11:03:21 From Andy Santana-May : Thanks Sonji! Always appreciate you as well.

11:08:24 From Nakeia Council Daniels : Well said, Sonji

11:23:49 From Nakeia Council Daniels : OYA is highly supportive of our youth involvement with the data walk process

11:27:29 From thabiti lewis : Great point. Blaming the victim is problematic; also cannot avoid the realities the contribute to disparities (the why) and have systemic implications

11:34:55 From Jeff Parker (He, Him, His) : Sonji, this is really great framework. Just curious if there is a desire for the last two bullets on the recommended actions could be moved to the required actions?

11:35:47 From Nakeia Council Daniels : Yes we can

11:38:53 From Sam Ko : for juvenile departments, the governing and decision making bodies are the elected county commissioners, am I correct?

11:40:38 From Sam Ko : but county juvenile departments may have advisory committees or councils, am I correct?

11:45:40 From Brian Detman : Wholeheartedly

11:46:50 From Xan Augerot (she/her) : Sonji, I hear you and understand. I just don't want to have some counties shut us down before we get started. I see this training and technical assistance as a door opener for change beyond youth in these communities. It is critical work.

11:48:47 From Robin Johnson (she/her) : Fantastic idea, Thabiti, and thank you for that call out.

11:48:55 From Brian Detman : Thank you Thabiti

11:49:04 From Parasa Chanramy (she/her) : For the community forum and your representation on governing bodies, I'm wondering if YDD/partners can help co-develop that with counties that need additional support.

11:49:32 From Jeneen Hartley : Planting a seed that a lot of our K-12 partners are being asked to engage their communities in data and conversations and planning around equity through the Student Investment Accounts and Regional Educator Networks. There may be some leverage and alignment opportunities here.

11:50:45 From Robin Johnson (she/her) : Thank you Nakeia,

11:51:07 From thabiti lewis : thank you for the kind feedback. I see progress in this framework. We much have a prototype mindset

11:51:16 From Robin Johnson (she/her) : Sonji, thank you so much for your presentation. This is critical work, and it's fantastic to have you at the helm.

11:51:19 From thabiti lewis : must

11:51:34 From Nakeia Council Daniels : I can stay

11:51:43 From Celeste Janssen : I'll have to log off around 11:55. I am sorry!

11:51:46 From Jeff Parker (He, Him, His) : I have a hard stop at 12:00, sorry

11:52:17 From thabiti lewis : I can hang 10 extra minutes....since I took up a few extra minutes with my comments.

11:55:35 From Melissa Gallardo (she, her), YDD to Robin Johnson (she/her)(Direct Message) : Hi, Robin, I've chatted with each guest from the public and none of them had plans to give any public comment.

That said, you still need to address it as a part of the meeting and give anyone a chance to chime in.

I can help with that part if you like.

11:55:50 From Melissa Gallardo (she, her), YDD to Brian Detman(Direct Message) : FYI, I sent this to Robin:

Hi, Robin, I've chatted with each guest from the public and none of them had plans to give any public comment.

That said, you still need to address it as a part of the meeting and give anyone a chance to chime in.

11:56:12 From Brian Detman to Melissa Gallardo (she, her), YDD(Direct Message) : Perfect - thank you

12:10:26 From thabiti lewis : Yes, send via email, please...

12:11:06 From Molly Rogers : Does that reach the levels of Commissions or Councils?

12:11:09 From Parasa Chanramy (she/her) : Thank you again, everyone! Appreciate you and all of your work and engagement. I need to hop to my next meeting as well. Take good care!

12:11:56 From Sam Ko : The State Board of Education and many, if not all SD school boards have youth advisors/members.

12:14:01 From Nakeia Council Daniels : So glad you were able to participate Brian!!!

12:14:20 From Nakeia Council Daniels : Ed's fantastic and a real advocate for our youth.
