ORDER ON REVIEW

Reviewing Panel: Members Lowell and Lanning.

Claimant requests review of Administrative Law Judge (ALJ) Dougherty's order that: (1) upheld the self-insured employer's medical services denial; and (2) upheld the employer's denials of her occupational disease claims for bilateral hand, arm, shoulder, neck, upper back and thoracic conditions. On review, the issues are medical services and compensability.

We adopt and affirm the ALJ's order.
