**Consent Agenda Items**

The following items were presented as a consent agenda. Board members reviewed the items prior to the meeting.

1. Board Meeting Minutes, Draft for July 28 and 29, 2022.
2. Ratification of PT/PTA Licenses & Temporary Permits issued July 20, 2022 – September 30, 2022.
3. Executive Director’s Report for October 2022.
4. 2023-2025 Draft Agency Affirmative Action Statement.
5. Presentation to House Interim Health Care Committee – 9/21/2022.

Director Sigmund-Gaines provided an overview of the items on the consent agenda. Chair Haworth commented on his experience co-presenting to the House Interim Health Care Committee and commended Director Sigmund-Gaines for an impactful presentation. Director Sigmund-Gaines answered a question regarding the Director’s Report. With no other questions or comments, Member Shanahan moved to

approve the consent agenda items as written. Member Okumura seconded the motion. Motion passed unanimously by a vote of 7-0.

### **Public Comments:**

None.

### **Board Member/Committee/Delegate Reports**

#### **PT Compact Commission Report and FSBPT Delegate Report:**

Director Sigmund-Gaines reported that both the PT Compact Commission and the FSBPT are holding their annual meetings this month. The Executive Director of the PT Compact Commission has stepped down and Jeff Rosa from the FSBPT is filling in as an interim. They have proposed some minor rule changes.

Wisconsin has joined the PT Compact and is now issuing compact privileges.

Director Sigmund-Gaines noted that Oregon has 4 individuals presenting at the FSBPT annual meeting. The Board will also be presented with our 2021 award. Sessions from the event will be available online for those unable to attend.

#### **Board Appointments; Recognition of Service**

Director Sigmund-Gaines shared that Michael Rennick, PT has been confirmed as the Board's newest member. His term will start on November 1, 2022.

Chair Haworth recognized Member Aubrey Benson, PT and awarded her with a certificate of appreciation for her 8 ½ years of service to the Board.

#### **Strategic Plan Progress Review**

Director Sigmund-Gaines presented a visual timeline of the Strategic Plan Progress and reviewed each category. Members agreed this was a helpful tool to track the topics, the progress made and the direction we are heading.

#### **Open Roundtable:**

Arrangements have been finalized with PBI and Board members and staff are now able to complete the two boundary courses as discussed in the previous meeting. Courses should be completed between now and prior to the December meeting. Details will be sent soon.

### **Board General Discussion and Action Items**

#### **Review and Discussion of 2022 Renewals**

Staff Sarah Casey presented a detailed overview of the 2022 renewals. This included the steps involved in processing a renewal application, the new requirement of uploading certificates of completion for continuing competency, background checks, and common issues that required staff outreach and delayed processing. She went on to discuss types of courses licensees are completing, and renewal history and trends. Also reviewed in detail was the data collected from the OHA workforce survey. This data will also be presented at the next Educational Pathway meeting.

#### **OAR Division 35 Rulemaking**

Director Sigmund-Gaines discussed the proposed amendments to OAR Division 35 and noted that there was no public comment or attendees at the scheduled public hearing. Following no questions for the Board Member Shanahan moved to adopt proposed amendments to OAR Division 35 as written. Member Okumura seconded the motion. Motion passed unanimously by a vote of 7-0.

### **Initiate Rulemaking relating to implementation of HB 2359 (2021)**

Director Sigmund-Gaines reviewed HB 2359 relating to the use of the OHA's healthcare interpreter list and modifications made as a result of concerns from those individuals who practice in the Educational System. Discussions between the Department of Education and the Oregon Health Authority determined that the way the bill was written resulted in unintended consequences. The statutory language in the bill did allow for us to set certain exemptions and establish clarity for practitioners. Council drafted the change to rule. With no questions from the Board, member Shanahan moved to adopt the proposed temporary rules to implement HR 2359(2021) in the appropriate section as written, effective immediately, and to initiate the permanent administrative rulemaking process using same proposed language as written. Member Okumura seconded the motion. Motion passed unanimously by a vote of 7-0.

