In entering into this stipulation, Buchert waives the right to a hearing to contest the findings of fact, conclusions of law and order set forth below.

STIPULATION OF FACTS

- The Commission has licensed Buchert since March 13, 2000. Buchert's Initial II Teaching License; with endorsements in Early Intervention/Special Education (EISE), Multiple Subjects Self-Contained (EDE, ELE), Reading (ML/HS, ECE/ELE L), and Special Education (ECE/ELE L); was valid from January 19, 2013, through March 31, 2016. Buchert has not made application for renewal of her licensure. During all relevant times, Buchert was employed by the Eugene School District.
- On July 3, 2014, the Commission was notified by the Eugene School District that Buchert may have violated professional standards. The school district's report indicated that the Oregon Department of Humans Services (DHS) had substantiated a report that Buchert had abused and/or neglected her own children.

- Investigation determined that DHS conducted an investigation into Buchert's possible abuse of her two, 10-year-old twin children, AB and JB. On May 28, 2014, DHS "Founded" the investigation for neglect. On or about June 16, 2014, Buchert entered into a Circuit Court agreement resulting in the children falling under the jurisdiction of the courts and placed with other family members while Buchert works with DHS to meet agreed upon requirements to safely parent the children. On or about May of 2014, the Eugene School District placed Buchert on administrative leave and did not renew Buchert's teaching contract.
- Buchert has not been convicted of any criminal acts related to the issues regarding her children and the DHS matters. She asserts her innocence and does not admit to any criminal conduct by signing this agreement.
