sure whether or not the bill will be introduced.

0:16:11.380 --> 0:16:22.680

Mark Landauer

We know that further work needs to be done and it's our recommendation that work be done prior to the drop dead time for Bill introduction, Steve.

0:16:25.500 --> 0:16:26.90

Steve Suo, PRAC

Yeah, I know.

0:16:26.100 --> 0:16:27.510

Steve Suo, PRAC

My hands raised for real.

0:16:28.260 --> 0:16:28.840

Steve Suo, PRAC

Thank you.

0:16:29.260 --> 0:16:43.110

Steve Suo, PRAC

I I guess I just wanted to say briefly like having participated in the subcommittee work last year and continued on in the work group, that subcommittee met for, I think I calculated a total of 30 hours.

0:16:43.500 --> 0:16:43.680

Mark Landauer

Yeah.

0:16:43.920 --> 0:16:50.30

Steve Suo, PRAC

And so and the small work group the work group met for, you know, 10 hours.

0:16:50.40 --> 0:16:53.670

Steve Suo, PRAC

And we also had a small subgroup of that that I was involved in.

0:16:54.80 --> 0:17:13.290

Steve Suo, PRAC

And I think at the end of the day, I mean I I felt that the the changes to 4:17 that we made were very much in keeping with, umm, the the goals that the Council set out with our draft version and in some ways it may even be stronger.

0:17:14.280 --> 0:17:19.930

Steve Suo, PRAC

And and that's that says a lot given the number of people who are in the room.

0:17:20.700 --> 0:17:35.0

Steve Suo, PRAC

Public bodies were very well represented, a diversity of public bodies, and I think we came to, you know, we made some hard decisions and had to leave some things out that people really would have liked to have been addressed on both sides.

0:17:36.30 --> 0:17:50.130

Steve Suo, PRAC

But if there really was a pretty widespread consensus behind the the version we came up

with, so I would just say in terms of moving forward, I would really resist a whole lot of changes at this point.

0:17:50.140 --> 0:18:1.560

Steve Suo, PRAC

There are a couple of these issues that that Mark mentioned that were they were hard to resolve but we couldn't resolve them at the table and we came up with things that people could live with.

0:18:1.570 --> 0:18:8.750

Steve Suo, PRAC

I think there are some people who would like to not live with them and would have would like to to revisit them, but I would.

0:18:9.620 --> 0:18:11.670

Steve Suo, PRAC

It was hard getting to this point.

0:18:11.740 --> 0:18:23.710

Steve Suo, PRAC

It's was a very, very long slog and and I I think we have a really good bill as it stands, but willing to engage with the process further if if there additional tweaks that need to be made.

0:18:24.670 --> 0:18:25.10

Steve Suo, PRAC

Thank you.

0:18:26.160 --> 0:18:43.960

Mark Landauer

Well, Steve, I I for one, you know the the recommendation that I'm making to both Senators, Lieber and Thatcher, I don't want them to be under the impression that it's been fully baked.

0:18:43.970 --> 0:18:47.840

Mark Landauer

Again, there are few hanging issues that are out there.

0:18:47.930 --> 0:18:53.360

Mark Landauer

Of course, if they wanna forge forward, we can do that work again.

0:18:53.990 --> 0:18:56.380

Mark Landauer

It's just, it's their choice, right?

0:18:56.390 --> 0:19:2.730

Mark Landauer

And so I'm going to do my best to some sort of explain where we are.

0:19:3.700 --> 0:19:11.810

Mark Landauer

Tom Holt will be in attendance with me, so both sides of the coin are represented in those discussions.

0:19:11.820 --> 0:19:25.950

Mark Landauer

So we'll keep the pack informed, of course, as to any decisions that are made and ensure that everybody is aware of whether or not we'll be continuing to meet to iron out a few of those issues or not.

0:19:25.960 --> 0:19:27.60

Mark Landauer

So stay tuned.

0:19:27.70 --> 0:19:37.340

Mark Landauer

But I wanted to again just provide everybody sort of that update on where things stood and and Steve, you're absolutely right.

0:19:37.350 --> 0:19:44.60

Mark Landauer

There were countless hours put into that and it was a lot of very hard work.

0:19:44.70 --> 0:19:52.0

Mark Landauer

But everybody came to the table, I think in in great faith, not good faith, great faith.

0:19:52.170 --> 0:20:0.10

Mark Landauer

And I was actually pretty proud of of the work that we accomplished under the circumstances.

0:20:0.20 --> 0:20:6.800

Mark Landauer

So again, if there are any questions or comments were, I would welcome those at this point.

0:20:12.370 --> 0:20:13.120

Mark Landauer

All right.

0:20:13.730 --> 0:20:15.190

Mark Landauer

Well, seeing none.

0:20:15.230 --> 0:20:17.400

Mark Landauer

Ohh Tony, you have your hand up there.

0:20:17.410 --> 0:20:18.180

Mark Landauer

Go ahead please.

0:20:18.300 --> 0:20:18.770

Tony Hernandez

Yeah.

0:20:18.970 --> 0:20:19.70

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

The.

0:20:18.820 --> 0:20:20.620

Tony Hernandez

I just wanted to say a quick thanks to.

0:20:20.630 --> 0:20:26.70

Tony Hernandez

I mean, that's a lot of time and a lot of work to to y'all, for, for.

0:20:27.630 --> 0:20:39.200

Tony Hernandez

Representing us and and it's just a quick notion of congratulations and for bringing together so many different stakeholders looking forward to the continued work.

0:20:40.640 --> 0:20:56.890

Mark Landauer

And I guess the the last thing in I I would sort of ECHO Steve's comment I I I do think the product is in keeping with what the prank was generally attempting to do with their bill.

0:20:56.900 --> 0:21:1.390

Mark Landauer

So with the bill, so I'm pretty, I'm pretty pleased with it.

0:21:1.400 --> 0:21:2.300

Mark Landauer

We had some, really.

0:21:3.880 --> 0:21:15.340

Mark Landauer

Great participants who live and breathe uh administrative public records laws, and so they were extremely helpful and it was a good conversation.

0:21:15.350 --> 0:21:16.390

Mark Landauer

So again, thank you.

0:21:17.110 --> 0:21:28.180

Mark Landauer

So at this point, I think we're gonna go to agenda item number 3, get an update from a Mr Miles in the governor's office, on the status of everybody's current position.

0:21:28.190 --> 0:21:28.800

Mark Landauer

Position.

0:21:28.810 --> 0:21:31.540

Mark Landauer

So Cameron, thank you for joining us.

0:21:31.550 --> 0:21:32.410

Mark Landauer

Good to see you.

0:21:32.570 --> 0:21:36.660

Mark Landauer

And you didn't have to wear a tie on on my part.

0:21:36.670 --> 0:21:40.460

Mark Landauer

But, but maybe you knew that representative Anderson was gonna be here.

0:21:40.470 --> 0:21:41.210

Mark Landauer

So take it away.

0:21:42.200 --> 0:21:42.470

MILES Cameron D * GOV

Alright.

0:21:42.480 --> 0:21:43.40

MILES Cameron D * GOV

Can you hear me?

0:21:43.770 --> 0:21:44.230

Mark Landauer

Yes, Sir.

0:21:44.950 --> 0:21:47.160

MILES Cameron D * GOV

OK, let me share my screen.

0:21:47.170 --> 0:21:48.930

MILES Cameron D * GOV

Let's do our presentation.

0:21:51.220 --> 0:21:51.660

MILES Cameron D * GOV

OK.

0:21:51.60 --> 0:21:54.910

ALBERT Todd * PRA

And I'll just know quickly, Cameron slides are now posted under today's meeting.

0:21:56.640 --> 0:21:58.270

MILES Cameron D * GOV

Are my slides up invisible now?

0:22:0.700 --> 0:22:0.930

ALBERT Todd * PRA

Yes.

0:22:0.210 --> 0:22:1.470

Mark Landauer

Indeed, take it away.

0:22:2.360 --> 0:22:4.390

MILES Cameron D * GOV

OK, so I'm Cameron miles.

0:22:4.400 --> 0:22:7.240

MILES Cameron D * GOV

I'm Government Accountability attorney and the governor's office.

0:22:7.250 --> 0:22:7.410

MILES Cameron D * GOV

Office.

0:22:9.140 --> 0:22:9.690

MILES Cameron D * GOV

Let's see.

0:22:9.700 --> 0:22:11.300

MILES Cameron D * GOV

How do I adjust these now though?

0:22:12.860 --> 0:22:14.730

MILES Cameron D * GOV

And now I can't figure out how to move the slides forward.

0:22:15.700 --> 0:22:18.80

MILES Cameron D * GOV

There we go. The Packers.

0:22:18.90 --> 0:22:21.900

MILES Cameron D * GOV

I wanna give a little introduction first on the crack and the terms.

0:22:22.370 --> 0:22:29.970

MILES Cameron D * GOV

The practice created by Senate Bill 106 from 2017 and Section 8 listed the members in the Prague.

0:22:30.670 --> 0:22:33.370

MILES Cameron D * GOV

Uh, but it didn't define the length of term.

0:22:34.410 --> 0:22:42.70

MILES Cameron D * GOV

Umm, this initial members were confirmed in September of 2017 and they held their first meeting on October of 2017.

0:22:43.500 --> 0:22:50.280

MILES Cameron D * GOV

And here are the the representatives that are uh on the crack the members of the crack that are appointed by the governor's office.

0:22:50.290 --> 0:22:54.120

MILES Cameron D * GOV

Office and those are the ones that we're concerned with today.

0:22:56.360 --> 0:23:2.110

MILES Cameron D * GOV

So umm, crack is modified by House Bill 2430 in 2019?

0:23:2.930 --> 0:23:18.920

MILES Cameron D * GOV

Umm it Section 2 my create a term limits not term limit the length of it define the length of the term and that was put into auras 1924817 and then there's a note section and I'll show it to you in a second.

0:23:19.830 --> 0:23:20.180

MILES Cameron D * GOV

Umm.

0:23:20.190 --> 0:23:22.10

MILES Cameron D * GOV

The length of term was set at two years.

0:23:23.350 --> 0:23:26.940

MILES Cameron D * GOV

However, the governor appointed terms were retroactively staggered.

0:23:27.610 --> 0:23:37.270

MILES Cameron D * GOV

The terms were based on a start date of January 1st, 2018 or 20 and 18 half the terms were three year term started out as three year terms ending an odd number.

0:23:37.280 --> 0:23:41.100

MILES Cameron D * GOV

Years and half were said his four year terms ending in even number years.

0:23:42.730 --> 0:23:44.440

MILES Cameron D * GOV

So, umm, here's that section.

0:23:44.450 --> 0:23:46.920

MILES Cameron D * GOV

Section 7 is the normal 2 year terms.

0:23:47.910 --> 0:23:56.570

MILES Cameron D * GOV

Then the notes section below shows how they were allocated between who got three year terms and who got four year terms.

0:23:58.130 --> 0:23:59.590

MILES Cameron D * GOV

So here is.

0:24:1.700 --> 0:24:2.670

MILES Cameron D * GOV

What should have happened?

0:24:3.560 --> 0:24:3.780

MILES Cameron D * GOV

Uh.

0:24:4.340 --> 0:24:12.360

MILES Cameron D * GOV

Here's how how we would adverbial of representation of what House Bill 2430 represented.

0:24:12.500 --> 0:24:19.0

MILES Cameron D * GOV

So you have the initial terms three or four years and then the second term is a two year term that was gonna follow up.

0:24:21.250 --> 0:24:23.720

MILES Cameron D * GOV

Unfortunately, that is not what happened.

0:24:24.220 --> 0:24:29.860

MILES Cameron D * GOV

As you can see, in some instances of three in your four year terms were continued for subsequent appointments.

0:24:30.390 --> 0:24:32.590

MILES Cameron D * GOV

In other instances, they were set at 2 year terms.

0:24:33.780 --> 0:24:39.880

MILES Cameron D * GOV

Additionally, the orderly transition on January 1st of each year was not followed with several terms ending mid year.

0:24:42.940 --> 0:24:45.840

MILES Cameron D * GOV

So as you can see, we have a problem.

0:24:46.680 --> 0:24:53.800

MILES Cameron D * GOV

We would like to have the the Council basically ask me any questions, talk about it.

0:24:54.590 --> 0:24:57.390

MILES Cameron D * GOV

We wanna figure out how to get the prack back.

0:24:57.630 --> 0:25:1.700

MILES Cameron D * GOV

Well, we want to know if the track wants to get back to where House Bill 2431.

