

## **UScellular Lifeline Customers**

First, please find your residential zip code to identify the service provider(s) that participates in the Oregon Lifeline program.

- Access Wireless offers free Lifeline-supported service, i.e., 1,000 voice minutes, unlimited text and 4.5 GB of data, where coverage is available.
- All other service providers offer a Lifeline discount of up to \$19.25 per month.

Second, please click on the service provider of your choice to apply online. The Oregon Lifeline benefit is limited to one per household for phone or high-speed internet service.
