Use this form for applications to deepen, rework, abandon, or any other proposed procedure on an existing well.

This form must be submitted unless verbal approval has been given. This application becomes a permit when signed and dated by DOGAMI in the box below.

The present condition of the well, including complete casing record, is as follows:

Collapsed casing at 4,890 feet.

See attached casing record.

Following is a detailed account of proposed work:

Run 700 feet of 7 in., 26#, K-55 buttress casing, hung at approximately 4,600 feet to 5,300 feet using up and down slip Midway hanger inside of the existing 9 5/8 blank casing.

DOGAMI approved 1/16, 1996
