In the Matter of the Compensation of  
**JOSE LOPEZ, Claimant**  
WCB Case No. 14-06100  
**ORDER OF DISMISSAL**  
Lakepoint Law Firm, Claimant Attorneys  
Law Offices of Sharon J Bitcon, Defense Attorneys

Reviewing Panel: Members Curey and Lanning.

Claimant requested review of Administrative Law Judge (ALJ) Ogawa's order that upheld the insurer's denial of his new/omitted medical condition claims for nerve root contusion, swelling and entrapment of the left C5 and C7 nerve roots at C4-5 and C6-7 with radicular symptoms. The parties have submitted a proposed "Disputed Claim Settlement" (DCS) that is designed to resolve all issues raised or raisable between them.

Pursuant to the agreement, claimant understands that the insurer's denial "is hereby approved." Claimant further agrees that claimant's request for review shall be dismissed, the ALJ's order upholding the denial shall be affirmed, and "every request for hearing filed by claimant" shall be dismissed with prejudice.

By this order, we approve the parties' settlement, thereby fully and finally resolving their disputes. Accordingly, this matter is dismissed with prejudice.

**IT IS SO ORDERED.**
