RE: Administrator Licensure Redesign – Change to Scope of Your Licensure

On February 7, 2019, the Commission adopted new rules for Administrator Licensure. One significant change concerns the defined Scope and Purpose of the Administrator Licenses.

Please review the new definitions, and scope and responsibilities of administrator licenses [at this link](#).

We expect this initial announcement to generate a large volume of contact with our office, and we are requesting your assistance in managing that contact. Please review the [Administrator Licensure Redesign](#) webpage carefully before reaching out to our office with questions. We also recognize that many of you will have unique situations to navigate during this transition. Please let us know how we can assist you.

To better serve questions specific to Administrator Licensure questions, we've created a new email address: AdminLicense.tspc@oregon.gov

Or contact us by phone, Monday through Friday between 8am and 5pm: 503-378-3586
