HOW TO PRINT INSPECTION REPORTS

You do not have to create an account to search for, view and print inspection reports. You will need the equipment ID number (or permit number) to find the correct elevator.

*******NOTE:** It is best to use Internet Explorer when using our website.

Start by clicking on "Search for Information" from the Home Page:

On the next screen, in the "Equipment ID Number" field, enter your equipment ID/permit number followed by –OP:

******NOTE:** Each elevator has two record numbers – one for the equipment installation and one for the operating permit (thus the –OP). If, when you enter the equipment ID, you do not add the –OP, you will not see inspections performed on your elevator during it's operation.

On the next screen, at the top, click on the "Reports (2)" link and then on "ACA Inspection":

		Ele	vatorPermits.Oregoi	n.gov	•	
BCD website Oregon.gov Local building dept. directory Permits Protect website Purchase elevator minor labels Change name and address	Elevator Search for Information Record PXE2565-OP Operating Passenger Record Status: Active Expiration Date: 11/3	Electric 2-9 Floors			Count Reports (2) ▼ Reports (2): ACA Inspection ACA Install Permit	Login Q.
	Record Info 🔻	Payments 🔻	Custom Component			

You may see this message. If so, click "Open":
