Moore Jensen, Claimant Attorneys  
Ronald W Atwood PC, Defense Attorneys

Reviewing Panel: Members Weddell and Curey.

Claimant requests review of an Own Motion Notice of Closure that did not award permanent disability for his “post-aggravation rights” new/omitted medical condition (right knee post traumatic arthritis). On review, claimant seeks a permanent disability award, as well as the appointment of a medical arbiter.

Claimant has requested review of the Notice of Closure. He seeks a permanent disability award, as well as the appointment of a medical arbiter.

Following completion of the medical arbiter process, and the Board’s receipt of a copy of the medical arbiter report, a supplemental briefing schedule will be implemented to allow the parties an opportunity to address the effect, if any, the arbiter’s report has on claimant’s request for review of the closure notice. After completion of that schedule, we will proceed with our review.
