

## PUC Dockets with EO 20-04 Considerations

Below is a list of Oregon Public Utility Commission (PUC) dockets that have or will include Executive Order (EO) 20-04 considerations. This is not an exhaustive list, as the list will continue to evolve.

The PUC will work to provide periodic updates to this list as a resource.

Links to the dockets are often provided, but if not, search in [eDockets](#) online.

### Utility Planning

<b>Docket No.</b>	<b>Description</b>
<a href="#">ADV 1215</a>	<i>NW Natural Renewable Natural Gas Recovery Mechanism</i>
