Credit and Debit Card Payments

Released on: Tuesday, July 01, 2014

As of July 1, 2014, all licensure applications must only be accompanied by a check or money order. We will continue to accept credit or debit cards in person at the TSPC office or when making a payment via telephone call to (503) 378-3586. There will be no exceptions.

For a short time, we piloted accepting credit and debit card payments with the application form which were then processed by our license evaluators; credit card volume was consuming three to five hours a day reducing our ability to issue licenses. Applicants would often submit the paper form through different media, e.g. fax and email attachments, causing duplicate payments and a large volume of refunds, again taking away valuable resources away from issuing licenses.

This decision comes with a great deal of thought of where our resources can best be spent. Schools are in the height of hiring season, and we believe our wisest use of resources is in issuing licenses to those who will serve in Oregon’s classrooms.

Thank you for your consideration.

TSPC Email Migration

Released on: Thursday, July 03, 2014

Please be aware that recently all email addresses within TSPC have been updated to "firstname.lastname@oregon.gov." The migration was supposed to allow our old addresses ending in "@state.or.us" to automatically forward, but we have learned that email with the old addresses are not uniformly being received by everyone in our office.

If a TSPC email address appears automatically when you type our names in your email program or you have us built into your program, delete those entries and re-enter them in the above format. This will be necessary for all TSPC staff email addresses in your contacts.

This migration also applies to contact.tspc@oregon.gov and tspc.transcripts@oregon.gov

Information on Providing Public Comments.

When an agency proposes to adopt, amend or repeal a rule, it shall give interested persons reasonable opportunity to submit data or views. Due to budget reductions, the Commission is no longer conducting a separate hearing on each rule. However, interested parties may provide written comments to the Commission via the email address above. Additionally, opportunity for oral hearing shall be granted upon request received from 10 persons or from an association having not less than 10 members before the earliest date that the rule could become effective after the giving of notice.

Vickie Chamberlain, Executive Director, serves as the Commission's hearing officer in the event a hearing is requested. If held, the hearing will be recorded for permanent record. The hearing officer will open the hearing and read the OAR number and its intention or purpose. The hearing officer will ask those in attendance for oral testimony. Those individuals will be heard. If there is written testimony at this time, it may be submitted.

The hearing officer will adjourn the public hearing and will not respond to questions. After the close of the public comment period, the hearing officer will prepare a report to the Commission which will be available from the Commission office.