### **2023 Board Meeting Calendar**

Director Sigmund-Gaines presented the proposed calendar for the 2023 Board Meetings. Staff proposed the following: Plan meetings for the 3<sup>rd</sup> week of every other month when possible, shifting the executive session to Wednesdays with a starting time of 2:00pm and keep virtual format for majority of the meetings to allow for better public access. Due to the FSBPT LIF meeting schedule, the July meeting will need to be on a Wednesday and Thursday. After discussion, the Board preferred to continue with a 4:00 pm start time for executive sessions and would like to try Wednesdays with the option to change to Thursday if needed. It was also decided to move the start time of the Dec 8, 2022 meeting to 3:00pm.

Member Shanahan moved to adopt the proposed 2023 Board Meeting Calendar as amended and change the December 8<sup>th</sup> 2022 executive meeting to 3:00 pm. Member Okumura seconded the motion. Motion passed unanimously by a vote of 7-0.

### **Other Business**

None.

**Meeting Adjourned at 10:39 AM.**

## Focus on Prevention

## **E1 - Discussion of Rulemaking to Clarify Meaning of “90 days Prior to Graduation”**

Currently OAR 848-010-0015 (5) provides that “a physical therapist student or physical therapist assistant student may take the National Physical Therapy Examination (NPTE) up to 90 days prior to graduation from a CAPTE accredited program.”

The intention of the rule was to align with the NPTE itself---which is the source of the referenced 90-day window. Currently, the NPTE defines graduation (or the start the 90-day clock) from when the school can certify that the student has met all the requirements for graduation from the program, not the date of the formal conferral of the degree. The reason for this is that many educational institutions have moved to fixed graduation dates even when specific programs (in this case PT) may be scheduled to complete all requirements much earlier. This was exacerbated during the pandemic when clinical placements were deferred or delayed from the originally scheduled dates.

The Board may consider amending the language of the rule to clarify how it is currently being applied in some instances as follows:

OAR 848-010-0015 (5) A physical therapist student or physical therapist assistant student may take the National Physical Therapy Examination (NPTE) up to 90 days **prior to completion of the requirements** for graduation from a CAPTE accredited program.

## **OREGON BOARD OF PHYSICAL THERAPY DELEGATION OF AUTHORITY LETTER**

The following tasks and functions are delegated to the Executive Director and, under the Director's supervision, to the staff of the Oregon Physical Therapist Licensing Board:

1. To review, process and determine if applicants for a physical therapist license have submitted an application and all of the supporting documents for licensure to include the following:
  - To determine if application is complete per ORS 688.040;
  - To verify credentials per ORS 688.050(1);
  - To verify credentials for foreign educated applicants per ORS 688.050(2) & (3);
  - To verify credentials for a reciprocity applicant per ORS 688.080;
  - To administer and review background checks and jurisprudence exams; and
  - To issue a license to all physical therapist applicants who satisfy all the requirements.
  
2. To review, process and determine if applicants for a physical therapist assistant license have submitted an application and all of the supporting documents for licensure, to include the following:
  - To determine if application is complete per ORS 688.040;
  - To verify credentials per ORS 688.055;
  - To verify credentials for a reciprocity applicant per ORS 688.080;
  - To administer and review background checks and jurisprudence exams; and
  - To issue a license to all physical therapist assistant applicants who satisfy all the requirements.
  
- ~~3. To collect, review and approve requests for Special Accommodation to sit for the national examination per Board policy.~~
  
- 3.4.** To review, approve and issue temporary permits to physical therapists/physical therapist assistants who qualify per ORS 688.110.
  
- 4.** To review, approve and issue a renewal license for physical therapists and physical therapist assistants per ORS 688.100.
  
- 5.6.** To review and approve, per policy, any physical therapist/physical therapist assistant application for initial or renewal licensure where there are issues raised by the background check. Issues beyond the approved policy will be brought to the Board for consideration.
  
- 6. To review Oregon Compact Privilege purchases for compliance with jurisprudence and contact information provision requirements and issuing advisory letters or initiating investigations consistent with approved policy.**
  
7. To perform random continuing competency audits and **background verification** law enforcement data bank audits on a pre-determined percentage of license renewals.

