Board Policy

(1) It is the policy of the Board to expedite claim adjudication and amicably dispose of controversies, while providing for access to adequate representation for injured workers. In accordance with ORS 656.012(3), these rules shall be interpreted in an impartial and balanced manner. The overriding principle is substantial justice.

(2) With respect to postponement or continuance of hearings under OAR 438-006-0081 and 438-006-0091, substantial justice requires consideration of the relative financial hardship of the parties.

(3) The unrepresented party shall not be held strictly accountable for failure to comply with these rules. Any individual who undertakes to represent a party in proceedings under these rules shall be required to comply with these rules.

(4) It is the policy of the Board to promote the full and complete disclosure of a party's specific position concerning the issues raised and relief requested in a specification of issues under OAR 438-006-0031 and in a response under 438-006-0036. However, it is not the intent of this policy to create binding admissions on behalf of any party, but to clarify the scope of the matters to be litigated.

(5) The Board recognizes the complexity of disputed claims and the time limitations concerning the scheduling and litigation process for such claims. Consistent with this recognition, as factual, medical, and legal aspects of disputed issues evolve, the amendment of issues, relief requested, theories, and defenses may be allowed as prescribed in OAR 438-006-0031(2) and 438-006-0036(2).

(b) In addition to the procedures otherwise described in these rules, "filing" may also be accomplished in the manner prescribed in OAR chapter 436, division 009 or 010 for filing a request for administrative review with the Director provided that the request involves a dispute that requires a determination of either the compensability of the medical condition for which medical services are proposed or whether a sufficient causal relationship exists between medical services and an accepted claim to establish compensability;

(c) If filing of a request for hearing or Board review of either an Administrative Law Judge's order or a Director's order finding no bona fide medical services dispute is accomplished by mailing, it shall be presumed that the request was mailed on the date shown on a receipt for registered or certified mail bearing the stamp of the United States Postal Service showing the date of mailing. If the request is not mailed by registered or certified mail and the request is actually received by the Board after the date for filing, it shall be presumed that the mailing was untimely unless the filing party establishes that the mailing was timely;

(d) If a settlement stipulation, disputed claim settlement, or claim disposition agreement results from a mediation, "filing" also includes the physical delivery of the settlement stipulation, disputed claim settlement, or claim disposition agreement to the Administrative Law Judge who mediated the settlement or agreement, regardless of location.

(e) The following things may be filed by electronic mail (e-mail) pursuant to subsection (f) of this section:

(A) Request for hearing;

(B) Request for Board review of an Administrative Law Judge's order;

(C) Request for Board review of a Director's order finding no bona fide medical services dispute;

(D) Request for extension of the briefing schedule under OAR 438-011-0020;

(E) Request for waiver of the Board's rules under OAR 438-011-0030; or

(F) Response to issues under OAR 438-006-0036.

(f) To electronically file the requests listed in subsection (e) of this section by e-mail, a party shall:

(A) Send an e-mail to: request.wcb@oregon.gov; and

(B) Attach an electronic copy of a completed Workers' Compensation Board "Request for Hearing Form," or a completed request for Board review, or a completed request for extension of the briefing schedule, or a completed request for waiver of the Board's rules, or a completed Board "Response to Issues Form." These attachments must be in a format that can be viewed by the Board. Strict compliance with paragraph (B) of this subsection is not jurisdictional. Also,

consistent with the Board's policy in OAR 438-005-0035(3), an unrepresented party shall not be held strictly accountable for failure to comply with Board rules.

(C) For purposes of this rule, the date of an electronic filing is determined by the date the Board receives the e-mail described in paragraph (A) of this subsection. An electronic filing under subsections (e) and (f) of this section received by the Board by 11:59 p.m. of a non-holiday, weekday is filed on that date.

(g) The following things may be filed by website portal pursuant to subsection (h) of this section:

(A) All actions described in subsection (e) of this section; and

(B) Filing of any other thing that the Board makes available for filing by website portal.

(h) To electronically file the things listed in subsection (g) of this section by website portal, a party shall:

(A) Register as a "user" of the portal at: <https://portal.wcb.oregon.gov>; and

(B) For subparagraph (g)(A) of this section, as appropriate, complete the electronic version of the Workers' Compensation Board "Request for Hearing Form," or complete a request for Board review, or complete a request for extension of a briefing schedule, or complete a request for waiver of the Board's rules, or complete a Board "Response to Issues Form"; or

(C) For subparagraph (g)(B) of this section, complete the appropriate items on the website portal.