0:25:1.710 --> 0:25:11.750

MILES Cameron D * GOV

It was kind of set up whether you wanna be January 1st terms, but any we need to know that any new terms need to be 2 year terms.

0:25:12.100 --> 0:25:24.150

MILES Cameron D * GOV

And so for that discussion, I wanna just leave this slide up here and this shows us where we

should be or where we are, where we should be and where we should have become next term.

0:25:26.330 --> 0:25:33.370

MILES Cameron D * GOV

So if there are any questions or discussion, I'd like to go to that now and again I'll be available for any questions that you have.

0:25:40.100 --> 0:25:41.630

MILES Cameron D * GOV

I seen a couple hands up.

0:25:41.640 --> 0:25:43.90

MILES Cameron D * GOV

I am not sure how the.

0:25:42.330 --> 0:25:43.940

Mark Landauer

Steve, I'm sorry.

0:25:44.50 --> 0:25:47.630

Mark Landauer

Sorry, I'll help you out there, Cameron. Steve.

0:25:49.610 --> 0:25:50.460

Steve Suo, PRAC

Yeah.

0:25:50.470 --> 0:25:54.590

Steve Suo, PRAC

So speaking as one of those who is overextended, his stay.

0:25:58.160 --> 0:26:1.410

Steve Suo, PRAC

My recollection is I mean the the reason why I've continued.

0:26:3.370 --> 0:26:12.400

Steve Suo, PRAC

We I think Todd and I both spoke to uh, the preceding administration at some point in 2022, maybe before that.

0:26:12.510 --> 0:26:33.770

Steve Suo, PRAC

And we're advised by the governor's he's household that, umm, there is a practice if for all boards and commissions that if no new appointment is made by the governor, that the person in place, I don't remember the term for it, but that person continues it.

0:26:34.580 --> 0:26:38.30

Steve Suo, PRAC

Continues to hold office and I don't know what the basis is for that in law.

0:26:38.40 --> 0:26:40.100

Steve Suo, PRAC

I think we went this based on that advice.

0:26:41.650 --> 0:26:48.900

Steve Suo, PRAC

I, for one would be happy to, you know, to, to seek renomination and reconfirmation by the Senate if I'm still eligible.

0:26:50.900 --> 0:26:51.860

Steve Suo, PRAC

Or uh.

0:26:52.710 --> 0:26:53.10

Steve Suo, PRAC

Yeah.

0:26:53.20 --> 0:26:56.400

Steve Suo, PRAC

And and and go through that process if if that's desired.

0:27:0.570 --> 0:27:7.100

MILES Cameron D * GOV

So that that is actually correct, people can stay in as long as no one has appointed.

0:27:8.10 --> 0:27:14.940

MILES Cameron D * GOV

Alternatively, there's nothing that automatically kicks someone out of the out of the council just because their term expires.

0:27:15.810 --> 0:27:18.880

MILES Cameron D * GOV

We're more concerned with what should we do going forward?

0:27:18.890 --> 0:27:19.940

MILES Cameron D * GOV

How should we?

0:27:19.990 --> 0:27:25.540

MILES Cameron D * GOV

I mean, do we want to get back into that once half of the term?

0:27:25.650 --> 0:27:27.740

MILES Cameron D * GOV

Again, you're a subject to reappointment.

0:27:28.310 --> 0:27:30.570

MILES Cameron D * GOV

It allows for reappointment multiple times.

0:27:32.60 --> 0:27:36.100

MILES Cameron D * GOV

We were concerned with at first we thought it was four year terms, but these are actually two year terms.

0:27:36.110 --> 0:27:40.450

MILES Cameron D * GOV

So there's no problem with people staying and being reappointed.

0:27:40.800 --> 0:27:42.490

MILES Cameron D * GOV

We do have to go through the process.

0:27:42.500 --> 0:27:48.360

MILES Cameron D * GOV

It is a Senate confirmed position, so we do need to follow the process as dictated by statute.

0:27:50.910 --> 0:27:52.900

Mark Landauer

That was actually my question.

0:27:52.970 --> 0:28:5.560

Mark Landauer

Cameron was whether or not the seats have term limits I that I guess the follow and I if I understood you correctly your answer to that is no.

0:28:5.630 --> 0:28:10.140

Mark Landauer

There are no term limits to membership on the Council, is that correct?

0:28:11.50 --> 0:28:11.660

MILES Cameron D * GOV

That is correct.

0:28:12.460 --> 0:28:23.850

Mark Landauer

So a follow-up question, I know that our previous governor, Umm made it a point that once an individual had served out their eligibility.

0:28:24.880 --> 0:28:39.880

Mark Landauer

Umm that they or or at least two terms that they wanted to find fresh blood, if you will, for those various commissions and and groups.

0:28:41.500 --> 0:28:46.80

Mark Landauer

Do you have a sense for the new governor's position on that question?

0:28:47.980 --> 0:28:50.10

MILES Cameron D * GOV

So that that's a little more complicated.

0:28:50.260 --> 0:28:53.200

MILES Cameron D * GOV

Originally we were under the I mean, we knew that about that.

0:28:53.260 --> 0:28:55.470

MILES Cameron D * GOV

Was that kind of the practice in the past?

0:28:56.100 --> 0:28:56.260

Mark Landauer

Yes.

0:28:56.810 --> 0:29:1.180

MILES Cameron D * GOV

That's usually with four year terms, though, and that's eight years no one has in eight years.

0:29:2.210 --> 0:29:2.370

Mark Landauer

Yeah.

0:29:1.190 --> 0:29:6.180

MILES Cameron D * GOV

Yet we've still got another couple years before anyone can hit two, eight years.

0:29:6.190 --> 0:29:9.480

MILES Cameron D * GOV

Even so, we're not there yet with these two year terms.

0:29:9.490 --> 0:29:21.640

MILES Cameron D * GOV

I mean, there's clearly people can serve longer it if the pack wants, like you said, new blood wants to have people from different perspectives.

0:29:22.250 --> 0:29:26.50

MILES Cameron D * GOV

We're we're definitely open to that and I generally we would we would support that.

0:29:26.830 --> 0:29:30.520

MILES Cameron D * GOV

Umm, but again, it's a lot of what the pack wants.

0:29:30.530 --> 0:29:30.840

MILES Cameron D * GOV

What?

0:29:30.850 --> 0:29:33.630

MILES Cameron D * GOV

What do they see as their needs for the going forward?

0:29:38.340 --> 0:29:38.920

Mark Landauer

Discussion.

0:29:45.930 --> 0:29:56.980

Scott Stauffer

I I'm certainly open to getting us back on track and meeting the the two year term and knew we need to do to revisit to get to that point.

0:29:57.960 --> 0:30:4.650

Scott Stauffer

Looks like I perhaps in one sense benefited the most by having the longest alright term out there at the moment.

0:30:4.790 --> 0:30:7.870

Scott Stauffer

I'm I'm happy and open to give us back on track.

0:30:10.820 --> 0:30:12.410

Emily Harris (Guest)

I it it's Emily Harris.

0:30:12.420 --> 0:30:15.490

Emily Harris (Guest)

I so it's two years.

0:30:15.500 --> 0:30:24.890

Emily Harris (Guest)

I'm sorry that I was getting a little lost in the threes and twos in different appointments and it's two years the that's the what we're supposed to serve and then come through.

0:30:24.900 --> 0:30:28.650

Emily Harris (Guest)

Then somebody would replace us unless it was a reappointment is.

0:30:30.650 --> 0:30:30.820

MILES Cameron D * GOV

That.

0:30:28.660 --> 0:30:46.10

Emily Harris (Guest)

Is that because because two years is really short, considering like we spent so long on this legislation, for example, and I'm just thinking about turnover and continuity when you're trying to do things that are complicated and set policy that's complicated.

0:30:48.270 --> 0:30:49.10

Emily Harris (Guest)

So.

0:30:50.210 --> 0:30:50.660

Emily Harris (Guest)

So I'm not.

0:30:50.670 --> 0:30:52.780

Emily Harris (Guest)

I'm not sure the getting back, I mean.

0:30:52.790 --> 0:30:58.490

Emily Harris (Guest)

I mean, I wanna follow the law, obviously, but I wanna just understand better.

0:30:58.500 --> 0:30:59.560

Emily Harris (Guest)

What the options are?

0:31:1.720 --> 0:31:4.300

Emily Harris (Guest)

To provide continuity as well as follow the law.

0:31:5.970 --> 0:31:13.120

MILES Cameron D * GOV

So so like I said, under the TALF, the terms that expire every year, but that doesn't mean that we have to replace all the people every year.

0:31:13.130 --> 0:31:15.940

MILES Cameron D * GOV

They you can go up for reappointment as many times as you want.

0:31:16.190 --> 0:31:17.340

MILES Cameron D * GOV

I I was surprised.

0:31:17.350 --> 0:31:27.540

MILES Cameron D * GOV

Also, I thought these were four year terms across the board until I started digging and realized that especially when I saw different terms of all different lengths, I was like, wait, wait, what's going on here?

0:31:27.550 --> 0:31:33.950

MILES Cameron D * GOV

Why do we have some people serving really short and some people really long, and so that's when we started digging and found out what had happened.

0:31:34.370 --> 0:31:44.140

MILES Cameron D * GOV

Umm I continuity is I think is important, so it would be a matter of people need to be reappointed because it is Senate confirmed.

0:31:44.830 --> 0:31:50.960

MILES Cameron D * GOV

Uh, if if the Council wanted to recommend changing that, we would obviously not object to that at all.

0:31:50.970 --> 0:31:58.380

MILES Cameron D * GOV

If that we wanted to make that 4 year terms or do any other changes, but we're not gonna actually, we're not gonna promote something like that.

0:31:58.390 --> 0:32:4.770

MILES Cameron D * GOV

That would need to be the Council initiating that, because we do want them to have, I mean, it is somewhat supposed to be independent.

0:32:4.780 --> 0:32:11.70

MILES Cameron D * GOV

We want them to kind of forge their own way and go do it the way they want to do it.

0:32:11.750 --> 0:32:12.100

Emily Harris (Guest)

Got it.

0:32:12.110 --> 0:32:12.400

Emily Harris (Guest)

Thank you.

0:32:13.310 --> 0:32:13.640

Mark Landauer

Steve.

0:32:14.870 --> 0:32:15.360

Steve Suo, PRAC

I guess I'm.

0:32:15.370 --> 0:32:17.780

Steve Suo, PRAC

I'm not a I'm not clear at this point.

0:32:17.790 --> 0:32:18.60

Steve Suo, PRAC

What?

0:32:18.150 --> 0:32:20.340

Steve Suo, PRAC

What the options available are cause?

0:32:20.350 --> 0:32:28.460

Steve Suo, PRAC

I mean, I thought if you're saying two years is in statute, then I mean, what?

0:32:28.470 --> 0:32:31.980

Steve Suo, PRAC

What discretion do we or do you have?

0:32:33.930 --> 0:32:41.40

MILES Cameron D * GOV

So it's the if they've already been appointed and confirmed by the Senate, we we've, you know, we've got kind of a problem there.

0:32:41.50 --> 0:32:48.320

MILES Cameron D * GOV

If it was longer than was required, but it's not one we actually have to fix because there's nothing wrong with someone overstaying the end of a term.

0:32:48.330 --> 0:32:54.580

MILES Cameron D * GOV

So we don't really, it doesn't really matter whether it was, they were confirmed to it four year and it should have been a two year or not.

0:32:54.750 --> 0:32:58.420

MILES Cameron D * GOV

We can just not reappoint anyone else until that four years is up.

0:32:58.530 --> 0:33:8.770

MILES Cameron D * GOV

So the question is, do we want to go start maybe beginning of next year, start appointing reappointing everyone to actually to your terms?

0:33:9.40 --> 0:33:16.50

MILES Cameron D * GOV

Do we wanna wait till these terms are completed and then maybe the following January have it reappointed for the following January?

0:33:16.280 --> 0:33:23.720

MILES Cameron D * GOV

Do we care about it being January 1st or do we wanna just let the terms expire and then wherever they are do another two years?

0:33:23.940 --> 0:33:25.290

MILES Cameron D * GOV

I mean, we have lots of options.

0:33:26.140 --> 0:33:32.10

MILES Cameron D * GOV

Uh, it logistically options, but they're not options that really affect legality of it.

0:33:32.20 --> 0:33:37.870

MILES Cameron D * GOV

So we don't mind how the Council wants to wants it to look going forward.

0:33:41.630 --> 0:33:42.40

Mark Landauer

Andrea.

0:33:44.160 --> 0:34:2.600

CHIAPELLA Andrea * DAS

And question the staggering of the terms that happened was that for continuity purposes so that you don't have the entire board kind of jumping off at this, OK, just wanted to clarify that and I was just thinking out loud you House of reps has a two year term as well.

