Subject: Five-Year Review of OAR 438-007-0045

Good afternoon Ms. Gunville, I have included my responses to the questions asked regarding the 5 year review of OAR 438-007-0045. I was not in this role when the rule change was discussed so I am basing my responses on what I see currently, with my limited experience and knowledge regarding the change. If I need to provide additional responses, please let me know.

1. Did the rule achieve its intended effect? YES
2. Was the anticipated fiscal impact of the rule underestimated or overestimated? I am uncertain of this but in reviewing the information, I believe the estimation was comparable to current impact
3. Have any subsequent changes in the law required that the rule be repealed or amended? No
4. Is there continued need for the rule? I believe this rule amendment has served it's purpose and will continue to do so. I feel the rule should continue.
5. What impacts has the rule had on small business? I can't speak to this as a worker ombuds.

Sincerely,

-Barbra Anderson