(D) For the purposes of this rule, the date of a portal filing is determined by the date the Board receives the appropriate portal version of the form.

(E) A portal filing under subsections (g) and (h) of this section received by the Board by 11:59 p.m. of a non-holiday, weekday is filed as of that date.

(i) "Filing" includes the submission of any document (other than the exchange of exhibits and indexes under OAR 438-007-0018) to any permanently staffed office of the Board by means of a telephone facsimile communication device (FAX) provided that:

(A) The document transmitted indicates at the top that it has been delivered by FAX;

(B) The Board's facsimile transmission number is used; and

(C) The Board receives the complete FAX-transmitted document by 11:59 p.m. of a non-holiday, weekday.

(j) Except for the documents specified in subsections (c), (e), or (g) of this section, filing of any other thing required to be filed within a prescribed time may be accomplished by mailing by first class mail, postage prepaid. An attorney's certificate that a thing was deposited in the mail on a stated date is proof of mailing on that date. If the thing is not received within the prescribed time and no certificate of mailing is furnished, it shall be presumed that the filing was untimely unless the filing party establishes that the filing was timely.

(2) Service:

(a) A true copy of any thing delivered for filing under these rules shall be simultaneously served personally, by means of a facsimile transmission, by means of e-mail or website portal regarding requests, responses, or any other thing filed under OAR 438-005-0046(1)(e), (f), (g), or (h), or by mailing by first-class mail, postage prepaid, through the United States Postal Service, to each other party, or to their attorneys. Service by mail is complete upon mailing, service by facsimile

transmission is complete upon disconnection following an error-free transmission, and service by e-mail or website portal regarding requests, responses, or any other thing filed under 438-005-0046(1)(e), (f), (g), or (h), is complete upon successful transmission, provided that the copy is sent in a format readable by the recipient;

(b) Any thing delivered for filing under these rules shall include or have attached thereto either an acknowledgment of service by the person served or proof of service in the form of a certificate executed by the person who made service showing personal delivery, service by means of a facsimile transmission, service by means of e-mail or website portal regarding requests, responses, or any other thing filed under OAR 438-005-0046(1)(e), (f), (g), or (h), or deposit in the mails together with the names and addresses of the persons served.

(3) Correspondence. All correspondence to the Board shall be captioned with the name of the claimant, the WCB Case number and the insurer or self-insured employer claim number. Correspondence to the Hearings Division shall also be captioned with the date of the hearing and name of the assigned Administrative Law Judge, if any.

(4) Signatures.

(a) Any thing delivered for filing under these rules shall include the signature of the party or the party's attorney, which may be provided in writing, by facsimile transmission, by electronic scanning, by the website portal, or by other electronic means.

(b) The user name and password required to file a document with the Board by means of the website portal shall constitute the signature of the filer and for any other purpose for which a signature is required.

(c) Except for documents filed under subsection (b) of this section, any document filed by electronic means must include a signature block that includes the printed name of the filer, preceded by an electronic symbol intended to substitute for a signature (such as a scan of the filer's handwritten signature or "s/") in the space where the signature would otherwise appear.

(d) Any order, notice, or any other document issued by an Administrative Law Judge or a Board Member may include his/her signature in writing, by facsimile transmission, by electronic scanning, by the website portal, or by other electronic means permitted under the Board's rules.

(e) Any electronically transmitted signature shall have the same force and effect as an original signature, provided that the electronically transmitted signature is executed or adopted by a person with the intent to sign the document as prescribed in ORS Chapter 84 (Uniform Electronic Transactions Act).

Request for Expedited Hearing

(1) If it is alleged that the claimant is suffering a financial hardship or medical hardship, the claimant may file with the Presiding Administrative Law Judge with copies to the insurer, a written motion asserting the hardship and requesting an expedited hearing:

(a) For purposes of this rule, “financial hardship” means that the claimant is receiving neither compensation nor regular wages nor other income in lieu of wages which is comparable in amount to compensation;

(b) For purposes of this rule, “medical hardship” means that the claimant’s condition will permanently and irreversibly deteriorate if the hearing is scheduled in the ordinary course of business and that such deterioration may be avoided by scheduling the hearing at an earlier date.

