

Oregon State Treasury

Banking Services

2019-21 Fee Schedule

Agencies should use the following estimates when projecting their 2019-21 Banking Service costs. Note that the fees listed below do not include fees charged directly to agencies by our banking partners for services such as Lockbox, Onsite Electronic Deposit (OED), and Merchant Card acceptance. Agencies should confirm that they have adequately accounted for these costs to the extent they apply.

Please note that Banking Services costs are subject to change as a result of any changes to Treasury's costs, including as a result of a variety of in-progress cash management projects and vendor transition efforts. As project implementations and charge methodology review continues, Treasury will work with DAS, the Legislative Fiscal Office, and stakeholders with regard to any need for ongoing changes including the impact of any such changes to agency budgets.
