Dear ALJ Mills and Advisory Committee Members:

We have received Theodore Heus's April 17, 2019 e-mail to Cecily Warren. Because the request seeks data on behalf of the Board's Attorney Fee Advisory Committee, the message has been forwarded to me. (A copy of the request is enclosed with each Committee Member's copy of this letter.)

To begin, for purposes of centralization and consistency, please direct any future data requests/inquiries through ALJ Mills, as the Committee's facilitator. In this way, the requested data/information can be efficiently compiled and shared with all Committee Members.

Turning to the specific request, enclosed please find a May 1, 2019 report responding to the inquiry, along with an audio CD of the March 1, 2019 Advisory Committee meeting.

If you have further "Advisory Committee-related" questions, please direct them to ALJ Mills, with copies to your fellow Committee Members. Again, thank you for your willingness to volunteer as a Member of the Advisory Committee and its important mission.

Sincerely,

Constance L. Wold  
Board Chair