(2) A motion for expedited hearing shall be accompanied with supporting evidence:

(a) If the motion is based on financial hardship, supporting evidence shall include an affidavit from claimant or family member establishing such hardship;

(b) If the motion is based on medical hardship, supporting evidence shall include a medical report from the attending physician establishing medical hardship.

(3) A motion for expedited hearing shall state whether opposing counsel (or the party if the party is not represented by counsel), objects to, concurs in or has no comment regarding the motion.

(4) If opposing counsel (or the party if the party is not represented by counsel) concurs with the motion, the motion shall be accompanied by three mutually suitable dates for an expedited hearing.

(5) If opposing counsel (of the party if the party is not represented by counsel) either objects to the motion or has no comment, counsel for the moving party shall arrange and place a conference telephone call with the Presiding Administrative Law Judge or his or her designee and counsel for the parties.

(6) Within a reasonable time after receipt of the motion for expedited hearing and completion of the telephone call, if required, the Presiding Administrative Law Judge or his or her designee shall notify the parties in writing of the Administrative Law Judge’s ruling:

(a) If the motion is granted, the Presiding Administrative Law Judge or his or her designee shall also notify the parties of the date for the expedited hearing;

(1) A scheduled hearing shall not be postponed except by order of an Administrative Law Judge upon a finding of extraordinary circumstances beyond the control of the party or parties requesting the postponement. "Extraordinary circumstances" shall not include:

(a) Failure of the insurer or self-insured employer to refer, or delay in referring, the case or any pertinent information to its representative;

(b) Unavailability of a party, lay witness or representative due to nonemergency occupational, personal or professional business or appointments, or unwillingness to appear, provided that a postponement may be granted if the unavailable person is a worker who is temporarily working

(c) An attorney's, party's, representative's or witness' conflict with proceedings before another administrative body that are scheduled more than three days after mailing of the Hearings Division's notice of hearing;

Change of Administrative Law Judge

(1) Except as provided in section (4) of this rule, an Administrative Law Judge shall disqualify himself or herself from a proceeding in which the Administrative Law Judge's impartiality reasonably may be questioned, including, but not limited to, instances when:

(a) The Administrative Law Judge has a bias or prejudice concerning a party, a representative, or any other participant in the proceeding before the Administrative Law Judge, or has knowledge, obtained from sources outside the proceeding, of disputed evidentiary facts concerning the proceeding;

(b) The Administrative Law Judge served as a lawyer in the matter in controversy, or a lawyer with whom the Administrative Law Judge previously was associated served during the period of association as a lawyer in the matter, or the Administrative Law Judge or the lawyer has been a material witness in the matter;

(c) The Administrative Law Judge knows that the Administrative Law Judge, individually or as a fiduciary, or the Administrative Law Judge's spouse, parent or child, wherever residing, or any other person residing in the Administrative Law Judge's household has a financial interest in the subject matter in controversy, is a party to the proceeding or has any other interest that could be substantially affected by the outcome of the proceeding;

(d) The Administrative Law Judge, the Administrative Law Judge's spouse, parent or child, wherever residing, or any other person residing in the Administrative Law Judge's household:

(A) Is a party to the proceeding, or an officer, director, partner or trustee of a party;

(B) Is acting as a lawyer in the proceeding; or

(C) Is, to the Administrative Law Judge's knowledge, likely to be a material witness in the proceeding.

(2) When an Administrative Law Judge disqualifies himself or herself from a proceeding under this rule, the Administrative Law Judge is not required to disclose the reason or reasons for the disqualification except as required by law.

(3) For purposes of this rule:

(a) "Fiduciary" includes relationships such as personal representative, trustee, conservator and guardian;

(b) "Financial interest" means ownership of a legal or equitable interest, however small, or a relationship as director, advisor or other active participant in the affairs of a party, except that:

(A) Ownership in a mutual or common investment fund that owns securities is not a "financial interest" unless the Administrative Law Judge participates in the management of the fund;

(B) Holding an office in an educational, religious, charitable, fraternal or civic organization is not a “financial interest” in property of the organization;

(C) The proprietary interest of a policy holder in a mutual insurance company, a depositor in mutual savings association, or a similar proprietary interest is a “financial interest” in the organization only if the outcome of the proceeding could substantially affect the value of the interest; and

(D) Ownership of government securities is a “financial interest” in the issuer only if the outcome of the proceeding could substantially affect the value of the securities.