0:34:2.610 --> 0:34:5.640

CHIAPELLA Andrea * DAS

So there are, as you know, sort of that constant.

0:34:6.470 --> 0:34:26.370

CHIAPELLA Andrea * DAS

But I would I would definitely support at least aligning the dates to make sure that you know we know at the end of the year we're going to have to start looking at reappointment or new confirmation, just cause having it in the middle year and at the end of the year it things will get lost and just organizational purposes, I think that's helpful.

0:34:27.120 --> 0:34:31.250

CHIAPELLA Andrea * DAS

As far as two or 4 I don't have any strong opinions there.

0:34:31.720 --> 0:34:33.360

CHIAPELLA Andrea * DAS

So my two cents.

0:34:35.180 --> 0:34:35.920

Mark Landauer

Thank you, Andrea.

0:34:41.350 --> 0:34:42.160

Mark Landauer

And then Tony?

0:34:43.390 --> 0:34:54.490

Tony Hernandez

Yeah, I think I agree with Andrea in terms of one, I think it'd be great to just have the start dates align and I.

0:34:54.580 --> 0:35:4.80

Tony Hernandez

But I also agree it would be nice because of the just seen the the long amount of work that it took just to get this.

0:35:4.930 --> 0:35:18.850

Tony Hernandez

The recent, umm, work that we did with Bill for 17 Senate Bill 417 seems that like a four year term would be give the Members you know sufficient time to to work on.

0:35:20.630 --> 0:35:31.900

Tony Hernandez

You know, long lasting policy and not have to parachute in if you're, you know, on a 2 year term and and just jumping in on something that that maybe others have been working on much longer.

0:35:31.990 --> 0:35:43.990

Tony Hernandez

So I guess just to summarize, I would I would support putting the start date for everyone to start at the same month and then Indorse 4 year terms if if that's possible within the.

0:35:45.860 --> 0:35:46.550

Tony Hernandez

Existing loss.

0:35:48.570 --> 0:35:56.540

Mark Landauer

And I I am looking at the comments and I think Emily made a a interesting point as well here.

0:35:57.70 --> 0:36:5.80

Mark Landauer

I won't repeat it, but I think that she has an interesting take on this issue as well. Umm.

0:36:5.460 --> 0:36:7.900

MILES Cameron D * GOV

Now I have to find the comments because I don't know how to see those either.

0:36:8.830 --> 0:36:10.970

Mark Landauer

Ohh well OK then I'll repeat it.

0:36:11.710 --> 0:36:24.220

Mark Landauer

This isn't probably relevant to the discussing what happens going forward, but the chart seemed to reflect that the current people on the practice served all the terms, which isn't always true.

0:36:37.520 --> 0:36:37.680

MILES Cameron D * GOV

Yeah.

0:36:24.370 --> 0:36:37.970

Mark Landauer

She wasn't appointed until last year and my role was previously held by Sharon, so that is an interesting take there has there has been turnover on the PRAC we know that.

0:36:38.790 --> 0:36:44.130

Mark Landauer

Uh, we've seen a changes with with Emily.

0:36:44.140 --> 0:37:0.50

Mark Landauer

We've seen changes with Scott and Scott and we've seen changes with well, the county

position is still vacant, if I remember correctly, but that was previously held by Rob Bovet, right?

0:37:0.60 --> 0:37:2.190

Mark Landauer

So we have seen some turnover here.

0:37:2.200 --> 0:37:5.740

Mark Landauer

I see on we've Tony, is your hand still up?

0:37:6.540 --> 0:37:8.30

Mark Landauer

If not, I'm gonna go to Todd.

0:37:9.320 --> 0:37:10.600

Mark Landauer

Yes, Todd, please.

0:37:11.670 --> 0:37:12.110

ALBERT Todd * PRA

Great.

0:37:12.120 --> 0:37:12.450

ALBERT Todd * PRA

Umm.

0:37:12.460 --> 0:37:18.960

ALBERT Todd * PRA

I'm just gonna recommend that we add this as an agenda item for the next meeting when we're going through everything else.

0:37:18.970 --> 0:37:26.170

ALBERT Todd * PRA

So that way we can come to a consensus, hopefully quickly or maybe with the formation of a small directed subcommittee.

0:37:29.220 --> 0:37:30.550

Mark Landauer

Todd, could you work?

0:37:30.560 --> 0:37:41.140

Mark Landauer

Perhaps I I do agree that we need to put this to the next next meeting and it would would it be asking too much if you and.

0:37:42.650 --> 0:38:0.570

Mark Landauer

Cameron perhaps worked with one another to lay out some options that the Council could take moving forward, if if that's agreeable to the Council, I, you know, I don't have any strong feelings one way or the other.

0:38:0.580 --> 0:38:16.110

Mark Landauer

I do agree that there needs to be some continuity, but there also needs to be an opportunity for new people to come aboard or for those of us who doubt they have any volunteers to take their position to continue on.

0:38:16.120 --> 0:38:18.10

Mark Landauer

That would probably be me folks.

0:38:18.940 --> 0:38:22.810

Mark Landauer

So it would be, I think helpful.

0:38:22.820 --> 0:38:48.280

Mark Landauer

Perhaps if we had some options that that were laid out and and on Cameron, you know, I don't wanna create a whole bunch of work for the governor as well because I know that, umm, she has some 200 appointment stacked up right now and I don't wanna create more more difficulty cause it's not it's not an easy thing to do folks.

0:38:48.590 --> 0:39:4.800

Mark Landauer

There are literally hundreds of of work groups or or councils and commissions that the governor has to appoint people to, and it's it I think she has a full staff just dealing with that issue alone, Andrea.

0:39:6.640 --> 0:39:14.170

CHIAPELLA Andrea * DAS

A quick question if anybody remembers, I don't know off the top of my head why a position would be Senate confirmed or not.

0:39:14.180 --> 0:39:19.270

CHIAPELLA Andrea * DAS

Was there a trigger in something that causes Senate confirmation, or is it just written into the law?

0:39:19.850 --> 0:39:22.710

Mark Landauer

It was written into the law back in 2017.

0:39:23.420 --> 0:39:27.990

CHIAPELLA Andrea * DAS

OK, I thought there was some some trigger that makes that so, but I can't remember.

0:39:28.650 --> 0:39:29.640

MILES Cameron D * GOV

There is not.

0:39:29.710 --> 0:39:30.700

MILES Cameron D * GOV

It's just the way it's written.

0:39:28.0 --> 0:39:31.710

CHIAPELLA Andrea * DAS

So anyway, just question, yeah.

0:39:34.510 --> 0:39:36.770

Mark Landauer

And taught it in in Cameron did.

0:39:36.780 --> 0:39:37.780

Mark Landauer

Did that seem like?

0:39:37.790 --> 0:39:40.540

Mark Landauer

Is that a reasonable request?

0:39:40.550 --> 0:39:43.540

Mark Landauer

Is that a request that the Council supports?

0:39:43.550 --> 0:39:46.590

Mark Landauer

If not, I mean that's fine too.

0:39:46.600 --> 0:39:57.690

Mark Landauer

I just like to be able to get some clarity moving forward and perhaps some options that can be presented to the Council might help us out in making that decision.

0:39:59.540 --> 0:40:0.0

MILES Cameron D * GOV

That that.

0:39:59.260 --> 0:40:1.610

ALBERT Todd * PRA

Mark, I'm happy to do that if Cameron's available.

0:40:1.620 --> 0:40:12.450

ALBERT Todd * PRA

Obviously it's the options or solutions we come up with are going to be limited to what we can think of, so the Council might still have other ideas, but I'm more than happy to try to come up with what seems like practical solutions to me.

0:40:12.580 --> 0:40:14.260

ALBERT Todd * PRA

Were Cameron and I to present to the Council.

0:40:15.870 --> 0:40:16.200

MILES Cameron D * GOV

Yeah.

0:40:16.210 --> 0:40:17.360

MILES Cameron D * GOV

Yeah, I I would agree.

0:40:17.590 --> 0:40:25.780

MILES Cameron D * GOV

I think the most to me the most obvious one was to just look at those terms and whenever they end, start the next January.

0:40:27.110 --> 0:40:37.980

MILES Cameron D * GOV

The and just do a new two year term after that, but there are that will not create the app expiring every year because I think it's gonna be 5 and three if we did it that way.

0:40:38.740 --> 0:40:39.160

MILES Cameron D * GOV

Umm.

0:40:39.340 --> 0:40:40.50

MILES Cameron D * GOV

And it could.

0:40:40.60 --> 0:40:46.530

MILES Cameron D * GOV

And from what I look at, the media members would all term at the same time, so I'm not sure that that's a great option.

0:40:47.280 --> 0:40:48.630

Mark Landauer

Yeah, I don't like that either.

0:40:49.360 --> 0:41:7.120

MILES Cameron D * GOV

So I I think we're it's gonna just have to play around with how that would work best I do would note that Shasta Kern more and Tony Hernandez were both appointed to longer terms, but then not confirmed to the longer term because I think the Senate caught it at some point and then didn't say anything to anyone.

0:41:8.80 --> 0:41:8.350

MILES Cameron D * GOV

Uh.

0:41:9.410 --> 0:41:12.680

MILES Cameron D * GOV

And so they got confirmed to a different term than they were appointed to.

0:41:12.690 --> 0:41:16.890

MILES Cameron D * GOV

I believe it's complicated, so I can't really tell what happened.

0:41:18.960 --> 0:41:19.320

Mark Landauer

Wow.

0:41:22.460 --> 0:41:23.20

Mark Landauer

OK.

0:41:19.310 --> 0:41:23.60

MILES Cameron D * GOV

But yeah, have but.

0:41:23.30 --> 0:41:24.470

Mark Landauer

Well, we go ahead.

0:41:25.300 --> 0:41:26.130

MILES Cameron D * GOV

I just gonna say so.

0:41:26.140 --> 0:41:41.460

MILES Cameron D * GOV

I think we can come up with some solution or some suggestions and Todd and I can work together on that and say, hey, what about if we do this and just next appointments for each of these positions, be this, this, this and this and then see if the Council likes it.

0:41:42.740 --> 0:41:43.170

Mark Landauer

Great.

0:41:43.180 --> 0:41:44.420

Mark Landauer

I see Steve's hands up.

0:42:3.350 --> 0:42:3.980

Mark Landauer

I think that that.

0:41:46.450 --> 0:42:4.110

Steve Suo, PRAC

So I'm wondering about the timing on like how quickly we it seems like we probably need to make a decision pretty soon because we're coming up on December of 2023, was marker you envisioning maybe an additional meeting before then or how will this work?

0:42:4.850 --> 0:42:6.660

Mark Landauer

Yeah, I think that that was the plan.

0:42:6.670 --> 0:42:8.320

Mark Landauer

Correct me if I'm wrong there, Todd.

0:42:8.330 --> 0:42:12.240

Mark Landauer

Weren't we looking at a November meeting?

0:42:12.250 --> 0:42:12.950

Mark Landauer

Is that correct?

0:42:13.740 --> 0:42:17.660

ALBERT Todd * PRA

Yeah, that would be our annual meeting where we do the big stuff include.

0:42:17.780 --> 0:42:18.880

ALBERT Todd * PRA

So yeah, we have this.

0:42:18.890 --> 0:42:21.370

ALBERT Todd * PRA

That's one briars for today is trying to set the date earliest.

0:42:21.380 --> 0:42:23.280

ALBERT Todd * PRA

Talking about what's gonna happen during that meeting.

0:42:26.630 --> 0:42:29.910

Mark Landauer

Seems to me that this might be a ripe issue for that agenda.

0:42:32.260 --> 0:42:32.680

ALBERT Todd * PRA

I'm sorry.

0:42:32.690 --> 0:42:35.940

ALBERT Todd * PRA

I was trying to answer someone's email that was contacting us about meeting minutes.

0:42:35.950 --> 0:42:36.760

ALBERT Todd * PRA

What was the question?

0:42:38.690 --> 0:42:38.860

07780d18-b62e-4c6b-8048-917e6b0940c0

Yeah.

0:42:37.860 --> 0:42:38.950

Mark Landauer

It wasn't a question.

0:42:38.960 --> 0:42:40.570

Mark Landauer

My mind was a statement.

0:42:40.580 --> 0:42:43.360

Mark Landauer

It seems like a logical time to address the issue.

0:42:45.70 --> 0:42:45.720

ALBERT Todd * PRA

Oh, I agree.

0:42:45.730 --> 0:42:46.340

ALBERT Todd * PRA

So what?

