Re: Notice of Intent to Award RFP# 170-4437-25

Dear Erin Krug,

Congratulations! Your firm is the presumptive successful Proposer for the award of Oregon State Treasury's Retirement Savings Marketing Services. We appreciate your time in submitting a proposal. We will be in contact soon with next steps.

An adversely effected Proposer may file a protest of the award of a public contract by filing a written protest within ten (10) calendar days of the written notification date above of the pending award to another Proposer, or notice of proposal rejection. The protesting entity must meet the requirements of ORS 279B.410 (1). The email containing the protest **MUST** be marked **PROTEST**, and **MUST** identify the RFP number and the closing time and date for acceptance of proposals, as well as the Treasury contact person, and email address as listed on the cover page of the RFP.

Please note: Protests must be received by Saturday, May 2, 2026, at 12:00 PM Pacific Time. Protests must be submitted in accordance with Section 2 of the RFP. Late Protests will not be accepted.

Sincerely,

Michael Sztenderowicz