(4) An Administrative Law Judge who would be disqualified under this rule may, rather than disqualify himself or herself from the proceeding, disclose to the parties the basis of the disqualification. If, after such disclosure, any party wishes the Administrative Law Judge to disqualify himself or herself from the proceeding, the Administrative Law Judge shall do so. If, after such disclosure, the parties all agree in writing or on the record that the Administrative Law Judge's impartiality is not in question because of the information disclosed to the parties, the Administrative Law Judge may participate in the proceeding. Any writing signed by or on behalf of all parties shall be incorporated into the record of the proceeding, or, in the case of a mediation, made part of the Administrative Law Judge's mediation file.

(5) Immediately upon discovering the asserted basis, any party may request that an Administrative Law Judge disqualify himself or herself from a proceeding on any basis set forth in section (1) of this rule. If the Administrative Law Judge does not then disqualify himself or herself, any party may promptly file a request for disqualification of the Administrative Law Judge with the Presiding Administrative Law Judge. Such a request shall include an affidavit setting out, in detail, the basis for the requested disqualification.

(6) Following review of the request for disqualification and accompanying affidavit, the Presiding Administrative Law Judge will determine, in his/her discretion, whether a hearing on the allegations in the affidavit shall be held. Following such a hearing or following the Presiding Administrative Law Judge's determination that a hearing will not be held, the Presiding Administrative Law Judge shall issue a written decision concerning the disqualification request. If the Presiding Administrative Law Judge determines that the Administrative Law Judge should be disqualified, the Presiding Administrative Law Judge shall so state and explain the basis for his/her decision, and shall assign another Administrative Law Judge to the case. If the Presiding Administrative Law Judge determines that the Administrative Law Judge should not be disqualified, the Presiding Administrative Law Judge shall so state and explain the basis for his/her decision, and the case shall proceed with the Administrative Law Judge.

Disclosure of Expert Witness Required

Within the times provided for the initial exchanges of exhibits and indexes under OAR 438-007-0018 each party shall disclose to all other parties the identity of each expert witness the party will call to testify at the hearing. A statement by a party that the party “reserves the right,” or similar language, to call as a witness any expert whose opinion has been included in the documents filed in the case is not compliance with this rule. At the hearing the Administrative Law Judge may, in his or her discretion, allow the testimony of expert witnesses not disclosed as required by this rule. In the exercise of this discretion, the Administrative Law Judge shall determine whether material prejudice has resulted from the timing of the disclosure and, if so, whether there is good cause for the failure to timely disclose that outweighs the prejudice to the other party or parties.

Impeachment Evidence

(1) Impeachment evidence is material which:

- (a) Attacks the capacity of the witness to perceive, recall or recount;
- (b) Tends to establish that the witness has a character for untruthfulness;
- (c) Establishes prior convictions for felonies or crimes involving false statement or dishonesty;
- (d) Tends to establish bias;
- (e) Reveals a prior material inconsistent statement;
- (f) Reveals material contradictions in statements made by the witness;
- (g) Attacks the expertise of a witness through learned treatises.

(2) Impeachment evidence consisting of medical or vocational reports not used during the course of the hearing must be provided to any opposing party at the conclusion of the presentation of evidence and before closing arguments are presented. Any other withheld impeachment evidence is not subject to disclosure.

(3) Impeachment evidence shall not be considered by the Administrative Law Judge as substantive evidence, unless the opposing party offers any withheld evidence as substantive evidence.

Exchange and Admission of Exhibits at Hearing

(1) Not later than 28 days before the hearing, the insurer or self-insured employer shall provide the claimant and other insurer or self-insured employer legible copies of all documents that are relevant and material to the matters in dispute in the hearing, together with an index. The index shall include the document numbers, description of each document, author, number of pages and date of the document. The documents shall be arranged in chronological order and numbered, in Arabic numerals, in the lower right corner of each page, beginning with the document of earliest date. The numbers shall be preceded by the designation "Ex," and pagination of multiple-page documents shall be designated by a hyphen followed by the page number. For example, page two of document two shall be designated "Ex 2-2." A physician's chart notes constitute a multi-page document to the extent that the date of each individual chart note is subsequent to the date of the preceding exhibit and is earlier than the date of the next exhibit. However, for deposition transcripts, only the cover page of the deposition need be numbered; i.e., "Ex. 3."