**OREGON BOARD OF PHYSICAL THERAPY  
DELEGATION OF AUTHORITY LETTER**

8. To maintain a current list of all applicants, licensees and permittees pursuant to ORS 688.160(9)(a).
9. To publish at least annually final disciplinary actions taken against physical therapists and physical therapist assistants and other information including rules to guide them in the practice of physical therapy.
10. To provide information to the public regarding the procedure for filing a complaint.
11. To exercise managerial oversight over Board employees, accounting and payroll, with the exception of salary or merit increases which must be approved by the Board **Chair**.
12. The responsibility for all administrative matters relative to the operation of the Board office.
13. The responsibility for all financial matters relative to the operation of the Board office with the exception of approving the Boards biennial operating budget.
14. The spending authority for unbudgeted items up to \$500 without Board **Chair** approval.
15. Approve or deny continuing competency credits, courses and written special requests for courses or activities submitted to the Board, as well as coursework and programs required by the Board for remediation as part of a Board action.
16. To review initial complaints to determine whether the complaints fall under the Board's authority or whether the conduct would constitute a violation of a Board statute or administrative rule.
17. Upon a Licensee's successful completion of a board imposed probationary period Staff may issue a Notice of Satisfaction of Probation to Licensee and report the action to the National Data Bank.
18. To immediately issue Order of Suspension in cases where the Board receives a letter of suspension from the Department of Justice for delinquent child support payments per ORS 25.750. In addition, to issue an Order of Release from Suspension when a subsequent Letter of Release is received from the Department of Justice. In either case, subsequent to the issuance of the Order to Suspend or the issuance of the Order to Release from Suspension the Order will be brought to the Board at its next regularly scheduled meeting for ratification.
19. Subsequent to a Board vote in public session, to draft, issue and execute a Stipulated Agreement assessing a civil penalty pursuant to the matrix in cases where physical therapists/physical therapist assistants have practiced physical therapy when the licensee's

license was lapsed, was expired, or the licensee has failed to meet the continuing competency requirements. To draft, issue and execute a Notice of Proposed Disciplinary Action if the licensee fails to sign the Stipulated Agreement.

20. Subsequent to a Board vote in public session to draft, issue and execute Notices of Proposed Disciplinary Action, Interim Stipulated Order, Stipulated Agreements, Emergency Suspension Orders, Orders for Evaluation and Final Orders based on the Board's determined action.
21. Upon determination of sufficient evidence of a violation, the Executive Director will determine the level of discipline and negotiate the terms of the Stipulated Agreement or Order. The Settlement and Final Order will be approved by a member of the Board prior to execution.
22. Subsequent to a Board vote in public session execute the permanent or temporary rule making process.
  - a. The above notwithstanding, to execute the rulemaking process to make corrections in number or reference and relating to the adoption of the most recent version of the PT Compact Commission Rules unless the Commission makes substantive changes to the Rules, which must then be brought to the Board.
  - b. The above notwithstanding, to initiate the rulemaking process to align Board rules with statutory changes, final adoption to be approved by Board vote in public session.**
  - c. The above notwithstanding, to initiate temporary rulemaking specifically related to addressing impacts of a public health emergency, or to comply with any Emergency Order or Declaration of Emergency issued by the Governor, or other Government entity.**
23. Where appropriate or mandated by **law** statute, refer or disclose criminal or administrative violations to appropriate agency or law enforcement.
24. To initiate Administrative Hearing process upon receipt of request for hearing.
- ~~25. Notwithstanding 22, the Board delegates the authority to initiate temporary rulemaking specifically related to addressing impacts of the COVID-19 outbreak, or to comply with any Emergency Order or Declaration of Emergency issued by the Governor, or other Government entity.~~

**Oregon Board of Physical Therapy**  
**Compact Privilege Purchase Requirements Review Policy**

When the Board receives notice of the purchase of an Oregon Compact Privilege, Board staff will verify completion of purchase requirements:

- if the individual completes the OR-JAM requirement within 48 hours of being notified of the failure to do so, and prior to practicing in Oregon, and provides required contact information within same timeframe, Board staff may issue a confidential advisory letter to the CP Holder. Any such issued letters will be reported to the Board in executive session.
  