0:42:46.350 --> 0:42:54.120

ALBERT Todd * PRA

So if this works for you, Mark, how about I try to interface with Cameron and come up with ideas before the meeting and then include in that meeting and agenda item for me to present.

0:42:54.130 --> 0:42:56.210

ALBERT Todd * PRA

Or maybe Cameron and I to present what we came up with.

0:42:57.150 --> 0:43:11.290

Mark Landauer

Yeah, and I all I would simply ask, is that the Council members review the options prior to the meeting and hopefully formulate some kind of an opinion prior to that meeting and we'll have a robust discussion, I am sure.

0:43:13.720 --> 0:43:17.280

Mark Landauer

Is that is that a acceptable to everybody?

0:43:22.870 --> 0:43:28.30

Mark Landauer

Any further questions on that doesn't appear to be so.

0:43:28.970 --> 0:43:31.840

Mark Landauer

Thank you, Cameron for that.

0:43:31.850 --> 0:43:33.400

Mark Landauer

I very much appreciate it.

0:43:33.410 --> 0:43:38.570

Mark Landauer

Sounds like we have a bit of a cobweb that we're gonna have to untangle and looking forward to.

0:43:40.590 --> 0:43:41.810

Mark Landauer

You're you're a nut.

0:43:41.820 --> 0:43:45.110

Mark Landauer

Todd's suggestions because I don't know.

0:43:46.850 --> 0:43:47.750

MILES Cameron D * GOV

That's what I looked at.

0:43:49.170 --> 0:43:49.420

Mark Landauer

Me.

0:43:47.760 --> 0:43:49.630

MILES Cameron D * GOV

I'm like ohh no, I don't know what to do here.

0:43:49.640 --> 0:43:51.140

MILES Cameron D * GOV

I'm not making this decision on my own.

0:43:52.460 --> 0:43:52.870

Mark Landauer

Yeah.

0:43:52.880 --> 0:43:58.90

Mark Landauer

Well, giving us some options I think will tee it up for some decisive action.

0:43:58.100 --> 0:44:0.180

Mark Landauer

Hopefully at our November meeting.

0:44:1.340 --> 0:44:8.890

Mark Landauer

OK, so I believe we've a satisfied that particular item.

0:44:8.900 --> 0:44:13.750

Mark Landauer

So at this time, I think we're going to have a public comment period.

0:44:15.120 --> 0:44:26.270

Mark Landauer

Typically we do at these meetings, allow for the public to address the Council and it this time I'm Todd.

0:44:26.280 --> 0:45:6.950

Mark Landauer

I do believe we have at least one member of the public that wants to address the Council and folks for your information, there was information posted on our agenda regarding this public comment, so I'm tired, if you wouldn't mind taking it from here and perhaps introducing our public Member who wants to address the Council and if there are any others who want to address the Council, please feel free to I'm going to ask that we limit a comments, at least at this point, unless there are more to 3 minutes, if that makes if that's acceptable.

0:45:9.480 --> 0:45:10.460

ALBERT Todd * PRA

Sounds good, mark.

0:45:10.900 --> 0:45:15.260

ALBERT Todd * PRA

Miss Barker, if you're still with us and would like to comment, please go ahead and do so.

0:45:18.650 --> 0:45:32.690

Jo A. Barker

Umm, I'm just grateful to be back and see everybody and I read the comment that was posted rather conscious, shocking and I'll just leave it at that.

0:45:32.780 --> 0:45:33.230

Jo A. Barker

That.

0:45:34.110 --> 0:45:34.590

Jo A. Barker

Thank you.

0:45:38.940 --> 0:45:39.930

Mark Landauer

Thank you.

0:45:40.0 --> 0:45:44.450

Mark Landauer

Are there any other members of the public who would like to address the Council at this time?

0:45:45.660 --> 0:45:46.300

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Yes, I would.

0:45:48.20 --> 0:45:48.800

Mark Landauer

OK, sounds.

0:45:46.200 --> 0:45:49.700

07780d18-b62e-4c6b-8048-917e6b0940c0

Yeah, yeah, I and I went to Lauren Athan.

0:45:50.500 --> 0:45:53.990

Mark Landauer

OK, Laura Ahearn and I believe there was a gentleman.

0:45:54.630 --> 0:45:58.360

Mark Landauer

Sir, why don't you identify yourself?

0:45:58.370 --> 0:46:1.250

Mark Landauer

And before you do that, actually, Steve, I saw your hand up.

0:46:2.250 --> 0:46:2.620

Mark Landauer

No.

0:46:3.50 --> 0:46:3.400

Steve Suo, PRAC

I just.

0:46:2.670 --> 0:46:3.880

Mark Landauer

OK US.

0:46:3.470 --> 0:46:5.440

Steve Suo, PRAC

I was gonna suggest that people identify themselves.

0:46:5.510 --> 0:46:6.230

Steve Suo, PRAC

So you got it.

0:46:5.860 --> 0:46:8.20

Mark Landauer

Yes, I I would ask that.

0:46:8.30 --> 0:46:10.950

Mark Landauer

Uh, Sir, if you wouldn't mind identifying yourself.

0:46:10.960 --> 0:46:12.200

Mark Landauer

And please go ahead.

0:46:13.570 --> 0:46:22.470

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Yes, thank you and thank you, Steve for reminding my name is Scott Forster occasionally come to the meetings and appreciate the hearing you guys again.

0:46:23.10 --> 0:46:33.600

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Ohh, the first thing I wanted to say is just as a layperson I went to your website and I do not see the agenda posted on the public website for the Council.

0:46:33.670 --> 0:46:42.20

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

So you have the link to the to join the meeting you have a phone number which I'm utilizing right now, but you don't have the agenda.

0:46:42.30 --> 0:46:46.190

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

So I feel somewhat left out that I can't follow you as well as possible.

0:46:46.370 --> 0:46:51.470

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Also in the middle of the meeting, you apparently had a PowerPoint presentation or what?

0:46:51.490 --> 0:46:52.790

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

You referred to it slides.

0:46:53.260 --> 0:47:9.90

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

It'd be nice to at least post those if not in advance of the meeting during the meeting on the public website for the Council, so that people that may be participating silently or perhaps before the meeting could better participate.

0:47:11.590 --> 0:47:14.500

Mark Landauer

Well, Mr Forrester, I'd.

0:47:14.630 --> 0:47:17.480

Mark Landauer

I'd be happy to to address both of those.

0:47:17.850 --> 0:47:36.740

Mark Landauer

The public records Advocate website does have the agenda because I pulled it from that and Mr Albert mentioned when Mr Cameron brought up his slide showed that he had just posted those slides to the crack website as well.

0:47:36.750 --> 0:47:39.370

Mark Landauer

Am I incorrect in that Mister Albert?

0:47:41.60 --> 0:47:42.970

ALBERT Todd * PRA

You're not incorrect with those someone pointed out.

0:47:42.980 --> 0:47:47.950

ALBERT Todd * PRA

I might have the wrong date on the agenda, although it is posted under today's meeting, I do have the wrong dates.

0:47:47.960 --> 0:47:48.610

ALBERT Todd * PRA

I will correct that.

0:47:52.650 --> 0:47:53.420

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

OK.

0:47:53.830 --> 0:47:55.880

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Appreciate the response back.

0:47:55.890 --> 0:48:10.160

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

I'm just looking at the web page with the top title, Oregon Public Records advocate, and then below that it says the Public Records Advisory Council and then you says list of current members and then upcoming meetings.

0:48:10.170 --> 0:48:12.480

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Has today's meeting September 18th?

0:48:12.850 --> 0:48:18.240

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Again, it says to join the meeting and then also has a phone number, but it does not have the agenda.

0:48:18.250 --> 0:48:30.750

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

I'm just saying, as a layperson I would assume that the same location where you're invited to join the meeting and participate would be a good location to actually post the agenda so that people can more fully participate.

0:48:30.760 --> 0:48:34.450

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

I just wanted to make that point and secondly, and I know the times limited.

0:48:34.460 --> 0:48:35.190

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Thank you.

0:48:35.760 --> 0:48:52.250

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Just as a general issue for a future agenda, it would be nice that there be some general discussion about the obligations or maybe even improvement of jurisdictions archiving, digitizing their public records.

0:48:52.260 --> 0:48:54.380

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Many of them are born digital these days.

0:48:54.390 --> 0:49:31.490

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Many of them are in the past paper records and other records, but as there are digitized either in response for public records requests or just as they do it as a part of their maintenance plus the Born digital records that these should all be basically posted either on a statewide website or individual servers by individual organizations or jurisdictions so that people can access like this stratera public records without having to do records requests or in some cases repeated requests for the same documents.

0:49:31.860 --> 0:49:52.30

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

So since these documents are being created using public monies for public purposes, it'd be nice to actually just have a repository so that over time would be building kind of like these records that might normally be requested to basically feed the public their public records without having to do particular requests.

0:49:53.120 --> 0:49:53.520

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Thank you.

0:49:55.60 --> 0:49:57.710

Mark Landauer

Thank you, Mr Forrester, for joining us today.

0:49:57.940 --> 0:50:8.370

Mark Landauer

We do endeavor to post everything of prior to our meetings and hopefully I think we I think we accomplished that this time around.

0:50:8.780 --> 0:50:11.380

Mark Landauer

Sorry for any confusion with the dates, Steve.

0:50:12.620 --> 0:50:13.140

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

I thank you.

0:50:15.0 --> 0:50:15.250

Steve Suo, PRAC

Yeah.

0:50:15.260 --> 0:50:32.170

Steve Suo, PRAC

I was just gonna say those material, the agenda and well, the agenda definitely is right below the spot where it says click here to join the meeting, but evidently you know as a test case, an interested member of the public did not make that connection.

0:50:32.180 --> 0:50:37.540

Steve Suo, PRAC

So maybe it's just a question of kind of the the layout on the website to make it clearer that they're connected.

0:50:38.580 --> 0:50:39.360

Steve Suo, PRAC

Uh, that's all.

0:50:40.860 --> 0:50:41.460

Mark Landauer

Thank you, Steve.

0:50:43.420 --> 0:50:46.90

Mark Landauer

And I I believe I'm miss a horn.

0:50:46.180 --> 0:50:49.550

Mark Landauer

You wanted to and if I mispronounce your name, forgive me.

0:50:49.860 --> 0:50:52.410

Mark Landauer

I believe you wanted to address the Council as well.

0:50:52.720 --> 0:50:53.660

Mark Landauer

Please go right ahead.

0:50:53.480 --> 0:50:55.480

07780d18-b62e-4c6b-8048-917e6b0940c0

Yeah, yeah, yeah.

0:50:55.490 --> 0:50:55.900

07780d18-b62e-4c6b-8048-917e6b0940c0

Thank you.

0:50:55.910 --> 0:50:56.540

07780d18-b62e-4c6b-8048-917e6b0940c0

You're close.

0:50:56.550 --> 0:50:57.860

07780d18-b62e-4c6b-8048-917e6b0940c0

It's Laura ahearn.

0:50:57.920 --> 0:51:0.580

07780d18-b62e-4c6b-8048-917e6b0940c0

I've submitted my comments in writing.

0:51:0.590 --> 0:51:5.430

07780d18-b62e-4c6b-8048-917e6b0940c0

I do have some updates, it's just I put that together.

0:51:5.440 --> 0:51:20.100

07780d18-b62e-4c6b-8048-917e6b0940c0

I've learned that Oregon revised statutes, section 192.324, paragraph 7 requires a public body to have a written procedure that includes the amount and the manner of calculating fees.

0:51:20.720 --> 0:51:23.940

07780d18-b62e-4c6b-8048-917e6b0940c0

Jackson County definitely does not have that.

0:51:24.60 --> 0:51:48.620

07780d18-b62e-4c6b-8048-917e6b0940c0

They have a very bland order from the Commissioners to collect actual costs, and as I've explained there, they're a concept of actual cost is a very dense accountants formula for fully burdened compensation rates divided by the average productive hours of all of our county employees.

0:51:49.410 --> 0:51:50.660

07780d18-b62e-4c6b-8048-917e6b0940c0

Umm I'm.

0:51:50.670 --> 0:51:51.740

07780d18-b62e-4c6b-8048-917e6b0940c0

I'm still working through that.

0:51:52.670 --> 0:51:55.250

07780d18-b62e-4c6b-8048-917e6b0940c0

I've alluded to the case of a colleague.

0:51:55.350 --> 0:52:6.700

07780d18-b62e-4c6b-8048-917e6b0940c0

She's a colleague with me, both in the animal care realm, but also in a initiative petition that's been launched here in Jackson County.