(2) Not less than 14 days before the hearing, or within seven days of receipt of the insurer document index and documents, whichever is later, the claimant shall provide the insurer(s) or self-insured employer(s) legible copies of any additional documents that are relevant and material to the matters in dispute in the hearing. The additional documents shall be marked and accompanied by a supplemental document index, prepared in the same manner as the insurer documents and index and numbered to coincide in chronological order with the insurer's documents. Letter subdesignations shall be used to ensure chronological numbering. For example, a document which is chronologically between documents six and seven of the insurer documents shall be designated "Ex 6A."

(3) Before or at the hearing, the parties shall delete from their indexes and packets of documents those documents which are cumulative, or which no party can in good faith represent to be relevant and material to the issues, and the revised indexes and packets of documents shall be submitted to the Administrative Law Judge. For compliance with this rule, it is sufficient for the parties to mark neatly through the index description of the documents not being offered in evidence with ink, and to remove the corresponding documents from the packets submitted to the Administrative Law Judge.

(4) Filing of the documents described in section (1) shall not establish that:

(a) The insurer or self-insured employer is the sponsor for each of these documents for purposes of admission into the evidentiary record; or

(b) The claimant is automatically entitled to cross-examine the author of any document filed by the insurer or self-insured employer under section (1).

(5) Subject to ORS 656.287(1), at the hearing the Administrative Law Judge may in his or her discretion allow admission of additional medical reports or other documentary evidence not disclosed as required by OAR 438-007-0015. In the exercise of this discretion, the Administrative Law Judge shall determine whether material prejudice has resulted from the timing of the disclosure and, if so, whether there is good cause for the failure to timely disclose that outweighs any prejudice to the other party or parties. Following a finding of material prejudice, the Administrative Law Judge may exclude a document or continue the hearing for such action as is appropriate to cure the material prejudice caused by the late disclosure of the document.

Disputed Claim Settlements

(1) Any document submitted for approval by the Board or the Hearings Division as a settlement of a denied or disputed claim shall be in the form specified by this rule.

(2) A disputed claim settlement shall recite, at a minimum:

(a) The date and nature of the claim;

(b) That the claim has been denied and the date of the denial;

(c) That a bona fide dispute as to the compensability of all or part of the claim exists and that the parties have agreed to compromise and settle all or part of the denied and disputed claim under the provisions of ORS 656.289(4);

(d) The factual allegations and legal positions in support of the claim;

(e) The factual allegations and legal positions in support of the denial of the claim;

(f) That each of the parties has substantial evidence to support the factual allegations of that party;

(g) A list of medical service providers who shall receive reimbursement in accordance with ORS 656.313(4), including the specific amount each provider shall be reimbursed, and the parties' acknowledgment that this reimbursement allocation complies with the reimbursement formula prescribed in 656.313(4)(d); and

(h) The terms of the settlement, including the specific date on which those terms were agreed.

(3) If an accepted claim is later denied entirely at any time based on fraud, misrepresentation or other illegal activity by the worker, the disputed claim settlement shall further recite the specific factual allegations and legal positions of the parties concerning the fraud, misrepresentation or other illegal activity.

(4) If a claim was previously accepted in good faith but later denied, in whole or in part, based on later obtained evidence that the claim is not compensable or evidence that the paying agent is not responsible for the claim, the disputed claim settlement shall further recite:

(a) If the accepted claim is later denied entirely at any time up to two years from the date of claim acceptance, an allegation that the self-insured employer or insurer has obtained later evidence that the claim is not compensable or that the paying agent is not responsible for the claim; or

(b) If the denial is a denial of aggravation, current need for medical services or a partial denial of a medical condition on the ground that the condition is not related to the accepted injury, that the claimant retains all rights that may later arise under ORS 656.245, 656.273, 656.278 and 656.340, insofar as these rights may be related to the original accepted claim.

