Art

(1) An Art endorsement indicates that an educator is qualified to teach prekindergarten to grade 12 Art assignments as provided by TSPC Licensure Guide for Art.

(2) An educator is not authorized to teach in the endorsed area unless and until the endorsement is officially added to the license, except as provided in OAR 584-210-0170, Atypical Assignments and OAR 584-210-0160, License on Conditional Assignment.

(3) Eligibility Requirements: To be eligible to add an Art endorsement to an existing Preliminary, Professional, Teacher Leader or Legacy teaching License, an applicant must:

(a) Be admitted to and complete a Commission-approved Art preparation program that meets the program standards pursuant to Chapter 584, Division 420; and

(b) Submit a complete and correct application to obtain the endorsement in the form and manner required by the Commission, including payment of all required fees as provided in OAR 584-200-0050.

(3) Adding to Existing Preliminary Teaching License: An Art endorsement may be added to an existing Preliminary Teaching license by demonstrating content knowledge and completing Art pedagogy requirements as defined in this rule. To be eligible to add an Art endorsement to an existing Preliminary Teaching License, an applicant must:

(a) Provide documentation of a passing score on the Commission-approved subject mastery test for Art; and

(b) Meet one of the following Art pedagogy requirements:

(A) Admission to and completion of a Commission-approved Art preparation program; or

(B) Complete an Art pedagogy course of at least three quarter or two semester hours acceptable to the Commission. The course must include the word pedagogy or methods in the course title or must be acceptable to the Commission upon evaluation of course syllabi or other evidence; or

(C) Complete a supervised practicum in an Art assignment in a public school setting. To verify the practicum, a school district must submit a PEER form and a statement verifying that:

(i) The applicant completed at least 60 hours of a supervised practicum in Art courses;

(ii) The practicum was supervised by a teacher holding a Professional, Teacher Leader or Legacy Teaching license with an Art endorsement;

(iii) The applicant has obtained the required pedagogy skills to teach Art. The district must indicate in the statement that the supervisory teacher supports the verification of applicant skill level.
(iv) At the Executive Director’s or Licensure Director’s discretion, other Art teaching experience such as teaching in at a post-secondary institution or in a private school setting may qualify to satisfy the practicum experience. In these settings, verification from the employer of satisfactory completion of the teaching experience with at least 60 clock hours of Art instruction is required to qualify as a suitable practicum to add the endorsement.

(c) Submit a complete and correct application to obtain the endorsement in the form and manner required by the Commission, including payment of all required fees as provided in OAR 584-200-0050.

Note: An applicant will not be charged an additional fee for adding an endorsement during the regular licensure renewal process.

(4) Adding Art Endorsement to Other Licenses: To be eligible to add an Art endorsement to an existing Professional, Teacher Leader or Legacy teaching licenses teaching license, an applicant must:
