NATIONAL INCIDENT MANAGEMENT SYSTEM POSITION TASK BOOK

Position Task Books (PTB) are developed for designated Incident Command System (ICS) positions¹ as described under the National Integration Center (NIC) and have been incorporated into the National Incident Management System (NIMS). The PTB is used by the authority having jurisdiction, to certify that the person to whom the task book belongs meets the standards recommended by the NIC.

Each PTB lists the performance requirements (tasks) for the specific position in a format that allows a trainee to be evaluated against written guidelines. Successful performance of all tasks, as observed and recorded by an evaluator, will result in a recommendation that the trainee be recognized in that position.

Evaluation and confirmation of the individual's performance of all the tasks may involve more than one evaluator and varied activities such as Incidents, Planned Events, Functional Exercises (FE), Full Scale Exercises (FSE), Drills, Simulation, Classroom, or Daily Job functions (as specified in the task tables). It is important that performance be critically evaluated and accurately recorded by each evaluator. All tasks must be evaluated, and bullet statements within a task that require an action must be demonstrated before that task can be signed off.

A brief list of responsibilities also appears below.

RESPONSIBILITIES:

1. The **Trainee** is responsible for:

- Fulfilling the pre-requisite requirements:²
 - Public safety background with three years of experience in dispatch
 - Awareness of fundamental public safety communications technology
 - Awareness of the ICS Communications Unit function
 - Completion of IS-100.b, IS-144, IS-200.b, IS-700.a, and IS-800.b
- Reviewing and understanding instructions in the PTB.
- Identifying desired objectives/goals.
- Providing background information to an evaluator.
- Requesting Agency Head to initiate the PTB; putting name on cover and second page, initials on subsequent pages.
- Satisfactorily demonstrating completion of all tasks for an assigned position within three years of the Date Initiated.
- Assuring the evaluation record is complete.
- Notifying their agency head when the PTB is completed, and obtaining their signature recommending certification.
- Keeping the original PTB in personal records.
- Providing copies of their completed PTB to the designated authorities within their

¹ The Incident Tactical Dispatch (INTD) position is not currently a NIMS-approved Incident Command System (ICS) title.

² ICS-300, Intermediate ICS for Expanding Incidents, is also recommended.

home agency, jurisdiction, region, or state in accordance with applicable SOPs for recognition of Communications Unit (COMU) positions.

2. The **Evaluator** is responsible for:

- Being qualified and proficient in the position being evaluated, or higher ICS position (e.g. IC, COML, INTD, etc.).
- Meeting with the trainee and determining past experience, current qualifications, and desired objectives/goals.
- Reviewing tasks with the trainee.
- Explaining to the trainee the evaluation procedures that will be utilized and which objectives may be attained.
- Identifying tasks to be performed during the evaluation period.
- Accurately evaluating and recording demonstrated performance of tasks. Dating and initialing completion of the task shall document satisfactory performance. Unsatisfactory performance shall be documented in the Evaluation Record.
- Completing an Evaluation Record found at the end of each PTB.

3. The **Final Evaluator** is responsible for signing the verification statement inside the front cover of the PTB when all tasks have been initialed.

4. The **Agency Head** or designee is responsible for:

- Selecting trainees based on the needs of their organization or area Incident Management Teams.
- Providing opportunities for evaluation and/or making the trainee available for evaluation.
- Initiating the PTB to document task performance.
- Explaining to the trainee the purpose and processes of the PTB, as well as the trainee's responsibilities.
- Tracking progress of the trainee.
- Identifying incident evaluation opportunities.
- Identifying and assigning an evaluator that can provide a positive experience for the trainee, and make an accurate and honest appraisal of the trainee's performance.
- Documenting the assignment.
- Conducting progress reviews.
- Conducting a closeout interview with the trainee and evaluator and assuring that documentation is proper and complete.
- Providing trainees the opportunity to attend the applicable training course(s).

INSTRUCTIONS FOR COMPLETING THE EVALUATION RECORD

There are four separate pages provided to allow evaluations to be made during four separate occasions. These evaluations may be made on Incidents, Planned Events, Functional Exercises, Full Scale Exercises, Simulations, Drills, Classroom, or Daily Job functions (as specified in the Task tables). This should be sufficient for qualification in the position if the individual is adequately prepared. If additional evaluation pages are needed, they can be copied from a blank task book and attached. (Remember to change the Evaluation Record # to the next sequential number.)

COMPLETE THESE ITEMS AT THE END OF THE EVALUATION PERIOD:

Trainee's name and Trainee's position: Self Explanatory

Evaluator's name, title and agency: List the name of the evaluator, and his/her incident position (on incidents) or office title, and agency.

Evaluator's agency address, e-mail address and phone: Self explanatory

Evaluation Record #: The number prepopulated in the upper left corner of the evaluation page identifies a particular experience or group of experiences. This number should be placed in the column labeled "Evaluation Record #" on the Qualification Record for each task performed satisfactorily during the evaluation opportunity.

Name and Location of Incident or Situation: Identify the name of the incident (if there is one) and the location where the tasks were performed. If evaluation occurs during a short term situation rather than a named incident, list the responding agency and area.

Incident Kind: Enter kind of incident, e.g., hurricane, wild land fire, search and rescue, flood, preplanned event, full scale exercise, etc.

COMPLETE THESE ITEMS AT THE END OF THE EVALUATION PERIOD:

Number and Kind of Resources: Enter how many resources of each kind assigned to the incident pertinent to the trainee's task book position. (e.g. 2 mobile communications vehicles)

Duration: Enter inclusive dates during which the trainee was evaluated. If evaluation occurs during a short term situation, enter date and start and end time of evaluation. (e.g. 11/1/14 to 11/4/14)

Management Level or Complexity Level: Indicates ICS organization level, i.e., Type 5, Type 4, Type 3, Type 2, Type 1, Area Command.

Recommendation: Check as appropriate and/or make comments regarding the future needs for development of this trainee.

Date: List the date the record is being completed.

Evaluator's initials: Evaluator initials here to authenticate their recommendations and to allow for comparison with initials in the Qualifications Record.

Evaluator's relevant rating: Evaluator lists their certification relevant to the trainee position they supervised.