0:52:7.550 --> 0:52:9.900

07780d18-b62e-4c6b-8048-917e6b0940c0

Uh, just territorial time.

0:52:9.910 --> 0:52:14.130

07780d18-b62e-4c6b-8048-917e6b0940c0

Since 1852, we have had only three county commissioners.

0:52:15.110 --> 0:52:22.0

07780d18-b62e-4c6b-8048-917e6b0940c0

They used to represent, you know, a few 100 white miners, and now each of them per capita represents about 80,000 people.

0:52:23.10 --> 0:52:35.900

07780d18-b62e-4c6b-8048-917e6b0940c0

So this individual had made a public records request and explained that the information was needed to disseminate to the public as part of this political democratic process.

0:52:36.660 --> 0:52:43.920

07780d18-b62e-4c6b-8048-917e6b0940c0

She received the same identical boiler plate that I received to her request for a fee waiver.

0:52:44.510 --> 0:53:2.490

07780d18-b62e-4c6b-8048-917e6b0940c0

She wrote back, explaining in great detail about how this information was going to be disseminated and the clerk prompting, grows back, saying, well, no, you still haven't met your burden because you're not a member of an established newspaper or media outlet.

0:53:2.770 --> 0:53:6.590

07780d18-b62e-4c6b-8048-917e6b0940c0

But if you want to have one of those reporters contact us.

0:53:6.900 --> 0:53:11.780

07780d18-b62e-4c6b-8048-917e6b0940c0

If one of those media people submit this very same request.

0:53:13.160 --> 0:53:32.610

07780d18-b62e-4c6b-8048-917e6b0940c0

Then maybe we'll consider it so this is just further establishing what I see that Jackson County has devised this this strict bright line rule that does not come from the statute and it is, you know, fundamentally at odds with the statewide policy.

0:53:32.740 --> 0:53:37.590

07780d18-b62e-4c6b-8048-917e6b0940c0

That was established back in 2017 by the Department of Administrative Services.

0:53:38.20 --> 0:53:44.140

07780d18-b62e-4c6b-8048-917e6b0940c0

That sets out, you know, the decision tree and that document nowhere says.

0:53:44.410 --> 0:53:47.440

07780d18-b62e-4c6b-8048-917e6b0940c0

Are you a member of the newspaper or the media outlet?

0:53:48.210 --> 0:53:48.430

07780d18-b62e-4c6b-8048-917e6b0940c0

So.

0:53:49.970 --> 0:53:52.560

07780d18-b62e-4c6b-8048-917e6b0940c0

So that's where we stand here in Jackson County.

0:53:53.300 --> 0:53:59.160

07780d18-b62e-4c6b-8048-917e6b0940c0

Umm, I guess my options now are to give up, pay the hundreds of dollars.

0:54:2.960 --> 0:54:3.200

Mark Landauer

But.

0:54:0.260 --> 0:54:13.610

07780d18-b62e-4c6b-8048-917e6b0940c0

Perhaps I could turn to the public records advocate, but but many of these issues, you know, just are beyond simply mediating how the county is treating my individual request.

0:54:13.700 --> 0:54:23.410

07780d18-b62e-4c6b-8048-917e6b0940c0

They are fundamental flaws and their procedures and their policies and to get to that I am probably left with having to bring a judicial action.

0:54:24.450 --> 0:54:39.710

07780d18-b62e-4c6b-8048-917e6b0940c0

I'm considering that I'm trying to look at what the blowback might be, and of course the expense and the the drain on my time, which I would rather devote to other, yeah, other endeavors right now.

0:54:40.140 --> 0:54:45.870

07780d18-b62e-4c6b-8048-917e6b0940c0

So I maybe some of you have some reaction or questions or suggestions for me.

0:54:46.160 --> 0:55:9.420

07780d18-b62e-4c6b-8048-917e6b0940c0

I hope at a minimum you see this as a case study here at the grassroots level about how the Public Meetings Act is not working and how important it is that public records request our successful so that citizens can properly monitor their government.

0:55:9.550 --> 0:55:12.460

07780d18-b62e-4c6b-8048-917e6b0940c0

So I'm here for any questions or suggestions.

0:55:12.470 --> 0:55:12.920

07780d18-b62e-4c6b-8048-917e6b0940c0

Thank you.

0:55:14.830 --> 0:55:16.30

Mark Landauer

Thank you, miss Harmon.

0:55:18.390 --> 0:55:18.980

Mark Landauer

Yes, Steve.

0:55:21.160 --> 0:55:21.950

Steve Suo, PRAC

Ah, thank you.

0:55:22.0 --> 0:55:24.970

Steve Suo, PRAC

I and thank you for your testimony.

0:55:25.380 --> 0:55:42.0

Steve Suo, PRAC

I do think it's a case study in some of the problems that we've attempted been attempting to address over the past couple years and I would know for one, SB 417 has amended or as we hope to be amended.

0:55:43.160 --> 0:55:53.440

Steve Suo, PRAC

I would provide an incentive for public bodies to to create and publish their public records fee policies.

0:55:54.190 --> 0:56:1.510

Steve Suo, PRAC

Uh, as you note, it is mandated currently, but there's no teeth in it or there's no, there's no, there's nothing in it for them.

0:56:1.960 --> 0:56:3.630

Steve Suo, PRAC

And there's no there's no.

0:56:4.30 --> 0:56:18.430

Steve Suo, PRAC

There's no stick if you fail to do it in terms of the cost, I will say these are among some of the higher costs I've ever seen, quoted \$200.00 an hour for someone to review files.

0:56:20.20 --> 0:56:24.590

Steve Suo, PRAC

And I think that sort of it touches on the least cost discussion.

0:56:25.400 --> 0:56:28.650

Steve Suo, PRAC

But yeah, I think I think there are avenues like I, I'm.

0:56:28.700 --> 0:56:31.610

Steve Suo, PRAC

I'm not gonna speak up for exactly what you're avenues for PR.

0:56:31.760 --> 0:56:43.320

Steve Suo, PRAC

I Todd might have better advice on this, but I mean I think when when such a rate is quoted there are there are avenues to challenge it that you can pursue.

0:56:43.330 --> 0:56:46.130

Steve Suo, PRAC

And I think that's worth considering.

0:56:46.220 --> 0:56:51.390

Steve Suo, PRAC

I guess the last thing I'll say is on Senate Bill 417 concerning the news media.

0:56:52.420 --> 0:57:11.370

Steve Suo, PRAC

Umm, you know our in our amended version being a member of the news media is one of several factors that would be considered by the public body and by the appellate body and determining whether whether a disclosure is in the public interest.

0:57:11.660 --> 0:57:20.650

Steve Suo, PRAC

So then there was very much with the intention of people who are not members of the news media also being able to make the case that disclosures in the public interest.

0:57:21.960 --> 0:57:22.260

Steve Suo, PRAC

Thank you.

0:57:24.60 --> 0:57:24.430

07780d18-b62e-4c6b-8048-917e6b0940c0

Yeah.

0:57:24.440 --> 0:57:25.60

07780d18-b62e-4c6b-8048-917e6b0940c0

Yeah.

0:57:25.240 --> 0:57:25.650

07780d18-b62e-4c6b-8048-917e6b0940c0

Thank you.

0:57:25.660 --> 0:57:38.390

07780d18-b62e-4c6b-8048-917e6b0940c0

One thing I'll note is it's my understanding my request do go to elected officials, so I do not have the option of petitioning my District Attorney to review the refusal to waive the fee.

0:57:39.340 --> 0:57:43.800

07780d18-b62e-4c6b-8048-917e6b0940c0

That's why I don't think that Ave is open to me here.

0:57:54.160 --> 0:57:56.280

Mark Landauer

Thank you very much for this discussion.

0:57:57.170 --> 0:57:57.610

Mark Landauer

Umm.

0:57:58.640 --> 0:58:0.290

Mark Landauer

Any other thoughts?

0:58:0.750 --> 0:58:8.290

Mark Landauer

And if not, Todd, I'm gonna move to agenda item number 6.

0:58:8.360 --> 0:58:11.520

Mark Landauer

Ohh forgive me, Shasta please.

0:58:12.860 --> 0:58:14.30

Shasta Kearns Moore (Guest)

Yeah.

0:58:14.460 --> 0:58:28.890

Shasta Kearns Moore (Guest)

So I'm sorry, can you clarify your requests are for records held by the political elected officials or are they records held by the county?

0:58:31.890 --> 0:58:44.740

07780d18-b62e-4c6b-8048-917e6b0940c0

Ohh well see the way the way the Jackson County requires you to submit, you have to go to the board of County Commissioners if you expect them to have been in the loop.

0:58:45.530 --> 0:58:52.120

07780d18-b62e-4c6b-8048-917e6b0940c0

There's no county repository the the documents I am looking for.

0:58:52.130 --> 0:59:3.350

07780d18-b62e-4c6b-8048-917e6b0940c0

I expect to find in the offices of the county commissioners, the county administrator and the Health and Human services that overseas the shelter.

0:59:4.270 --> 0:59:6.770

07780d18-b62e-4c6b-8048-917e6b0940c0

That's why I followed their prescribed procedures.

0:59:7.120 --> 0:59:19.870

07780d18-b62e-4c6b-8048-917e6b0940c0

And then the County Attorney came back saying, well, let's bundle this all up into one omnibus request to the county because he was the one that was going to to compile the records.

0:59:20.300 --> 0:59:22.860

07780d18-b62e-4c6b-8048-917e6b0940c0

So I physically I was looking.

0:59:21.910 --> 0:59:29.800

Shasta Kearns Moore (Guest)

So I don't know if this helps, but if it is a county, if they're owned by the county, then yes, you can appeal to the District Attorney.

0:59:30.390 --> 0:59:38.280

Shasta Kearns Moore (Guest)

The records you know that, like emails between elected officials or something like that would be the.

0:59:42.30 --> 0:59:43.960

07780d18-b62e-4c6b-8048-917e6b0940c0

I I get I get your point there.

0:59:44.10 --> 0:59:44.600

07780d18-b62e-4c6b-8048-917e6b0940c0

OK.

0:59:44.650 --> 0:59:45.70

07780d18-b62e-4c6b-8048-917e6b0940c0

Thank you.

0:59:44.980 --> 0:59:46.210

Shasta Kearns Moore (Guest)

County records.

0:59:46.340 --> 0:59:50.600

Shasta Kearns Moore (Guest)

Then you could do the District Attorney route, at least for that portion of it.

0:59:52.80 --> 0:59:53.870

07780d18-b62e-4c6b-8048-917e6b0940c0

OK, I I understand your point.

0:59:53.880 --> 0:59:54.340

07780d18-b62e-4c6b-8048-917e6b0940c0

Thank you.

0:59:55.360 --> 0:59:55.640

Shasta Kearns Moore (Guest)

Umm.

1:0:2.900 --> 1:0:3.410

Mark Landauer

Great.

1:0:3.800 --> 1:0:5.930

Mark Landauer

Thank you for the discussion, everybody.

1:0:6.640 --> 1:0:9.870

Mark Landauer

And now we'll move to agenda item number 6.

1:0:9.880 --> 1:0:12.390

Mark Landauer

Todd, if you wouldn't mind taking it away?

1:0:14.90 --> 1:0:14.870

ALBERT Todd * PRA

Thanks, mark.

1:0:15.140 --> 1:0:16.800

ALBERT Todd * PRA

Excuse me and I may call on you.

1:0:16.810 --> 1:0:27.420

ALBERT Todd * PRA

Fang to assist me as she's taking on the lion share of this project trying to move us forward towards being a more standardized state agencies so she might be able to answer some questions that I cannot.

1:0:27.430 --> 1:0:39.700

ALBERT Todd * PRA

But what we have here today is a draft facilitated dispute resolution administrative rule that the office is attempting to formalize an institute as we currently do not have one.

1:0:39.710 --> 1:0:55.610

ALBERT Todd * PRA

I know it was on Gingers To Do List back when she was in this role and we're only first now finally being able to get to it as we move towards a more standardized model of operations as a state agency, we haven't utilized or formal dispute resolution authority as of yet.

1:0:55.620 --> 1:1:2.730

ALBERT Todd * PRA

I don't think it's fair to ask parties to engage in the process if such a situation were to arise without having a formal rules.

1:1:2.740 --> 1:1:8.90

ALBERT Todd * PRA

So everyone can adequately understand what their rights and expectations are to participate in the process.

1:1:8.320 --> 1:1:21.360

ALBERT Todd * PRA

So the rule as written in draft form will continue to follow the steps for the creation of a

formal administrative rule, which means publication, you know, commentary from the community, so on and so forth.