- If the individual does not respond, does not complete the requirements, has already practiced in Oregon prior to completion of the OR-JAM for initial purchase, or has previously received a confidential advisory letter pertaining to a prior CP purchase, Board staff will initiate an investigation to bring to the Board.

**Oregon ~~Board of Physical Therapy~~ ~~Physical Therapist Licensing Board~~  
Policy on Application Review/Approval  
Applicants with Criminal History**

**Intent:** This policy is intended to be administered in the review and processing of initial and renewal applications for licensure.

**Purpose:** The purpose of the policy is to set benchmarks, relative to an applicant's criminal background history. The benchmarks will be a guide to Board staff, identifying the appropriate level of approval authority necessary to proceed with an application for licensure.

**Failure to Disclose Criminal Background History**

If an Applicant fails to disclose prior criminal citation, **arrest , charge or conviction** or prior licensure action taken in another jurisdiction on the application, and lack of disclosure is discovered during the licensure process or later during a random audit:

- Follow standard procedures, ask applicant for: a written explanation for failure to disclose; a written statement of the events and circumstances surrounding the offense; and copies of all legal documents, court orders, police records, board documents etc.
- Note: In some circumstances, court documents, police records or board documents may no longer be available. If so, the applicant must provide written documentation of their efforts to obtain the documents and the reason why they are no longer available.
- ~~Depending on~~ **If** the applicant **provides a complete** written explanation **and sufficiently provides the requested information in a timely manner and it is determined that the offense:**
  - is a one-time offense;
  - is a misdemeanor or citation, **or felony arrest that is closed and did not lead to conviction;**
  - the offense is older than three years,  
**or**
  - the **is an** action taken in another jurisdiction **that** would not be considered a violation of Oregon statute or rule, or,
  - **is a one-time offence that occurred as a minor, and is older than three years**

**then** the Board Chair or Board Vice Chair may make the sole decision to proceed with licensure, ~~via a telephone contact and review~~, or, depending on the circumstances of the incident they may choose to have the entire Board review the application.

- All other applications with non-disclosure, along with an investigative report and documentation, will be brought before the Board for their review, at their next scheduled meeting.

### **Applicant Discloses Criminal Background History**

If an Applicant does disclose prior criminal citation, arrest, charge or conviction, or prior licensure action taken in another jurisdiction on the application:

- Follow standard procedures, ask applicant for: a written statement of the events and circumstances surrounding the offense and copies of all legal documents, court orders, and police records, board documents etc.
- Note: In some circumstances court documents, police records or board documents may no longer be available. If so, the applicant must provide written documentation of their efforts to obtain the documents and the reason why they are no longer available.
- ~~Depending on~~ **If** the applicant **provides a complete** written explanation **and sufficiently provides any additional requested information in a timely manner, and the offense:**
  - is a one-time offense;
  - is a misdemeanor or citation, **or felony arrest that is closed and did not lead to conviction;**
  - ~~the offense~~ is older than three years,  
**or**
  - ~~the~~ **is an** action taken in another jurisdiction **that** would not be considered a violation of Oregon statute or rule, or,
  - **is a one-time offence that occurred as a minor, and is older than three years**
- If the results of a background verification are consistent with the disclosures and there are no additional offenses found, the Executive Director or Clinical Advisor/Investigator may make the decision to proceed with licensure.

- Depending on the applicant's written explanation and whether or not the offense indicates: is a one time offense; is a misdemeanor or citation; or the action taken in another jurisdiction would not be considered a violation of Oregon statute or rule, or, the offense is older than three years, and the National criminal background check and Oregon LEDS check come back clear, the Executive Director or Clinical Advisor/Investigator may make the decision to proceed with licensure.
- All other applications disclosing prior arrests and citations, along with an investigative report and documentation, will be brought before the Board for their review, at their next scheduled meeting.

