
In the Matter of the Compensation of
JORGE PEREZ-FERNANDEZ, Claimant
WCB Case No. 12-02619
ORDER APPROVING SETTLEMENT
Hooton Wold & Okrent LLP, Claimant Attorneys
Holmes Weddle & Barcott PC, Defense Attorneys

Reviewing Panel: Members Lowell and Lanning.

On October 16, 2013, we issued an order that reversed an Administrative Law Judge's (ALJ's) order that upheld the insurer's denial of claimant's new/omitted medical conditions claim for reflex sympathetic dystrophy (RSD)/complex regional pain syndrome (CRPS). The insurer petitioned the court for judicial review of our order. The parties have submitted a proposed "Disputed Claim Settlement" (DCS) designed to resolve all issues raised or raisable between them, in lieu of our prior order. Specifically, the agreement is designed to resolve the parties' dispute pending before the Court of Appeals. We are authorized to consider the parties' DCS. ORS 656.298(9)(a); *Rebecca E. Seelye*, 60 Van Natta 332 (2008).

Pursuant to the settlement, the parties agree that all denials are "resolved." Claimant further stipulates that his current claim is resolved as to the parties to these proceedings. The parties also agree that all hearing requests "shall be dismissed with prejudice."

We have approved the parties' settlement, thereby fully and finally resolving their dispute, in lieu of our prior order. Accordingly, this matter is dismissed with prejudice.

IT IS SO ORDERED.