(5) If the claimant is unrepresented, the denial of the claim which is being settled by any document described in section (1) of this rule shall not be contained within that document, but rather shall be issued separately. In addition, any document described in section (1) of this rule shall recite that the unrepresented claimant has been orally advised of the following matters:

(a) The right to an attorney of the claimant's choice at no cost to the claimant for attorney fees;

(b) The existence of the office of the Ombudsman pursuant to ORS 656.709;

(c) Except with the consent of the worker, reimbursement made to medical service providers from the proceeds of a disputed claim settlement shall not exceed 40 percent of the total present value of the settlement amount; and

(d) Reimbursement from the proceeds of a disputed claim settlement made to medical service providers shall not prevent a medical service provider or health insurance provider from recovering the balance of amounts owing for such services directly from the worker, unless the worker agrees to pay all medical service providers directly from the settlement proceeds the amount provided under ORS 656.248.

(6) Any document described in section (1) of this rule shall also recite that the claimant has been orally advised that:

(a) The claimant has the right to request a hearing concerning the claim, after which an Administrative Law Judge will determine whether the claimant will receive workers' compensation benefits;

(b) If, following the hearing, the claim is finally determined compensable, the claimant would be entitled to workers' compensation benefits, which could include temporary disability, permanent disability, medical treatment, and vocational rehabilitation;

(c) If, following the hearing, the claim is finally determined not compensable, the claimant would not be entitled to workers' compensation benefits;

(d) As a result of this agreement, the claimant's rights to seek workers' compensation benefits concerning this claim would be extinguished;

(e) Both parties agree that the terms of the agreement are reasonable; and

(f) The agreement shall not be binding upon the parties unless and until the agreement is approved by an Administrative Law Judge or the Board, depending upon which forum is considering the dispute.

(7) No document described in section (1) of this rule shall be approved unless the document submitted by the parties establishes that a bona fide dispute as to compensability exists and the proposed disposition of the dispute is reasonable. If an Administrative Law Judge or the Board is not satisfied that a bona fide dispute exists or that disposition of the dispute is reasonable, the Administrative Law Judge or Board may reject the agreement or specify the manner in which objection(s) can be cured.

(8) All disputed claim settlements shall:

- (a) Recite whether a claim disposition agreement in the claim has been filed; and
- (b) Be in a separate document from a claim disposition agreement.

Notice of Settlement; Submission of Documents

- (1) The party that requested the hearing shall promptly notify the Presiding Administrative Law Judge, or his or her delegate, when a case is settled in whole or in part.
- (2) The party that requested Board review shall promptly notify the Board's Closing and Appeals Division in writing when a case is settled in whole or in part.
- (3) The Presiding Administrative Law Judge, or his or her delegate, may require written notice of settlement as a condition of cancellation of a scheduled hearing.
- (4) With the consent of the assigned Administrative Law Judge, the parties may enter a settlement on the oral record at the time and place scheduled for the hearing. With the exception of a disputed claim settlement, the Administrative Law Judge may enter an order reciting and approving the settlement in such cases, without the submission of documents by the parties. - (5) Notwithstanding OAR 438-005-0046(1)(d), in all cases settled by disputed claim settlement or written stipulation of the parties, the settlement document shall be mailed or delivered to the Administrative Law Judge or the Board for approval. If the disputed claim settlement or written stipulation pertains to the resolution of disputes pending before both the Hearings Division and the Board, the settlement document shall recite the issues resolved by the Opinion and Order that is pending before the Board. If the disputed claim settlement or written stipulation is mailed or delivered to the Hearings Division for approval and the agreement either formally or effectively modifies a dispute which is pending before the Board, the disputed claim settlement or stipulation shall be submitted in a format to provide for both Hearings Division and Board approval.

(6) Unless a party has filed prior written notice with the Hearings Division or the Board that the party wants an exhibit returned to them, all exhibits (with the exception of exhibit lists) may be discarded from the record following:

(a) Administrative Law Judge or Board approval of a settlement stipulation or disputed claim settlement;

(b) An Administrative Law Judge order dismissing a party's hearing request in response to that party's withdrawal of the request; or

(c) A Board order dismissing a party's request for Board review in response to that party's withdrawal of the request for Board review.

(2) An Own Motion claim shall contain sufficient information to identify the claimant and the claim.