1:1:21.470 --> 1:1:27.960

ALBERT Todd * PRA

However, given that the PRAC has the ability to institute its own rules for our office has an exercise.

1:1:27.970 --> 1:1:31.520

ALBERT Todd * PRA

Those as of yet and we are choosing to do so for our office.

1:1:31.530 --> 1:1:33.520

ALBERT Todd * PRA

And the prack isn't an advisory role.

1:1:33.880 --> 1:1:35.640

ALBERT Todd * PRA

I'd like to provide you with this rule.

1:1:35.650 --> 1:1:40.260

ALBERT Todd * PRA

Talk to you a little bit about it and then ask that any of you that have any commentary on it.

1:1:40.330 --> 1:1:54.30

ALBERT Todd * PRA

Get back to us in the next two weeks or so individually with any thoughts or ideas you have to improve the rule so that we can consider incorporating that into the draft before we move to the next steps in the actual rule creation process.

1:1:54.40 --> 1:1:59.800

ALBERT Todd * PRA

Of course, when the rule goes out for public commentary, you're welcome to offer comments then as well.

1:1:59.810 --> 1:2:5.980

ALBERT Todd * PRA

But given the practice role to our office, we figured we'd let you in on the ground floor when it's still in draft form.

1:2:6.50 --> 1:2:24.380

ALBERT Todd * PRA

And So what this rule really does is take the existing statute and how the statute spells out

what this office can do and with whom, because of course, we have different powers at the state level within the executive branch compared to everything else, and tries to spell it out for any party that's going to request formal mediation from our office.

1:2:24.670 --> 1:2:27.910

ALBERT Todd * PRA

It doesn't really honestly do a lot more.

1:2:27.920 --> 1:2:40.250

ALBERT Todd * PRA

There's not a lot of expansion on what the statute requires other than just trying to spell out what each step entails and what each party can expect as its own obligations when participating in this process.

1:2:40.580 --> 1:2:46.370

ALBERT Todd * PRA

So I mean that's that feels kind of vague, but that's because I'm not necessarily asking you for anything today.

1:2:46.380 --> 1:2:55.450

ALBERT Todd * PRA

I just want to make you aware of the draft rule and give you the opportunity to review it and comment back to us in your own time, but of course we're happy to answer any questions you might have about it today.

1:2:58.420 --> 1:3:0.140

Mark Landauer

You think, do you have anything to add?

1:3:2.660 --> 1:3:3.410

LUO Yufeng * PRA

I don't.

1:3:3.770 --> 1:3:5.610

LUO Yufeng * PRA

Uh, but is there any specific questions?

1:3:5.620 --> 1:3:6.500

LUO Yufeng * PRA

I'm happy to address that.

1:3:7.400 --> 1:3:9.600

Mark Landauer

I was hoping you would go on.

1:3:11.120 --> 1:3:11.520

ALBERT Todd * PRA

I don't know.

1:3:10.680 --> 1:3:12.100

Mark Landauer

Don't get to see you very often.

1:3:14.490 --> 1:3:18.80

ALBERT Todd * PRA

As much as she'd probably like to, I don't know if anyone wants to stay here long enough to hear it.

1:3:20.230 --> 1:3:22.320

Mark Landauer

I hear that sentiment as well.

1:3:22.770 --> 1:3:32.20

Mark Landauer

Well, OK folks, so simply ask that you take a look at those proposed rules prior to our next meeting again.

1:3:32.30 --> 1:3:57.980

Mark Landauer

And if you have any questions, please do reach out to Todd or you thang with those comments, Todd, I guess my my question is, uh, it's really once you've gone through that sort of internal comment review and I don't expect that you're gonna need our approval to file those with the Secretary of State.

1:3:58.30 --> 1:4:4.460

Mark Landauer

Is that correct or do you plan to ask the Council for permission to do so?

1:4:4.470 --> 1:4:9.480

Mark Landauer

I guess is my only sort of procedural question that I have.

1:4:10.500 --> 1:4:11.250

ALBERT Todd * PRA

Good question.

1:4:11.260 --> 1:4:19.850

ALBERT Todd * PRA

And you know, this kind of questions are relevant given sometimes undefined nature of the roast relationship between this office and the Council.

1:4:20.90 --> 1:4:22.710

ALBERT Todd * PRA

I do not think your permission is necessary.

1:4:22.720 --> 1:4:30.990

ALBERT Todd * PRA

We are putting this forth as the office of the Public Records advocate, rather than as the project, but again, given your important relationship to our office, your feedback is critical.

1:4:31.0 --> 1:4:38.800

ALBERT Todd * PRA

If you have any, but I don't think we need any actual formal actions from the product to move forward with putting forth the rule.

1:4:39.720 --> 1:4:41.60

Mark Landauer

Thanks for that clarification.

1:4:43.380 --> 1:4:43.800

Mark Landauer

Uh.

1:4:42.880 --> 1:4:49.250

ALBERT Todd * PRA

And I will say one thing other sorry, Steve, Mark rather you know Steve made a good point based on the comments of Mr Forrester.

1:4:49.580 --> 1:5:5.430

ALBERT Todd * PRA

These administrative rules never are easy to read, but I think readability is important given the given that all are welcome to our services and we'll be coming to us at differing levels of like authority and knowledge with rules and the law and comfort interacting with government.

1:5:5.440 --> 1:5:11.200

ALBERT Todd * PRA

So to the extent that any of you have recommendations, especially on improving readability, I'd really like to hear those too.

1:5:13.360 --> 1:5:13.860

Mark Landauer

Fiesta.

1:5:15.190 --> 1:5:25.350

Shasta Kearns Moore (Guest)

Yeah, I'm just curious if you know without having to look up this other ORS, does requester defined as a person?

1:5:25.360 --> 1:5:26.820

Shasta Kearns Moore (Guest)

Could that include a corporation?

1:5:29.110 --> 1:5:32.430

ALBERT Todd * PRA

Yes, because requester follows the definition of the public records law.

1:5:32.440 --> 1:5:40.760

ALBERT Todd * PRA

So anyone who's entitled to make a public records request is also entitled to at least request formal alternative dispute resolution.

1:5:42.30 --> 1:5:46.90

Shasta Kearns Moore (Guest)

So, like Google could come along and say I'm a person under this law.

1:5:47.220 --> 1:5:48.80

ALBERT Todd * PRA

Yeah, I believe so.

1:5:49.350 --> 1:5:49.550

Shasta Kearns Moore (Guest)

Can.

1:5:53.720 --> 1:5:53.970

Mark Landauer

Great.

1:5:54.50 --> 1:5:56.60

Mark Landauer

Thank you for that, Todd.

1:5:56.440 --> 1:6:8.430

Mark Landauer

So, folks, if if you're looking to fill some time with some technical reading, I think that Todd has something for you to take a look at.

1:6:9.350 --> 1:6:20.440

Mark Landauer

I did take a quick glance, I have not dug into it though at this point personally, but I I certainly will get back to you and you think if I have any thoughts on it.

1:6:20.450 --> 1:6:20.870

Mark Landauer

Thank you.

1:6:21.710 --> 1:6:23.410

Mark Landauer

Any other comments?

1:6:23.420 --> 1:6:25.250

Mark Landauer

Questions at this point.

1:6:27.300 --> 1:6:28.60

Mark Landauer

OK.

1:6:29.80 --> 1:6:34.110

Mark Landauer

Well, we're getting to the fun part of our meeting now.

1:6:34.160 --> 1:6:40.670

Mark Landauer

Item number 7 Todd looks like you have ABCD&E to discuss with us.

1:6:40.680 --> 1:6:44.210

Mark Landauer

So why don't you start off with a Council leadership?

1:6:44.220 --> 1:6:48.60

Mark Landauer

I'm gonna be very curious to hear what you have to share on this one.

1:6:48.880 --> 1:6:49.360

ALBERT Todd * PRA

Sure.

1:6:49.370 --> 1:7:0.730

ALBERT Todd * PRA

Well, uh to the best of my recollection, the we elected our current practice leadership terms in November ISH of 2021 to 2 year terms.

1:7:0.740 --> 1:7:4.50

ALBERT Todd * PRA

That would be our current Chair, Vice Chair and Secretary.

1:7:4.420 --> 1:7:10.590

ALBERT Todd * PRA

And so we are due to reelect or the next round of elections for those positions.

1:7:10.600 --> 1:7:14.930

ALBERT Todd * PRA

So that we can move into the new year with someone in place and each of those 3 roles.

1:7:15.130 --> 1:7:17.670

ALBERT Todd * PRA

So that would be needed at our next meeting.

1:7:17.680 --> 1:7:25.320

ALBERT Todd * PRA

I don't know if we want to talk about process or whomever is interested or needs to be volentold to do it can merely raise their hand at the next meeting.

1:7:27.820 --> 1:7:37.430

ALBERT Todd * PRA

I will say, given the ambiguity around terms, and if you who thought you were leaving but who aren't, should feel free to throw your hat into the ring or keep your hat in the ring as well.

1:7:37.440 --> 1:7:38.120

ALBERT Todd * PRA

I won't name names.

1:7:41.30 --> 1:7:42.430

ALBERT Todd * PRA

But that's that's it for me.

1:7:42.170 --> 1:7:43.10

Mark Landauer

Well it.

1:7:45.160 --> 1:7:47.220

Mark Landauer

Well, I am curious.

1:7:47.230 --> 1:7:55.50

Mark Landauer

I, Steve and Emily are both termed out at, well, not necessarily their terms are have come to a conclusion.

1:7:55.60 --> 1:7:55.810

Mark Landauer

Is that correct?

1:7:55.820 --> 1:7:56.450

Mark Landauer

Steve and Emily?

1:8:3.790 --> 1:8:5.80

Mark Landauer

I don't remember.

1:8:0.770 --> 1:8:5.200

Steve Suo, PRAC

I honestly don't know where where I stand at this point.

1:8:5.370 --> 1:8:6.130

Mark Landauer

Fair, fair enough.

1:8:5.610 --> 1:8:6.160

Steve Suo, PRAC

No, I just.

1:8:6.210 --> 1:8:6.450

Steve Suo, PRAC

I just.

1:8:8.380 --> 1:8:8.520

Steve Suo, PRAC

Yeah.

1:8:9.310 --> 1:8:10.20

Steve Suo, PRAC

Emily, do you know?

1:8:15.680 --> 1:8:16.460

Steve Suo, PRAC

Emily got her.

1:8:19.430 --> 1:8:19.860

Mark Landauer

No.

1:8:22.720 --> 1:8:23.940

Steve Suo, PRAC

Oh, oh, gotcha.

1:8:20.270 --> 1:8:25.420

Mark Landauer

And it Emily Harris is the is the vice chair.

1:8:25.430 --> 1:8:26.520

Mark Landauer

Sorry, I'm.

1:8:26.610 --> 1:8:27.510

Mark Landauer

I apologize.

1:8:27.520 --> 1:8:33.970

Mark Landauer

Emily Gotthard, well, I I don't have any strong feelings at this point one way or the other.

1:8:34.640 --> 1:8:40.920

Mark Landauer

We do need to select our next two year term for leadership of the Council.

1:8:44.80 --> 1:8:56.70

Mark Landauer

I don't have any strong feelings one way or the other, so we'll obviously have a discussion that our November whenever our next meeting takes place that.

1:8:58.140 --> 1:8:58.380

Mark Landauer

Uh.

1:8:58.760 --> 1:9:16.660

Mark Landauer

Our our leadership for the next two years, so, OK, so those of you who may be interested in serving as either the chair, the Vice Chair or Secretary on, I don't think you need to necessarily share that now, but we will be having a discussion about that.

1:9:16.670 --> 1:9:27.490

Mark Landauer

And if you are interested in serving it in one of those roles, uh bear in mind that our next meeting will be discussing those options.

1:9:27.500 --> 1:9:28.310

Mark Landauer

Andrea, please.

1:9:30.400 --> 1:9:39.330

CHIAPELLA Andrea * DAS

This is not a raised hand for volunteering, but I'm curious if vice chair bumps up to chair and Secretary bumps up to Vice Chair.

1:9:39.340 --> 1:9:41.860

CHIAPELLA Andrea * DAS

Is this that type of leadership structure or no? OK.

1:9:41.600 --> 1:9:43.940

Mark Landauer

No, no, I don't think so.

1:9:44.0 --> 1:9:47.570

Mark Landauer

I got railroaded into this several years ago.

1:9:47.580 --> 1:9:57.310

Mark Landauer

If I recall correctly, so I I didn't protest too much, but I I don't think we have a formal process on this at all.

