Program Launch	September 30, 2019	PA launches program website and Project Manager registration opens. The website may have limited functionality beyond Project Manager registration, and the PA will continue to add consumer and Project Manager resources prior to pre-certification launch.	✔
	December 4 – December 16, 2019	PA opens pre-certification application website so that Project Managers can begin assembling pre-certification applications. This is a tentative date and may change based on Commission adoption of the PIM and any other required decisions.	✔
	December 16, 2019	PA opens pre-certification. Project Managers can officially submit pre-certification applications for Commission approval at 12 AM PST. If demand exceeds available capacity in the first 24 hours following the launch of the Program, a lottery may be used to determine the order in which projects are received and reviewed. The use and format of the lottery is dependent upon Commission adoption of a PIM. Participants will be able to sign up for an interest list, but project managers cannot sign contracts with participants until their project is pre-certified.	✔