(3) An insurer is deemed to have notice of an Own Motion claim for a "post-aggravation rights" worsened condition when one of the following documents is submitted to the insurer by or on behalf of the claimant:

(a) A written request for temporary disability compensation or claim reopening regarding a worsened condition that has been determined to be compensable as defined under OAR 438-012-0001(3) and that was initiated after the rights under ORS 656.273 expired; or

(b) Any document submitted to the insurer after the expiration of aggravation rights regarding a worsened condition that has been determined to be compensable as defined under OAR 438-012-0001(3) that reasonably notifies the insurer that the compensable injury results in the claimant's inability to work and requires hospitalization or inpatient or outpatient surgery, or other curative treatment prescribed in lieu of hospitalization that is necessary to enable the claimant to return to work.

(4) An insurer is deemed to have notice of a "post-aggravation rights" new medical condition or omitted medical condition claim when the insurer receives from the claimant any document that clearly requests formal written acceptance of a new medical condition or an omitted medical condition initiated after expiration of aggravation rights under ORS 656.273 as required by ORS 656.267 and that claim has been determined to be compensable as defined under OAR 438-012-0001(4).

(5) Except as provided in section (7) of this rule, an insurer is deemed to have notice of an Own Motion claim for medical benefits relating to a compensable injury that occurred before January 1, 1966, when one of the following documents is submitted to the insurer by or on behalf of the claimant:

(b) Any document that reasonably notifies the insurer that the claimant is seeking medical benefits for the compensable injury.

(6) An insurer is deemed to have notice of a "post-aggravation rights" new medical condition or omitted medical condition claim related to a compensable injury that occurred before January 1, 1966, when the insurer receives from the claimant any document that clearly requests formal written acceptance of a new medical condition or an omitted medical condition initiated after expiration of aggravation rights under ORS 656.273 as required by 656.267 and that claim has been determined to be compensable as defined under OAR 438-012-0001(4).

(7) An Own Motion claim for medical benefits does not include a claim for medical benefits relating to a compensable injury that occurred from August 5, 1959 through December 31, 1965 and resulted in an award of permanent total disability. Such claims shall be processed as a claim for medical services under ORS 656.245.

(c) The name of the insurer; and

(d) A copy of the Notice of Closure (Form 2066).

(2) To be considered, the request must be filed with the Board within 60 days after the mailing date of the notice of closure, or within 180 days after the mailing date if the claimant establishes good cause for the failure to file the request within 60 days after the mailing date. The Board shall notify all parties that review has been requested.

(3) Within 14 days after notification from the Board that a review has been requested, the insurer shall submit to the Board and to the claimant or, if represented, to the claimant's attorney legible copies of all evidence that pertains to the claimant's compensable condition at the time of closure, including any evidence relating to permanent disability. (6) After the claimant requests Board review of a Notice of Closure of a “post-aggravation rights” new medical condition(s) or omitted medical condition(s) claim issued under OAR 438-012-0055, the Board may refer the claim to the Director for appointment of a medical arbiter to evaluate permanent disability attributable to the claimant’s “post-aggravation rights” new medical condition(s) or omitted medical condition(s) if:

(a) The claimant objects to the impairment findings used to rate impairment regarding the “post-aggravation rights” new medical condition(s) or omitted medical condition(s) and requests appointment of a medical arbiter;

(b) The issue of permanent disability rating regarding the “post-aggravation rights” new medical condition(s) or omitted medical condition(s) is raised and the Board determines that insufficient medical information is available to determine disability; or

(c) The insurer objects to the impairment findings used to rate impairment regarding the “post-aggravation rights” new medical condition(s) or omitted medical condition(s) and requests appointment of a medical arbiter.

(7) The Board may refer a matter to the Hearings Division for an evidentiary hearing and recommended findings of fact and conclusions.

(8) The Board may refer a disagreement regarding the rating of the claimant's permanent disability for a "post-aggravation rights" new or omitted medical condition to the Workers' Compensation Division for an evaluation and recommendation based on the record presented to the Board.

Cost Bill Procedures; Assessed Attorney Fees When the Claimant Prevails in a Cost Bill Dispute

(1) If a claimant finally prevails against a denial under ORS 656.386(1), the Administrative Law Judge or the Board may order payment of the claimant's reasonable expenses and costs for records, expert opinions, and witness fees incurred in the litigation of the denied claim(s).

