

SUMMARY OF ENVIRONMENTAL IMPACT EVALUATION

X Major impact

/ Minor or No impact

	Construction				Pollution				Drilling Production				Transport Operations			Accidents		Others		
	Roads, bridges, airports	Transmission lines, pipelines	Dams & impoundments	Others (pump stations, compressor stations, etc.)	Burning, noise, junk disposal	Liquid effluent discharge	Subsurface disposal	Others (toxic gases, noxious gas, etc.)	Well drilling	Fluid removal (Prod. wells, facilities)	Secondary Recovery	Noise or obstruction of scenic views	Mineral processing (ext. facilities)	Others	Trucks	Pipelines	Others	Spills and leaks	Operational failure	There are no trees in area. Ground cover is sparse sage-brush & wheat-grass.
Land Use
