Table 1. Permits a	nd CPA Sections to Re	view by Agency																		
	as related to specific permits							as related to Agency authority or expertise												
Folder on DOGAMI sharesite		ODEQ Water Pollution Control Facility Permit App and Division 43 Permit Application	ODEQ Class I Air Quality Operating Permit Application	OWRD Dam Permit Application	ODEQ NPDES Stormwater Permit Application	ODEQ Solid Waste (SW) Permit Application (not included in the Consolidated Permit Application)	DOGAMI Aggregate Application	DEQ	OWRD	DOGAMI	DLCD	DSL.	ODA	ODFW	она	SHPO	BLM	USFWS	Other	
CPA Text	Grassy Mountain Mine Project, State of Oregon, DOGAMI Division 37 Consolidated Permit Application	x	x	x	x		x													
CPA Text	1. Introduction and General Information																			
CPA Text	2. Existing Environment																			
CPA Text	2. Operating Plans 4. Reclamation and																			
CPA Text	Closure																			
CPA Text Appendix A	5. Alternatives Analysis																			
Appendix A	Oversize Figures Baseline Data Reports Studies and Work Plans	Surface Water, Groundwater, Geochemistry,	Air Resources	Surface Water, Groundwater, Geochemistry,	Surface Water, Groundwater, Geochemistry,		Geology and Soils, Geochemistry, Surface Water,													
		Aquatic, Wetlands		Aquatic, Wetlands	Aquatic, Wetlands		Groundwater													
Appendix C Appendix D	Tailings Design Report Mill Design Report	x	x	х	x															
Appendix E	Emergency Response Plan	x		х	x		х													
Appendix F	Cyanide Management Plan	х	х	х	х															
Appendix G	Monitoring Plan Noxious Weed	х	х	х	х		х													
Appendix H	Monitoring and Control Plan						x													
Appendix l	Wildlife Mitigation Plan Reclamation Cost																			
Appendix J	Estimate																			
Appendix K	Interim Management Plan			х	х															
Appendix L	ODEQ Water Pollution Control Facility Permit Application and Division 43 Permit Application	x		x	х															
Appendix M	ODEQ Class I Air Quality Operating Permit Application		х																	
Appendix N	OWRD Dam Permit Application	х		х																
Appendix O	ODEQ Storm Water Permit Application	х		х	x		x													
Appendix P	OWRD Water Rights																			
Appendix Q Appendix R	Monitor Well Plan Malheur County Land Use Compatibility	x	x	x	x		x													
Ann - 1 - 1	Statement (LUCS)																			
Appendix S Appendix T	Portal Design Report Ecological Risk Assessment And Geochemical	x	x		x															
Appendix U	Predictions Inadvertent Discovery Plan						x													
Appendix V	Plan Aggregate Application		х				x													
Appendix W	Alternatives Support Documents																			
Appendix X	Mining Claim Information																			
Appendix Y	Stormwater Management Plan	х		х	х		х													
Appendix Z	Petroleum Contaminated Soil Management Plan	х			х		х													
Appendix AA	Quality Assurance Plan	х	х	х	х															
Appendix AB	Hazardous Material Reporting						х													
Appendix AC	Road Design Report																			
Appendix AD	Well Field Design Report	х																		
Appendix AE	Water and Wastewater Design	х			х