(2) In ordering payment under section (1), an Administrative Law Judge or the Board may award reasonable expenses and costs that the claimant incurred as a result of the litigation of the denied claim(s) under ORS 656.386(1). If the parties stipulate to the specific amount of the reasonable expenses and costs, the Administrative Law Judge's or the Board's award of expenses and costs shall be included in the order finding that the claimant finally prevails against a denied claim(s) under 656.386(1). In the absence of the parties' stipulation, the Administrative Law Judge or the Board may award reasonable expenses and costs as described in section (1), which the claimant may claim by submitting a cost bill under section (3) to the insurer or the self-insured employer, not to exceed \$1,500, unless the claimant demonstrates extraordinary circumstances justifying payment of a greater amount.

(3) If an order under section (2) does not specify the amount of a reasonable award for expenses and costs, the claimant shall submit, within 30 days after the order under section (2) becomes final, a cost bill to the insurer or self-insured employer. The cost bill, which may be submitted on a form prescribed by the Board, shall contain, but is not limited to, the following information:

(a) An itemization of the incurred expenses and costs for records, expert opinions, and witness fees that are due to the denied claim(s); and

(b) The claimant's signature confirming that the claimed expenses and costs were incurred in the litigation of the denied claim(s).

(4) If the parties disagree whether a claimed fee, expense, or cost is reasonable, a party may request a hearing seeking resolution of that dispute. The resolution of disputes under this section shall be made by a final, appealable order.

(5) Unless a hearing is requested by the insurer or self-insured employer under section (4), payments for witness fees, expenses, and costs shall be made by the insurer or self-insured employer within 30 days of its receipt of the cost bill submitted in accordance with section (3) or within 30 days after the order under section (2) becomes final, whichever is later, and are in addition to compensation payable to the claimant and in addition to attorney fees.

(6) In disputes involving a claim for costs, if the claimant prevails on the claim for any increase of costs, the Administrative Law Judge or the Board shall award a reasonable assessed attorney fee to the claimant's attorney.

(1) Mediators have duties to the parties, to their profession, and to themselves. They shall be honest and unbiased, act in good faith, be diligent, and never seek to advance their own interests at the expense of the parties.

(2) The mediator must maintain impartiality toward all parties. Impartiality means a commitment to serve all mediation parties as opposed to a single party. Each party's consent to proceed with mediation should be obtained early, prior to the beginning of substantive negotiations.

If the mediator believes that the parties are unable or unwilling to participate effectively in the mediation process, the mediator should suspend or terminate the mediation. Exhibits

(1) Unless otherwise required by the Administrative Law Judge, and not later than 21 days before the hearing, OR-OSHA shall provide to the assigned Administrative Law Judge legible copies of all proposed exhibits, numbered chronologically, earliest first, and indexed. Dated proposed exhibits shall precede those which are undated. Exhibit numbers shall be placed at the lower right corner of each page, except that depositions shall be numbered on the cover page only. OR-OSHA shall also provide to the other parties or their representatives an index of all proposed exhibits and copies of any proposed exhibits not previously provided pursuant to OAR 438-085-0740. Not less than 14 days before the hearing, or within seven days of receipt of the OR-OSHA index, whichever is later, the other parties or their representatives shall provide to OR-OSHA and to the Administrative Law Judge legible copies of any additional proposed exhibits, numbered chronologically and indexed to coincide with OR-OSHA's exhibits. For example, a proposed exhibit falling chronologically between those OR-OSHA has numbered "6" and "7" shall be designated Exhibit 6A.

(2) Unless the Administrative Law Judge determines that exceptional circumstances require that an object or real evidence accompany the record, an accurate description or photograph of the object shall be substituted for it. The party offering the object or real evidence shall be responsible for providing the description or photograph, and for retaining custody of the object until all rights to review have expired.

(3) The parties shall offer as exhibits copies of only those portions of each Division of the Oregon Occupational Safety and Health Code upon which they intend to rely or which are otherwise relevant, and which were in effect and/or applicable on the dates pertaining to the issues in the case. In the event the relevant OR-OSHA rule adopts a Federal rule but does not contain the text thereof, a copy of the applicable Federal rule shall also be provided.