1:9:57.320 --> 1:10:3.730

Mark Landauer

Andrea, it was really who's willing to do it and and has the time and space to do it.

1:10:3.740 --> 1:10:7.950

Mark Landauer

So that's how that all happened, sort of.

1:10:7.260 --> 1:10:8.10

CHIAPELLA Andrea * DAS

It may.

1:10:8.60 --> 1:10:11.310

CHIAPELLA Andrea * DAS

I'm just a light suggestion, it may help.

1:10:11.320 --> 1:10:16.540

CHIAPELLA Andrea * DAS

Kind of funnel and not have as many decisions to make in the future.

1:10:16.550 --> 1:10:22.880

CHIAPELLA Andrea * DAS

If you know it's just one new person every year, but that also is a commitment for the person to volunteer as a secretary, for example.

1:10:24.280 --> 1:10:24.770

Mark Landauer

Indeed.

1:10:22.890 --> 1:10:25.410

CHIAPELLA Andrea * DAS

So just a thought.

1:10:26.560 --> 1:10:26.880

Mark Landauer

Top.

1:10:28.240 --> 1:10:37.510

ALBERT Todd * PRA

I was gonna say I've served on bar committees that had that structure that Andrews

mentioned, and it doesn't make life a lot easier, although there were still of, I think we still voted on the entire slate anyway.

1:10:37.520 --> 1:10:42.850

ALBERT Todd * PRA

For some reason, every couple years, but there was that notion of succession from one position to the next.

1:10:42.860 --> 1:10:43.820

ALBERT Todd * PRA

So it's worth considering.

1:10:45.810 --> 1:10:50.350

Mark Landauer

Well, if you have thoughts on that, folks, you can bring those to our next meeting.

1:10:50.680 --> 1:11:2.180

Mark Landauer

Maybe we can formalize something at that time, although I don't want to necessarily hand tie future councils with a system that that we came up with.

1:11:2.190 --> 1:11:7.420

Mark Landauer

I mean, I think that everybody should be able to set their leadership the, the way they want to.

1:11:8.190 --> 1:11:11.550

Mark Landauer

So there there's some advantages and disadvantages.

1:11:11.840 --> 1:11:13.810

Mark Landauer

All types of law models there.

1:11:13.820 --> 1:11:15.930

Mark Landauer

So thank you for that.

1:11:15.940 --> 1:11:37.110

Mark Landauer

It'll be an interesting discussion, I'm sure, but I again, I want to just remind everybody who serve on the Council that if you want to step into a leadership role, your net, that our next

meeting will be your opportunity to do just that, OK at are there any further comments or questions on that?

1:11:38.370 --> 1:11:41.170

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Yes, I wanted to clarification please.

1:11:38.910 --> 1:11:43.140

Mark Landauer

Our ohh this Mr Forester again.

1:11:44.470 --> 1:11:44.900

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Yes, Sir.

1:11:44.910 --> 1:11:46.900

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

I just wanted to make a clarification.

1:11:47.770 --> 1:11:48.620

Mark Landauer

Yes, go ahead.

1:11:49.560 --> 1:11:49.740

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Yeah.

1:11:49.970 --> 1:11:50.330

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

You.

1:11:50.420 --> 1:11:51.290

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

I appreciate it.

1:11:51.900 --> 1:12:11.110

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

So it's been updated the site so as the your volunteer layperson, I did notice that at the top of the web page which says the Oregon public records advocate at the the tab that says about there's a drop down and there are two choices.

1:12:11.120 --> 1:12:16.850

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

One says office of Public records advocate and the other is Public Records Advisory Council.

1:12:17.240 --> 1:12:31.360

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

So when I do the drop down and go over to the office of the Advocate, there was posted today's agenda, but the one that I had selected, which is the Council itself, was until just recently updated had the missing agenda.

1:12:31.370 --> 1:12:46.830

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

So maybe I don't know how the hierarchy is, but if the Council is separate, maybe there should be a separate page, or if there's a hierarchy, maybe some of the landing page should be the page of either the Council or the Advocate, but not both.

1:12:47.910 --> 1:12:48.330

bebdb0a0-16f8-4d4d-846c-6d10b63033f2

Thank you.

1:12:50.870 --> 1:12:53.90

ALBERT Todd * PRA

Mark, if it's helpful if it provides some information.

1:12:55.90 --> 1:12:56.170

Mark Landauer

Please go ahead, talk.

1:12:56.930 --> 1:13:0.400

ALBERT Todd * PRA

Well, actually I'm a II welcome, Mr Forest forester.

1:13:0.410 --> 1:13:12.520

ALBERT Todd * PRA

Interact with me after this meeting at some point in the near future, because I wonder if he's having technical difficulties on his end because the public records advocates page is information about my office and not the Council.

1:13:12.530 --> 1:13:21.980

ALBERT Todd * PRA

And wouldn't have council meeting information, but the practice tab, the Public Records Advisory Council tab, is a tab that had today's meeting information, including the agenda.

1:13:22.150 --> 1:13:24.660

ALBERT Todd * PRA

So not sure why it's reversed on his computer.

1:13:24.670 --> 1:13:27.80

ALBERT Todd * PRA

Maybe it's an issue on his end or something else.

1:13:27.250 --> 1:13:31.310

ALBERT Todd * PRA

I'm happy to talk to him about and see if I can be helpful in that regard at some point soon.

1:13:33.160 --> 1:13:33.860

Mark Landauer

Thank you, Todd.

1:13:34.620 --> 1:13:35.70

Mark Landauer

Todd would.

1:13:35.80 --> 1:13:38.330

Mark Landauer

Let's go to item B under seven, please.

1:13:38.340 --> 1:13:40.760

Mark Landauer

Formation of a review committee.

1:13:42.220 --> 1:13:42.790

ALBERT Todd * PRA

Sure, mark.

1:13:42.800 --> 1:13:57.810

ALBERT Todd * PRA

And this is something I want to offer to the Council because, as per the letter, appointing me under the former process from the governor, I was appointed November 1st, 2020, even though I wasn't confirmed by the Senate until the following February.

1:13:57.920 --> 1:14:5.990

ALBERT Todd * PRA

And therefore, as per that appointment letter, under the old process, my term ends on Halloween, October 31st, 2024.

1:14:6.120 --> 1:14:12.620

ALBERT Todd * PRA

I am subject to successive 4 year term reappointments, but obviously that is now in the hands of the PRAC.

1:14:12.970 --> 1:14:16.320

ALBERT Todd * PRA

So we have a long time, relatively speaking, until that's happening.

1:14:16.810 --> 1:14:23.740

ALBERT Todd * PRA

The practice hasn't appointed the Advocate right as of yet because I was appointed on the old process.

1:14:23.750 --> 1:14:38.440

ALBERT Todd * PRA

This would be the first time for the Council and it doesn't make sense, I don't think for me to participate, and so I'm handing it off all to all of you to figure out what kind of process, if any, you want for either reappointed me or selecting a new advocate.

1:14:38.590 --> 1:14:41.510

ALBERT Todd * PRA

And you have a little over a year to figure it out.

1:14:44.450 --> 1:15:13.930

Mark Landauer

So on this topic folks, it I have some thoughts that I'll share and welcome any further suggestions, but I do believe the statute is pretty clear that the Council is essentially the overseer of the public records advocate and makes a recommendation as to whether or not the advocate should serve an additional four years.

1:15:14.760 --> 1:15:22.190

Mark Landauer

Umm, this is a weighty topic, not the least of which that that I don't understand.

1:15:22.200 --> 1:15:34.760

Mark Landauer

And I think it's very important and would at least as the chair recommend, that we do form a subcommittee of members of the Council to review.

1:15:36.370 --> 1:15:41.740

Mark Landauer

The advocates work and provide a process.

1:15:42.410 --> 1:16:7.980

Mark Landauer

I think it's very important that we do that and so my my recommendation at least going forward probably at the November meeting would be to form a subcommittee to review and make a recommendation as to whether or not the the Advocate should continue in their position and make that recommendation to the do we do it to the governor's office?

1:16:8.30 --> 1:16:8.320

Mark Landauer

Office.

1:16:9.840 --> 1:16:11.500

Mark Landauer

I mean, I do we.

1:16:9.790 --> 1:16:11.950

ALBERT Todd * PRA

No, you are the sole hiring.

1:16:12.310 --> 1:16:13.140

ALBERT Todd * PRA

Sorry, Mark, go ahead.

1:16:13.550 --> 1:16:15.580

Mark Landauer

No, no, no, I that's right.

1:16:15.590 --> 1:16:23.450

Mark Landauer

There's no, there's no longer sort of a government, a governor's role in that is there, they've completely.

1:16:22.710 --> 1:16:24.20

ALBERT Todd * PRA

No, and I don't.

1:16:24.430 --> 1:16:27.480

ALBERT Todd * PRA

I don't know if Das is gonna be saying, hey, it's four years is up.

1:16:27.490 --> 1:16:29.140

ALBERT Todd * PRA

Do we fire him or reappoint him?

1:16:29.150 --> 1:16:35.720

ALBERT Todd * PRA

So you may have to interface with DAS when it comes to like merely the paperwork based on your decision, but otherwise, yeah, it's the practice decision now.

1:16:36.730 --> 1:16:44.710

Mark Landauer

Well, that, that that leads me to believe that that we need a little homework done right.

1:16:45.440 --> 1:16:50.360

Mark Landauer

Perhaps your office could reach out to Dez because this may be the only.

1:16:51.10 --> 1:16:58.850

Mark Landauer

I'm A Council that has this sort of unique system, right?

1:16:58.860 --> 1:17:8.890

Mark Landauer

And I think it would be wise for us to get some ideas, but I did see I I saw a couple hands up and and Tony, I wanna get to you.

1:17:8.900 --> 1:17:13.170

Mark Landauer

But but perhaps Andrea has some insight on this.

1:17:14.90 --> 1:17:16.850

Mark Landauer

Andrea, I saw your hand go up and then I saw it go down.

1:17:17.320 --> 1:17:17.740

CHIAPELLA Andrea * DAS

I don't.

1:17:16.860 --> 1:17:18.510

Mark Landauer

But I'm gonna still put you on the spot.

1:17:19.440 --> 1:17:31.590

CHIAPELLA Andrea * DAS

I don't have any magical insight, but I I was wondering if there were a similarly situated board, maybe within Oregon or outside of Oregon, that we can kind of look at their process and see.

1:17:32.820 --> 1:17:33.550

CHIAPELLA Andrea * DAS

But yeah, I don't.

1:17:33.560 --> 1:17:47.810

CHIAPELLA Andrea * DAS

I don't know of any off the top of my head and as far as I understand it, like essentially DAS kind of transferred the office to its own, its own entity, so I'm not sure we'd have to check.

1:17:50.520 --> 1:17:51.370

Mark Landauer

Yeah, it it.

1:17:51.380 --> 1:17:52.430

Mark Landauer

It may be one of those.

1:17:54.930 --> 1:17:57.960

Mark Landauer

Commissions that we look at is the ethics Commission.

1:17:58.50 --> 1:18:5.360

Mark Landauer

I I don't know how they do that with the with the ethics Commission, so we might wanna look into that.

1:18:5.370 --> 1:18:8.460

Mark Landauer

But but again, I do intend to form a subcommittee.

1:18:8.470 --> 1:18:9.160

Mark Landauer

Tony, please.

1:18:11.540 --> 1:18:37.510

Tony Hernandez

Yeah, I guess my, my, my mind is like where where does this fit in with our not having bylaws

and should we do bylaws first to guide this process or is this part of the process for bylaws or I mean so especially also with with our own term the the the issues that Mister Miles brought up earlier with terms for for for us and it seems like there's a lot of.

1:18:39.440 --> 1:18:42.530

Tony Hernandez

The but I don't know what the word is, but a lot of a lot of.

1:18:44.530 --> 1:18:47.480

Tony Hernandez

Meeting I need to put a lot of thought to paper in terms of what?

1:18:47.490 --> 1:18:49.170

Tony Hernandez

What we should be doing?

1:18:49.530 --> 1:18:49.880

Tony Hernandez

Umm.

1:18:50.550 --> 1:19:6.680

Tony Hernandez

And so I I I guess it's more of a comment than a question, but I I just I guess I do wonder if we're considering 1 Subcommittee for the appointment process, if if we should tie in all the other questions that we what were brought up with just our own terms.

1:19:7.310 --> 1:19:8.900

Tony Hernandez

So I'll just stop there.

1:19:8.930 --> 1:19:11.200

Mark Landauer

Tony, I think it, I I it's a great point.

