STIPULATION OF FACTS

1. The Commission has licensed Green since October 25, 1996. Green holds a Basic Teaching License issued July 27, 2012, with an endorsement in Basic Elementary (016), which expires on July 26, 2015. During all relevant times, Green was employed by the Sweet Home School District.
2. On November 2, 2012, the Commission adopted the Stipulation of Facts and Final Order of Reprimand and Probation. The Order imposed a Public Reprimand and placed Green on probation for four (4) years subject to conditions. Green agreed as a condition of probation to submit within six months of the adoption of the order, documentation that she had undergone an evaluation by a chemical dependency professional acceptable to the Commission. This evaluator was to provide a written evaluation report to the Commission. Green's probation also included the requirement that Green shall comply with the Standards for Competent and Ethical Performance of Oregon Educators under Oregon Administrative Rules Chapter 584, Division 020. Green completed an evaluation within six months of the order, but did not timely submit the report to the Commission.
3. On October 24, 2012, the Commission received a telephone report from the Sweet Home Superintendent indicating Green had been arrested for DUII on September 29, 2012. The Commission conducted an investigation as a result of the October 2012 report. According to court records, Green pled no contest to the DUII charge and entered into a diversion agreement with the courts. Police records indicate Green's blood alcohol level was at .22 percent by volume.
