

In the Matter of the Compensation of  
**BLENDA G. RYLES, Claimant**  
WCB Case No. 15-00614  
**ORDER OF DISMISSAL**  
Andrew H Josephson, Claimant Attorneys  
Wallace Klor & Mann PC, Defense Attorneys

Reviewing Panel: Members Curey and Lanning.

Claimant requested review of Administrative Law Judge (ALJ) Kekauoha's order that affirmed an Order on Reconsideration that reduced a Notice of Closure's award of scheduled permanent disability for the right hip to zero, reduced the unscheduled permanent disability award for the right shoulder to 75 percent, and declined to award permanent total disability. On September 2, 2016, the Board has approved the parties' Claim Disposition Agreement (CDA), in which claimant fully released all past, present, and future rights to "non-medical service related" benefits (including permanent disability benefits) for her September 2003 injury. The CDA also included a provision stating that, on its approval, this pending request for review "shall be dismissed."

As a result of the Board's approval of the CDA, the issues pending review have been rendered moot. Furthermore, in accordance with the aforementioned approved CDA, this matter is dismissed.

**IT IS SO ORDERED.**