## LEDS Report Handling Policies and Procedures

### **Access to LEDS Terminal:**

The Oregon ~~Physical Therapist Licensing Board~~ Board of Physical Therapy (Board) currently hosts two LEDS terminals. The terminals are ~~in the office of the Executive Director and at the Licensing workstation~~ both located in the Board's offices in Suite 407 of the Portland State Office Building, which is a secured access area that the public may not enter without an escort. ~~— All employees of the Board and other co-located state agencies in Suite 407 are fingerprinted and have appropriate CJIS clearance. Further, within Suite 407 the Board's offices are behind a door that is kept locked at all times when a Board staff member is not present. Both terminals are within an office suite that locks (PT Suite) and this door is kept locked during non working hours, or any time no PT staff are present. The PT Suite itself is within a secured access area known as suite 407 in the Portland State Office Building. The public cannot enter the suite which houses the Board without an escort. All employees housed within the physical therapist licensing board's separate office in suite 407 are fingerprinted.~~

Only ~~the Director and Licensing Coordinator~~ staff members designated by the Director have access to their terminals by unique user ID identifier. No reports or screenshots are created or stored electronically. No other individuals are authorized to view or observe content on LEDS terminals. LEDS terminals are not used if unescorted, un-cleared individuals are present. If individuals are present in the ~~larger shared spaces of Suite 407, the PT Suite~~ Board's office door or at a minimum, inner office door, is closed before accessing LEDS on a terminal.

### **Handling of LEDS Reports (Printouts):**

~~There are only three individuals who~~ Only Board Staff with appropriate and current CJIS clearance are authorized to view the Board LEDS reports. ~~The LEDS Representative (Director), the Licensing Coordinator and the Board Clinical Advisor/Investigator.~~ The printed LEDS reports never leave the Board office. They are used only to confirm an attestation of arrest or conviction on an application or renewal application or, in the case of no attestation, they are used as information when contacting the applicant or licensee and 1) asking for a detailed explanation of the existence of a report and 2) asking for detailed information with regards to the report i.e. police reports, arrest records, court documents and findings etc.

Printed LEDS reports, when not in active use, are stored in locked file cabinets in the ~~PT Suite~~ Board's offices and never left in the open.

### **Disposition of LEDS Reports:**

If a case file is opened, the LEDs reports will be part of the confidential case file for the least amount of time as practical, but no longer than until such time that the case is closed. The confidentiality of an investigative case file is protected under State statute ORS 676.175 (1). Upon

closure of the case the LEDS reports are destroyed by being personally cross-shredded by ~~the LEDS Representative or the Clinical Advisor/Investigator~~, a staff member authorized to view LEDS reports or disposed via the secure bin and observed destruction process.

Adopted by the Board at its January 9, 2015 meeting.

# 2024 Renewals

Changes or Additions to Practice Setting options?

Changes or Additions to Practice Specialty Options?

Other changes to the survey?

# Compact Privilege Trends

Consideration of the OR Jurisprudence (OR-  
JAM) Requirements for CP Purchase

794 = Total Compact Privileges Purchased (to date)

639 = Total Number of CP Holders

155 = Total number of Renewals

24 = Have renewed their CP more than once

## **OR-JAM Requirement**

July 2018 – June 2022 = At initial purchase

July 2022 – Present = At Initial and renewal

*-Unless date of prior completion is within 6 months*

44 = Renewals after June 2022 (nearly 50% from WA)

30 = Renewals over 1 year (Some may be 2<sup>nd</sup> renewal)

## Things To Consider:

- Many home states have 1- year renewal cycle (e.g. WA)
- In some cases the CP holder could be taking the OR-JAM 3 times within a 2-year period.
- Other states' requirements vary.
  
- The OR-JAM doesn't change that often.
- Oregon licensees required at initial license only.

## Evaluation:

Is the current requirement for OR-JAM at time of renewal (within 6 months of prior completion) achieving public protection or creating unnecessary barrier to practice?

- Keep As-Is?
- Extend prior completion timeframe?
- Discontinue for CP Renewal?
