### Oregon Higher Education Community Colleges Snapshot

#### Klamath Community College

**Academic Year:** 2018-19

**Total students:** 5,909

**Race/Ethnicity:**
- 1% Asian American
- 1% Black/African American
- 16% Hispanic/Latinx
- 4% Native American/Alaska Native
- 0.5% Native Hawaiian/Pacific Islander
- 3% Multi-race
- 66% White
- 8% Unknown

Students of color are increasingly represented on campuses. Currently, 26% of KCC students identify as students of color.

**Age:**
- 45% 25+
- 21% 18-24
- 34% <18
- 0% unknown

**Gender:**
- 43% Male
- 54% Female
- 3% Not reported

**Primary Area of Instruction:**
- 30% for-credit Lower Division Collegiate
- 20% for-credit Career/Technical Education
- 2% for-credit Developmental Education
- 48% Non-Credit

**Annual Credit Load:**
- 13% 1st gen.
- 14% Non-1st gen.
- 72% 1st gen. unknown
- 29% 45+
- 28% 1-44
- 48% High-school

**Credit Components:**
- 49% Room/board
- 28% Tuition/fees
- 6% Personal exp.
- 8% Books/supplies
- 9% Transportation

**Unable to Meet Expenses with Expected Resources:**
- 34% of 1st generation
- 37% of Non-1st generation

**Average Cost of Attendance (COA):**
- COA after public student aid: $19,414
- COA after institutional + public aid: $12,808
- COA after institutional aid: $11,899

**Time to Completion Increases Cost**
- 2.8 Years → Associate degree

**Retention Rate:**
- 71% Students continuing after 1st year
- 84% 1st-time/Freshmen (statewide)
- 32% KCC Transfer Students

**Completion Rates:**
- 57% of 1st generation
- 60% of Non-1st generation

**Graduation rates among all students have been slowly increasing over time. However, rates can vary greatly for different groups.**

**Annual Earnings:**
- Associate degree/Certificate: $30,323
- Bachelor's degree (statewide): $47,994

**Number of Students Completing/Transfer:**
- 183 Associate degrees
- 127 Career certificates
- 107 Transfers

**Annual Credit Load:**
- 50% Received
- 50% Not received

**Total students:** 5,909

**Gender:**
- 43% Male
- 54% Female
- 3% Not reported

**Average Cost of Attendance (COA):**
- COA after public student aid: $19,414
- COA after institutional + public aid: $12,808
- COA after institutional aid: $11,899

**Time to Completion Increases Cost**
- 2.8 Years → Associate degree

**Retention Rate:**
- 71% Students continuing after 1st year
- 84% 1st-time/Freshmen (statewide)
- 32% KCC Transfer Students

**Completion Rates:**
- 57% of 1st generation
- 60% of Non-1st generation

**Graduation rates among all students have been slowly increasing over time. However, rates can vary greatly for different groups.**

**Annual Earnings:**
- Associate degree/Certificate: $30,323
- Bachelor's degree (statewide): $47,994

**Number of Students Completing/Transfer:**
- 183 Associate degrees
- 127 Career certificates
- 107 Transfers

**Affordability:**
- 37% of students were unable to meet expenses with expected resources: family contributions, student earnings, and grant aid

**Potential sources of financial aid:**
- Federal Pell
- OR Promise
- Institutional Aid
- OR Opportunity Grant

**Average Debt Among Graduates:**
- $15,456

**ENROLLMENT**

<table>
<thead>
<tr>
<th>Total Students Enrolled</th>
<th>The count of Total students on the statewide snapshot includes all students at all postsecondary institutions in Oregon: Oregon resident, nonresident, graduate, undergraduate, and nonenrolled (e.g., high school students) students. Institutions include all public community colleges/universities, and most private degree-granting/private career schools. The number of Students in Public Institutions includes all students at 17 community colleges and 7 public universities. We estimate an unduplicated total count of students attending more than one public institution in 2018-19. The number of Oregon resident admitted and nonenrolled undergraduate students at public universities and all students in community colleges who were enrolled at any point in the spring to summer academic year.</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Other Enrollment Data</strong></td>
<td>Except for Primary Area of Instruction, all other university enrollment data refer to Oregon resident admitted and nonenrolled undergraduate students. Community college enrollment data refer to all students, including those enrolled in noncredit courses. Both sectors include high school students enrolled in dual-credit/accelerated learning.</td>
</tr>
<tr>
<td>Race/Ethnicity, Credit Load, Age, Gender</td>
<td>For universities, includes Oregon resident undergraduate students and high school students enrolled in dual-credit/accelerated learning courses. For community colleges, this includes all students. Race/ethnicity, age, and gender are self-reported. For gender, “not reported” includes other options available at some schools.</td>
</tr>
<tr>
<td>Primary Area of Instruction</td>
<td>For university students, shows Oregon resident, undergraduate and graduate students, whether admitted or nonadmitted, and includes high school students in dual-credit/accelerated learning. For community college students, shows the percentage of students whose primary area of instruction is Lower Division Collegiate (LDC), Career/Technical Education (CTE), Developmental Education (Dev.Ed.), or noncredit courses. This is the category that the largest share of a student's credits lies. Students in the noncredit group are enrolled only in noncredit courses, including dual credit LDC, CTE, Dev. and Adult Continuing Education, Personal Enrichment, and other types.</td>
</tr>
</tbody>
</table>

