Withholding

Oregon law requires that all wages, salaries, commissions, bonuses, fees, or other items of value paid to an individual for services as an employee are subject to having Oregon tax withheld.

Courtesy withholding—is for an employer who has hired an Oregon resident that works outside of Oregon only.

Agricultural—is for employers who plant, cultivate or harvest seasonal crops. These may include field/forage crops, seed of grass, cereal grain, vegetable crops, flowers and others. This doesn't include livestock.

Domestic—withholding is **not** required for a domestic employee. If your domestic employee has requested withholding and you have agreed to withhold, mark the "yes" box on the front of this form and file Form OA.

Employers file returns and pay withholding taxes based on their federal filing requirements.

If you file federal form: **941, 941-M, or 945**

File Oregon form: **OQ**—Oregon Quarterly Combined Tax Report

If you file federal form: **943**

File Oregon form: ***WA**—Annual Withholding Tax Return for Agricultural Employers.

*If you file Form 943 you may file Form WA or Form OQ. If you're also subject to state unemployment, Workers' Benefit Fund Assessment, or transit taxes, you **must** file a Form OQ quarterly.

Transit taxes

TriMet tax is an employer-paid excise tax based on payrolls for services performed in Multnomah and parts of Washington and Clackamas counties. Please refer to the map in the *Oregon Business Guide*.

LTD (Lane Transit District) covers the Eugene/Springfield area of Lane county. This excise tax is based on the same principle as TriMet. Please refer to the map in the *Oregon Business Guide*.

In-state and out-of-state employers who have employees working in these districts are subject to these taxes. If your total business activity is conducted outside of these areas, then you are not liable for these taxes.

If your business is a nonprofit organization and you have employees working in these districts, you must send a copy of your 501(c)(3) exemption with the completed registration as proof of exemption from transit taxes.

Need more information? Call 503-945-8091 or 503-378-4988. Or visit our website at: www.oregon.gov/dor.

State unemployment tax

State unemployment tax is an employer paid tax that finances the Oregon unemployment insurance program. Generally employers must pay into the Unemployment Insurance Trust Fund if they:

- Have one or more employees in each of 18 weeks during a calendar year, **or**
- Have total payroll of \$1,000 or more in a calendar quarter (after January 1, 2008).

Exceptions:

Agricultural labor is reportable if you have paid \$20,000 or more in total cash wages in a calendar quarter or have 10 or more employees during 20 weeks of a calendar year. You are considered to be subject effective the beginning of that calendar year.

Agricultural employers subject to unemployment tax may choose to file withholding quarterly.

Domestic/household service is subject if you have paid \$1,000 or more in total cash wages in a calendar quarter. You are considered to be subject effective the beginning of that calendar year.

Partial transfers. If an employing enterprise sells, transfers, or acquires all or part of a trade or business (including employees), such transactions must be reported to the Employment Department, Tax Section, within 60 days of the date the transaction becomes final.

Need more information? Call 503-947-1488. TTY (nonvoice) 503-947-1495.

Workers' Benefit Fund Assessment

This form doesn't register you for workers' compensation insurance, which is mandatory for most employers. For assistance determining subjectivity, call 503-947-7815 or visit: www.cbs.state.or.us/wcd/communications/wcins.html.

This form registers you for the Workers' Benefit Fund (WBF) assessment. This fund benefits injured workers and employers helping them return to work. Individuals subject to the WBF assessment are:

- All paid workers for whom the employer is required to provide workers' compensation insurance coverage, and
- All paid individuals (workers, owners, officers) who may otherwise be nonsubject, but the employer chooses to cover under workers' compensation insurance.
- All paid individuals performing personal support work who are eligible for workers' compensation insurance coverage under HB 3618 (2010).
