Cummins Goodman et al, Defense Attorneys

Reviewing Panel: Members Johnson and Lanning.

Claimant, *pro se*,<sup>1</sup> requests review of Administrative Law Judge (ALJ) Jacobson's order that: (1) found that claimant's hearing requests concerning the self-insured employer's December 14, 2015 and December 16, 2015 denials of his injury claims for a right upper extremity condition were untimely filed; (2) found that claimant did not have "good cause" for his untimely filed hearing request regarding the employer's December 14, 2015 denial; (3) dismissed claimant's hearing requests concerning the aforementioned denials; (4) did not find that a claim for an October 24, 2015 injury had been filed; and (5) found that claimant's February 17, 2015 claim for a left shoulder/arm condition was untimely filed.
