### NEED FOR THE RULE(S)

The Board must implement the Servicemembers Civil Relief Act (SCRA) as amended- federal law that allows servicemembers and their spouses to continue practicing their professions in new jurisdictions without completing the typical licensing requirements when they relocate due to military order and provided they meet specified criteria.

### DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE

OAR Chapter 858 and ORS Chapter 675 are available on the OBOP website at <https://www.oregon.gov/Psychology/Pages/LawsRules.aspx>. The Servicemembers Civil Relief Act (50 USC § 4025a) can be found on the U.S. Office of the Law Revision Counsel website at <https://uscode.house.gov/view.xhtml?req=granuleid:USC-prelim-title50-section4025a&num=0&edition=prelim>.

### STATEMENT IDENTIFYING HOW ADOPTION OF RULE(S) WILL AFFECT RACIAL EQUITY IN THIS STATE

This rule may have a positive effect on racial equity in the state because it simplifies practice portability for servicemembers and their spouses/domestic partners, improving access to professional opportunities for military families which tend to be racially diverse.

### FISCAL AND ECONOMIC IMPACT:

Servicemembers and their spouses/domestic partners will avoid paying licensure application and renewal fees to the Board.

### COST OF COMPLIANCE:

(1) Identify any state agencies, units of local government, and members of the public likely to be economically affected by the

rule(s). (2) *Effect on Small Businesses:* (a) *Estimate the number and type of small businesses subject to the rule(s);* (b) *Describe the expected reporting, recordkeeping and administrative activities and cost required to comply with the rule(s);* (c) *Estimate the cost of professional services, equipment supplies, labor and increased administration required to comply with the rule(s).*

None. Businesses are not subject to this rule. The Board will absorb costs required to implement these changes and review, issue, and maintain licenses to qualifying applicants within its current staffing levels and budgeted resources.

---

DESCRIBE HOW SMALL BUSINESSES WERE INVOLVED IN THE DEVELOPMENT OF THESE RULE(S):

Small businesses were not explicitly involved.

---

WAS AN ADMINISTRATIVE RULE ADVISORY COMMITTEE CONSULTED? NO IF NOT, WHY NOT?

The proposed rule adoption was openly discussed during the July 11, 2025 public session board meeting where members of the public were invited to address the Board during a public forum. The rule language is uncomplicated and based on federal legislative directive. The Board did not determine that an additional committee beyond the nine-member Board and its staff was necessary to craft the rulemaking proposal.

ADOPT: 858-010-0057

RULE SUMMARY: Establishes new servicemember portability application process and requirements for licensure as a psychologist. Includes definitions, items required for application, criteria for initial and continued licensure, license duration, and scope.

CHANGES TO RULE:

#### 858-010-0057

##### Servicemember Portability Licensure

(1) The servicemember portability licensure method is for United States servicemembers and spouses or domestic partners of servicemembers who relocate their residence to Oregon because of military orders for military service in Oregon.¶

(2) The following definitions apply to this rule:¶

(a) "Armed forces" means the United States Army, Navy, Air Force, Marine Corps, and Coast Guard.¶

(b) "Military orders" means a servicemember's official military orders (including orders for separation or retirement), or any notification, certification, or verification from the servicemember's commanding officer, with respect to the servicemember's current or future military duty status.¶

(c) "Scope of practice" means the defined parameters of various duties or services that may be provided by an individual under a license. A person licensed under this rule is subject to all laws and rules that apply to any other Oregon licensed psychologist.¶

(d) "Servicemember" means a member of the armed forces, the commissioned corps of the National Oceanic and Atmospheric Administration, or the commissioned corps of the Public Health Service.¶

(3) The Board may grant a psychologist license to applicants that possess a current psychologist license in good standing another state.¶

(4) To be considered in good standing, an applicant must not:¶

(a) Have been revoked or had discipline imposed by any state;¶

(b) Have any pending investigation related to unprofessional conduct in any state; and¶

(c) Have voluntarily surrendered a license while under investigation for unprofessional conduct in any state.¶

(5) Notwithstanding OAR 858-010-0020, applicants under the servicemember portability method must submit the following in a form and manner prescribed by the Board:¶

(a) A complete licensure application form;¶

(b) Payment to the Board of the actual costs charged by the Oregon State Police and Federal Bureau of Investigation to complete a criminal history check as required by OAR 858-010-0034(3)(d);¶

(c) Proof of military orders as described in Section (1);¶

(d) For spouses or domestic partners of servicemembers: a copy of the evidence of marriage or domestic partnership (such as marriage certificate or domestic partnership registration) showing the name of the applicant and the name of the servicemember; ¶

(e) An official verification of each healthcare professional license, registration, or certification held, current or

expired; and¶

(f) A notarized affidavit affirming, under the penalty of law, that:¶

(A) The applicant is the person described and identified in the application;¶

(B) The applicant will maintain their qualifying active license in the other state for the duration of the military orders, including renewal of that license, if applicable;¶

(C) All statements made in the application are true, correct, and complete;¶

(D) The applicant has read and understands the licensure requirements and the scope of practice of an Oregon licensed psychologist;¶

(E) The applicant meets and will comply with the requirements of Section (D), above; and¶

(F) The applicant is in good standing in all states in which the applicant holds or has held a license.¶

(6) A license issued under this rule is valid for the duration of the military orders and will expire based on the date the military order expires or is superseded as long as the qualifying license is maintained active and in good standing. A person licensed to practice under this rule is responsible for providing the Board with the military orders ending military service in Oregon or notifying the Board if any event occurs which disqualifies the person from eligibility, such as divorce from the servicemember or the servicemember's separation from military service.¶

(7) A person licensed to practice under this rule must disclose to the Board any subsequent disciplinary action or investigation opened against any professional license in any state where they hold an active license, or any subsequent voluntary surrender of active professional license.¶

(8) The Board may investigate and take disciplinary action as described in the Board's statutes or rules against a person authorized to practice under this rule for any reason that it may take disciplinary action against any other licensee.¶

(9) A person authorized to practice under this rule who wishes to continue practicing in Oregon beyond the duration of their military orders must submit a new licensure application under the appropriate method in OAR 858-010-0016 or OAR 858-010-0017, qualify under all current licensing requirements, and satisfactorily complete the application process.
