Oregon Schools Seismic Feedba	ck Form
General information:	
1, Date of submittal	
August 21, 2012	
2. County	The second secon
Clackamas	
3. School district or special education district	Manager 1 1 1 1 1 1 1 1 1
Canby SD #86	
4. Name and title of person submitting report	
John Steach Ed. D. Superintendent	
5. Year for reporting – Please submit separate forms for each yea	r of reporting
2012	workelond and the second

Specific information:
6. Did the district replace any school structures with new buildings during the reporting year?
Yes O
a. If No please go to question #7
 b. If Yes please fill out the following information FOR EACH STRUCTURE that was replaced
i. Name and address of the school where structure was replaced
ii. Exact structure or structures that were replaced (for example, gymnasium, main building, etc.)
iii. Type of replacement building (for example, tilt-up, masonry, wood frame, etc.)
Iv. Maximum occupancy of new structure
v Date the new structure became occupied

2 of 9 07/12/2012

i. Name and address of th	ne school where	structure was re	placed	
ii. Exact structure or struc	ctures that were	replaced (for ex	ample, gymnasii	um, main
building, etc.)				
iii. Type of replacement b	ouilding (for exa	mple, tilt-up, m	asonry, wood fra	ıme, etc.)
iv. Maximum occupancy o	of new structure			
v. Date the new structure	became occupi	ed and the second secon		
		:		

	Name and address of the school where structure was replaced
	Exact structure or structures that were replaced (for example, gymnasium, mair ding, etc.)
	Type of replacement building (for example, tilt-up, masonry, wood frame, etc.
	Maximum occupancy of new structure
**************************************	Date the new structure became occupied

	Name and address of the school where structure was replaced
	Exact structure or structures that were replaced (for example, gymnasium, main ilding, etc.)
	. Type of replacement building (for example, tilt-up, masonry, wood frame, etc.)
lv	. Maximum occupancy of new structure
V.	Date the new structure became occupied

7. Did the district modify an existing school building in a manner that may affect the seismic risk category of a school?
Yes 🔘
No ①
a. If No you are finished – Please go to the end of the form for submittal instructions
b. If Yes please fill out the following information FOR EACH STRUCTURE that was modified
i. Name and address of the school where structure was modified
ii. Exact structure or structures that were modified (for example, gymnasium, main building, etc.)
ill. Type of modification to the building (for example, awnings anchored, structural reinforcement, etc.)
iv. Date the structure was re-occupied after modification
 c. Optional – submit a copy of the seismic rehabilitation or structural engineering report
Please attach to email when you submit this form.
d. Optional – cost and method of seismic rehabilitation funding (grant through Seismic Rehabilitation Grant Program, local school bond, etc.)

i. Nar	ne and address of the school where structure was modified
	act structure or structures that were modified (for example, gymnasium, main ng, etc.)
A CHARLEST AND A	pe of modification to the building (for example, awnings anchored, structural cement, etc.)
iv. D	ate the structure was re–occupied after modification
c. Op report	tional - submit a copy of the seismic rehabilitation or structural engineering
Ple	ease attach to email when you submit this form.
	tional – cost and method of seismic rehabilitation funding (grant through c Rehabilitation Grant Program, local school bond, etc.)

I. Name and address of the school where structure was modified
ii. Exact structure or structures that were modified (for example, gymnasium, main building, etc.)
ili. Type of modification to the building (for example, awnings anchored, structural reinforcement, etc.)
iv. Date the structure was re-occupied after modification
c. Optional – submit a copy of the seismic rehabilitation or structural engineering report
Please attach to email when you submit this form.
d. Optional – cost and method of seismic rehabilitation funding (grant through Seismic Rehabilitation Grant Program, local school bond, etc.)

i. Name and address of the school where structure was modified
,
ii. Exact structure or structures that were modified (for example, gymnasium, main- building, etc.)
iii. Type of modification to the building (for example, awnings anchored, structural reinforcement, etc.)
iv. Date the structure was re-occupied after modification
c. Optional – submit a copy of the seismic rehabilitation or structural engineering report
Please attach to email when you submit this form.
d. Optional – cost and method of seismic rehabilitation funding (grant through Seismic Rehabilitation Grant Program, local school bond, etc.)
Please submit your completed report to:
seismic.feedback@dogami.state.or.us
Thank you for your cooperation.