1:19:11.210 --> 1:19:21.200

Mark Landauer

You know, I I recall that we had put together a bylaw subcommittee together several years ago, and that never actually materialized.

1:19:21.210 --> 1:19:25.410

Mark Landauer

So I I I think your point is is very valid umm.

1:19:25.730 --> 1:19:34.540

Mark Landauer

Whether or not we can put together a set of bylaws that would guide a subcommittee on this topic, I don't know.

1:19:34.550 --> 1:19:41.640

Mark Landauer

But it's certainly one that should be included in any bylaws that we do create.

1:19:43.780 --> 1:19:44.150

Mark Landauer

Steve.

1:19:46.80 --> 1:19:47.930

Steve Suo, PRAC

Yeah, I I very strongly agree with.

1:19:47.940 --> 1:19:55.400

Steve Suo, PRAC

But the point, Tony, who's raising it seems like if we can swing it, having an additional Subcommittee on Bylaws would make sense.

1:19:55.820 --> 1:20:5.170

Steve Suo, PRAC

I just had a small process suggestion is that for questions about, you know, would that the homework that you're talking about, Mark?

1:20:5.340 --> 1:20:11.180

Steve Suo, PRAC

No, it seems like that might be best for the subcommittee to do that work rather than putting it on.

1:20:11.190 --> 1:20:15.960

Steve Suo, PRAC

Todd seems like maybe a little bit too much task. Uh.

1:20:12.390 --> 1:20:18.630

Mark Landauer

Yeah, I yeah, I, I I don't disagree with you, Steve.

1:20:20.90 --> 1:20:22.450

Mark Landauer

I realize we have some more time than.

1:20:24.40 --> 1:20:30.560

Mark Landauer

Perhaps I'm giving us credit for we have until November of next year.

1:20:30.570 --> 1:20:31.500

Mark Landauer

Is that correct, Todd?

1:20:33.260 --> 1:20:35.540

ALBERT Todd * PRA

Well, October 31st, but some more or less.

1:20:36.490 --> 1:20:37.220

Mark Landauer

Yeah.

1:20:37.350 --> 1:20:37.780

Mark Landauer

OK.

1:20:37.790 --> 1:20:53.120

Mark Landauer

Well, we I think we have some time there whether or not we can put together a whole set of bylaws in that time remains a question, but we might be able to do a subchapter on appointing the public records advocate and that and then take it from there.

1:20:53.210 --> 1:20:57.860

Mark Landauer

That actually might be a good first step for a bylaws committee.

1:20:57.870 --> 1:21:24.390

Mark Landauer

So Todd, for our next but a November meeting, I would like to see if we can put on the agenda the formation of a bylaw subcommittee with the first, with the first, A A cut on how to appoint or reappoint the records advocate I think might be a good first step.

1:21:26.680 --> 1:21:27.970

ALBERT Todd * PRA

Thanks, Marcus noted.

1:21:26.580 --> 1:21:30.780

Mark Landauer

It's, it's that me to it if that meets with everybody's approval.

1:21:30.790 --> 1:21:33.40

Mark Landauer

I'm just sort of thinking out loud here.

1:21:33.90 --> 1:21:36.530

Mark Landauer

I don't know if it's that's the logical way to do this.

1:21:36.540 --> 1:21:43.200

Mark Landauer

If there's a better way to do this, I'm I'm all ears, but I would certainly welcome the members feedback on that.

1:21:47.470 --> 1:21:48.880

Mark Landauer

Silence is affirmation.

1:21:53.280 --> 1:22:0.230

Mark Landauer

So I'm getting a lot of silence, so I think that that's at least until our November meeting.

1:22:0.240 --> 1:22:1.710

Mark Landauer

That's the way we'll go forward.

1:22:1.720 --> 1:22:6.410

Mark Landauer

But if y'all come up with a better way to do it, I'm all ears.

1:22:6.780 --> 1:22:20.850

Mark Landauer

We are getting close to the end of our meeting, so let's see if we can't plow through see uh boy, he might have to be put off a little bit, but we'll.

1:22:20.860 --> 1:22:23.330

Mark Landauer

We'll see and go ahead.

1:22:23.340 --> 1:22:29.840

Mark Landauer

Todd, why don't you give us your report or is it you, Fang, who's gonna do this for your work?

1:22:30.780 --> 1:22:31.860

ALBERT Todd * PRA

I don't neither mark.

1:22:31.870 --> 1:22:36.230

ALBERT Todd * PRA

This is the look forward for the November meeting when I'll give the report today.

1:22:35.800 --> 1:22:36.470

Mark Landauer

Ohh OK.

1:22:36.270 --> 1:22:40.980

ALBERT Todd * PRA

Today was a quote unquote short check in meeting, so I'm saving the report for November.

1:22:42.360 --> 1:22:42.660

Mark Landauer

Perfect.

1:22:44.810 --> 1:22:45.90

Mark Landauer

And then.

1:22:47.100 --> 1:22:49.440

Mark Landauer

Where are we in the agenda?

1:22:49.450 --> 1:22:52.240

Mark Landauer

Are we just simply selecting our next meeting date?

1:22:53.760 --> 1:22:54.330

ALBERT Todd * PRA

Yes, you.

1:22:54.340 --> 1:23:6.210

ALBERT Todd * PRA

You kind of just mentioned one of the agenda items without really going into it, but the annual meeting was meant primarily for both looking back over the last year and goal setting for the next year, some of which we've discussed.

1:23:6.220 --> 1:23:11.40

ALBERT Todd * PRA

But then as a specific item on its own, uh, it's still there in the agenda for next time.

1:23:11.50 --> 1:23:11.830

ALBERT Todd * PRA

If we could get to it.

1:23:13.930 --> 1:23:14.230

Mark Landauer

OK.

1:23:14.140 --> 1:23:17.530

ALBERT Todd * PRA

And of course I will also be cut presenting.

1:23:17.540 --> 1:23:18.90

ALBERT Todd * PRA

Any ideas?

1:23:18.100 --> 1:23:20.140

ALBERT Todd * PRA

I've come up with about everyone's terms too.

1:23:22.690 --> 1:23:22.990

Mark Landauer

Great.

1:23:24.100 --> 1:23:30.920

Mark Landauer

Alright, so I think we're now at the point of selecting a date for our next meeting.

1:23:30.930 --> 1:23:33.860

Mark Landauer

If I'm not incorrect, Todd, do you have any recommendations?

1:23:37.350 --> 1:23:39.340

ALBERT Todd * PRA

I could send out a doodle poll again.

1:23:39.350 --> 1:23:41.580

ALBERT Todd * PRA

I know we all have very varying schedules.

1:23:41.590 --> 1:23:42.810

ALBERT Todd * PRA

November will be no different.

1:23:42.820 --> 1:23:44.560

ALBERT Todd * PRA

It might be hard to come up with something now.

1:23:44.570 --> 1:23:48.370

ALBERT Todd * PRA

We could try if you'd like, but otherwise I'll just get a doodle pull out in the next week or two.

1:23:49.940 --> 1:23:50.990

Mark Landauer

That'll be great.

1:23:51.0 --> 1:24:4.480

Mark Landauer

I will note Todd and you don't y'all don't need me necessarily, but I will be out of the country November 10th through I think the 24th just as a note.

1:24:8.230 --> 1:24:9.160

Mark Landauer

OK.

1:24:9.550 --> 1:24:12.550

Mark Landauer

Any other items for the good of the order folks?

1:24:13.560 --> 1:24:14.840

Steve Suo, PRAC

Uh, quick question.

1:24:14.470 --> 1:24:15.120

Mark Landauer

Steve.

1:24:15.130 --> 1:24:15.710

Mark Landauer

Yeah, yeah.

1:24:15.910 --> 1:24:16.340

Steve Suo, PRAC

Yeah.

1:24:16.390 --> 1:24:23.910

Steve Suo, PRAC

For the November meeting, if we have I agenda items, we'd like to request, should we just send them to Todd or do we wanna, OK.

1:24:24.640 --> 1:24:25.810

Mark Landauer

Please send them to Todd.

1:24:25.900 --> 1:24:27.120

Mark Landauer

Yeah, I I don't.

1:24:27.180 --> 1:24:29.340

Mark Landauer

I don't need to necessarily see him.

1:24:29.860 --> 1:24:36.280

Mark Landauer

Please, if you have a agenda items that you would like the Council to address, just let Todd know.

1:24:41.740 --> 1:24:42.870

Steve Suo, PRAC

I I will.

1:24:37.380 --> 1:24:42.890

Mark Landauer

I don't have to check in with me, although it would be great I think.

1:24:42.920 --> 1:24:43.610

Steve Suo, PRAC

I will see.

1:24:43.660 --> 1:24:44.510

Steve Suo, PRAC

Actually, I will.

1:24:47.350 --> 1:24:47.900

Mark Landauer

Great.

1:24:44.520 --> 1:24:49.170

Steve Suo, PRAC

I will send it to both of you equally, because yes, you, you are the Council chair.

1:24:48.490 --> 1:24:56.880

Mark Landauer

And and don't forget, don't forget Emily and Tony as officers of the Council as well, although I don't wanna get to a quorum.

1:24:56.890 --> 1:24:57.260

Mark Landauer

Right.

1:24:57.270 --> 1:24:59.230

Mark Landauer

We wanna avoid those kind of things.

1:25:0.300 --> 1:25:2.550

Mark Landauer

So thank you. Great.

1:25:3.60 --> 1:25:3.550

Mark Landauer

Alright.

1:25:3.560 --> 1:25:4.310

Mark Landauer

Anything else?

1:25:4.320 --> 1:25:8.0

Mark Landauer

Any wise words for us before we conclude today?

1:25:10.180 --> 1:25:11.550

Mark Landauer

It's great seeing you all.

1:25:11.560 --> 1:25:23.670

Mark Landauer

It's been some time I really appreciate your willingness to serve on this, this committee, and I also want to go back to one of our first agenda items.

1:25:24.80 --> 1:25:37.990

Mark Landauer

I really do think that we're making some real progress on a public records costs and I also realized that some of you grow a little bit impatient about some of this stuff happening for good reason.

1:25:39.0 --> 1:25:41.850

Mark Landauer

But politics and policy, these are common.

1:25:41.900 --> 1:25:45.480

Mark Landauer

As we all know, these are complex and difficult issues.

1:25:46.470 --> 1:25:59.220

Mark Landauer

I think that the work that we did during the session really has sharpened the pencil, so to speak, and we have a pretty darn good product.

1:25:59.330 --> 1:26:9.940

Mark Landauer

So far I still think we have a few speed bumps that we need to grind down, so to speak, and that's just gonna take some additional discussion.

1:26:10.310 --> 1:26:27.320

Mark Landauer

But I I I will tell you that this has been an issue that has been going on for years and years and I really do think that we're close to finding a solution that I think is for the most part fair and equitable to all the parties.

1:26:27.330 --> 1:26:33.80

Mark Landauer

And so I really wanna thank all of you who have participated in those discussions.

1:26:33.90 --> 1:26:34.500

Mark Landauer

It was not easy.

1:26:34.790 --> 1:26:46.730

Mark Landauer

It was actually quite frustrating at times, but everybody stuck to it and I think that as a result, we've got a better product at the end of the day.

1:26:46.740 --> 1:26:49.700

Mark Landauer

And so to all of you who participated in that.

1:26:49.920 --> 1:26:52.10

Mark Landauer

I really sincerely wanna thank you.

1:26:52.20 --> 1:26:57.10

Mark Landauer

So anything else, I hope each of you have a wonderful day.

1:26:57.20 --> 1:26:59.890

Mark Landauer

We'll look forward to seeing Todd's Doodle poll.

1:27:0.340 --> 1:27:2.50

Mark Landauer

It is now 1229.

1:27:2.60 --> 1:27:4.60

Mark Landauer

I love ending meetings early. So.

1:27:5.360 --> 1:27:7.780

Mark Landauer

With your approval, I'd like to.

1:27:10.370 --> 1:27:12.920

Mark Landauer

What do we what do we do in today's meeting?

1:27:12.970 --> 1:27:14.840

Mark Landauer

So any objection?

1:27:15.10 --> 1:27:16.300

Mark Landauer

I'm saying none.

1:27:16.530 --> 1:27:18.40

Mark Landauer

Alright, everybody have a great day.

1:27:18.50 --> 1:27:18.470

Mark Landauer

Thank you.

1:27:19.140 --> 1:27:19.410

Tony Hernandez

Goodbye.

1:27:19.100 --> 1:27:19.440

ALBERT Todd * PRA

Thank you.

1:27:19.270 --> 1:27:19.530

Steve Suo, PRAC

Bye bye.
