

Public comments received regarding rule change on OAR 462-120-0010 (Reciprocity and PII).

- 1) This is all seems to make sense. However, due to the fact our Cs team is based in <foreign country redacted>, a lot of this would not apply for us, and our employees based there need to be licensed with ORC, which we have gone through.
- 2) ... would be beneficial to add home Address somewhere as well?
- 3) ... would a definition of consumer be helpful? (unless this may be captured elsewhere?)
