Why it is currently taking TSPC so long to issue licenses?

Released on: Sunday, September 15, 2013

Summers are always a busy time in this office due to school district hiring and new teachers entering the workforce. TSPC's staff has been reduced from 24 to 16 over the past 18 months due to budget cuts. We also had a license evaluator resign in early July to be with her family. Additionally, our front office staff has been out on medical leave for nearly 10 weeks. This means that licensure staff must be rotated through to assist with managing the high volume of applications, money, and paperwork received daily.

November Office Closures

Released on: Wednesday, November 06, 2013

Legal compensable holidays in November 2013 are Veteran's Day on Monday, the 11th, and Thanksgiving Day on Thursday, the 28th. Most state government offices will be closed in observance of these holidays.

Department of Administrative Services policy states an agency head may designate an alternate day of observance for any legal compensable holiday. The Executive Director and employees agreed to remain open for business on Veteran's Day, November 11th, and instead observe an alternate holiday and close the office on Friday, November 29th. This will give employees a four-day weekend for the Thanksgiving holiday.

We sincerely hope observance of an alternate holiday does not inconvenience our clientele in any way. Our voice mail messages and electronic mail responses will be changed to reflect the office closure on Friday, November 29th. Notice will also be posted on our front door.