**AFFORDABILITY**

| 1st-Generation Status | Includes only students who completed a Free Application for Federal Student Aid (FAFSA) or Oregon Student Aid Application (ORSAA). A 1st-generation student is one who reported no parent/completed education beyond high school or its equivalent. If one parent in a two-parent household earned a certificate or associate degree/bachelor's degree, the student is not considered 1st-generation. |
| Non-1st-Generation Status | A student who completed a FAFSA/ORSAA and reported at least one parent earned a certificate, associate degree, or bachelor's degree. |
| Annual Credit Load | Students attempting 45+ credits (minimum needed to complete an associate degree in 2 years or a bachelor's degree in 4 years), 1-44 credits, and 0 credits annually. High school students enrolled in college courses generally attempt 1-44 credits annually. Metric revised in 2019. |
| Affordability Data | All data in this section (except for institutional aid) refer only to resident, undergraduate students who filed a FAFSA/ORSAA. Students who did not file a FAFSA/ORSAA may include those from high-income and those from low-income families. |
| Unable to Meet Expenses with Expected Resources | Students for whom total cost of attendance exceeds the sum of their federal expected family contribution (EFC), public grant aid, and own earnings. Earnings estimated as 90% of minimum wage for 15 hours per week for 48 weeks (Oregon Opportunity Grant formula). Metric revised in 2019. |
| Race/Ethnicity | The percentage unable to meet expenses with expected resources for those with more than one racial/ethnic group is 31% and for those not reporting a racial/ethnic group, 33%. |
| Cost of Attendance (COA) | Institutional reports of standard student budgets for tuition/fees, books/supplies, room/board, personal expenses, transportation, and other costs. |
| 1st-Generation Status | Percentage of 1st-generation students unable to meet college expenses with expected resources and of non-1st-generation students unable to meet college expenses with expected resources. For definition of 1st-generation status, see Enrollment section above. |
| Students Receiving Financial Aid | Data on Pell grants, Oregon Opportunity grants (OOG), and Oregon Promise grants are available only for those who filed a FAFSA/ORSAA. Measure shows the number of students receiving a grant in 2018-19. Institutional aid data reflect all resident undergraduates, regardless of a FAFSA/ORSAA. |
| Students Receiving Public Grant Aid | For universities, shows the percentage of admitted resident undergraduates who received a Pell/OOG. For community colleges, shows the percentage of CTED, CTE, Dev.Ed., and noncredit students who received a Pell/OOG or Oregon Promise grant. |
| COA after Public Student Aid | Shows the average cost of attendance for students who receive public aid. Subtracts average public aid (sum of total Pell, OOG, and Oregon Promise disbursements to the institution, divided by total number of students receiving aid) from the total cost of attendance. |
| COA after Inst. and Public Aid | The cost of attendance after subtracting the average amount of public aid and institutional aid (as reported by the institutions) provided to students. Metric revised in 2019. |
| Time to Completion | For 2018-19 first-time graduates, shows median time between first for-credit community college enrollment in LDC/CTE/Dev.Ed. after high school and earning an associate degree or between university admission and earning a bachelor's degree. Excludes students who earn an associate degree and then transfer to a 4-year university. |

**OUTCOMES**

| Completion Rates | University completion rates show the percentage of resident, first-time, full-time freshmen in the fall 2013 cohort who earn a bachelor's degree within 6 years at any of the public universities. Community college completion rates show the percentage of students who earned an associate degree or career certificate or who transferred to any 4-year university nationwide, among students who were new to the institution in fall 2014, who were not enrolled in dual credit/accelerated learning, and earned at least 18 quarter credits over 2 years or earned an award requiring fewer than 18 credits. This measure relies on the framework of the National Center for Education Statistics (NCES) by the National Center for Education Statistics (NCES) by the National Center for Education Statistics (NCES) by the National Center for Education Statistics (NCES). |
| Race/Ethnicity | The completion rate for those with more than one racial/ethnic group is suppressed% and for those not reporting a racial/ethnic group, 63%. |
| Bachelor's Completion if continued to junior year | This measure shows the graduation rate for students who are about half-way through a bachelor's degree. It compares first-time freshmen who completed 5 years of graduation with the percentage of students transferring from any Oregon community college who transfer with at least 90 credits accepted and then graduate within 4 years of admission to the university as a transfer student. |
| Retention Rate | For university students, shows the percentage of first-time, full-time freshmen in fall 2017 who enrolled in fall 2018. For community college students, shows the percentage of new, credential-seeking students in fall 2017 who were enrolled in fall 2018 or received an award before or during fall 2018. This includes students who were new to the institution in summer or fall 2017, not enrolled in dual-credit courses after the spring of 2017 (a proxy for high school graduates), and earned at least 18 credits or earned an award by the end of 2 years of a VPA degree-seeking cohort. |
| 1st-Generation Status | Shows the completion rate for 1st-generation students and the comparable completion rate for non-1st-generation students. For definition of 1st-generation status, see Enrollment section above. |
| Annual Earnings | Earnings outcomes come from the Oregon Employment Department and include students employed in Oregon in 2018-19, 5 years after completion in 2013-14. Includes all certificate, associate, and bachelor's degree recipients, whether or not they completed additional degrees. |
| Number of Students Completing/Transferring | Shows students completing a degree/certificate at an Oregon community college or public university during the 2018-19 academic year. Transfer students are those admitted to a public university as a transfer student from any Oregon community college and may also have earned an associate degree or certificate. In the degree and certificate totals, students earning more than one degree or certificate are counted once, in the highest award group. Metric revised in 2019. |
| General notes | Percentages may not sum to 100 due to rounding. To protect confidentiality, data are suppressed for measures containing fewer than 10 students. |
