Associate degrees

For institution snapshots, visit www.oregon.gov/highered/research/Pages/snapshots.aspx. See back of this document for data notes and definitions. Created by HECC Office of Research and Data in April 2018. Data in this version published 10/11/2022. Suggested citation: Oregon Higher Education Coordinating Commission. (2022). Statewide Higher Education Snapshots. Salem: Oregon.

## OREGON HIGHER EDUCATION STATEWIDE SHAPSHOTS: Definitions HECC Office of Research and Data (Data are from academic year 2019-20 except where noted)

|  | Office of Research and Data (Data are from academic year 2019-20 except where noted)  |  |
|--|---|--|
| ENROLLMENT   |   |  |
| Total Students Enrolled                              | The count of Total Students on the statewide snapshot includes all students at all postsecondary institutions in Oregon: Oregon resident, nonresident, graduate, undergraduate, and nonadmitted (e.g., high school students) students. Institutions include all public community colleges/ universities, and most of the institutions in the Oregon Alliance of Independent Colleges and Universities. The number of Students in Public Institutions includes all students at 17 community colleges and 7 public universities. We estimate an unduplicated total count of students attending more than one public institution in 2019-20. The number of Oregon Undergraduates includes Oregon resident admitted and nonadmitted undergraduate students and those covered under the veteran/noncitizen tuition equity program at public universities and all students in community colleges who were enrolled at any point in the summer to spring |  |
| Other Enrollment Data                                | Except for Primary Area of Instruction, all other university enrollment data refer to Oregon resident admitted and nonadmitted undergraduate students. Community college enrollment data refer to all students, including those enrolled in non-credit courses. Bot sectors include high school students enrolled in dual credit/accelerated learning.  |  |
| Race/Ethnicity,<br>Credit Load, Age, Gender          | For universities, includes Oregon resident undergraduate students and high school students enrolled in dual-credit/accelerated learning courses. For community colleges, this includes all students. Race/ethnicity, age, and gender are self-reported. For gender, "not reported" includes other options available at some schools.  |  |
| Primary Area of<br>Instruction                       | For university students, shows Oregon resident, undergraduate and graduate students, whether admitted or nonadmitted, and includes high school students in dual-credit/accelerated learning; measure based on admission criteria. For community college students, shows the percentage of students whose primary area of instruction is Lower Division Collegiate (LDC), Career/Technical Education (CTE), Developmental Education (Dev. Ed.), or non-credit courses. This is the category in which the largest share of a student's credits lies. Students in the non-credit group are enrolled only in non-credit courses, including non-credit LDC, CTE, Dev. and Adult Continuing Education, Personal Enrichment, and other types.  |  |
| 1st-Generation Status                                | Includes only students who completed a Free Application for Federal Student Aid (FAFSA) or ORSAA. A 1st-generation student is one who reported no parents completed education beyond high school or its equivalent. If one parent in a two-parent household earned a certificate or associate degree/bachelor's degree, the student is not considered 1st-generation.   |  |
| Non-1st-Generation Status                            | A student who completed a FAFSA/ORSAA and reported at least one parent earned a certificate, associate degree, or bachelor's degree   |  |
| Enrollment Level                                     | credits, and 0 credits annually. High school students enrolled in college courses generally attempt 1-44 credits annually.  |  |
| AFFORDABILITY Affordability Data                     | All data in this section (except for institutional aid) refer only to resident, undergraduate students who filed a complete FASCA/ODCAA   |  |
| Unable to Meet Expenses                              | All data in this section (except for institutional aid) refer only to resident, undergraduate students who filed a complete FAFSA/ORSAA. Students who did not file a complete FAFSA/ORSAA may include those from high-income and those from low-income families.  Students for whom total cost of attendance exceeds the sum of their federal expected family contribution (EFC), public grant aid, and   |  |
| with Expected Resources                              | own earnings. Earnings estimated as 90% of minimum wage for 15 hours per week for 48 weeks (Oregon Opportunity Grant formula).  |  |
| Race/Ethnicity (201)                                 | The percentage unable to meet expenses with expected resources for those those not reporting a racial/ethnic group, <b>61%</b> .  |  |
| Cost of Attendance (COA)                             | Institutional reports of standard student budgets for tuition/fees, books/supplies, room/board, personal expenses, transportation, and other costs. Cost of attendance data are based on enrollment of 15 crediets per term but part-time students are included by adjusting to full-time equivalent.   |  |
| 1st-Generation Status                                | Percentage of 1st-generation students unable to meet college expenses with expected resources and of non-1st-generation students unable to meet college expenses with expected resources. For definition of 1st-generation status, see Enrollment section above.  |  |
| Students Receiving<br>Financial Aid                  | Data on Pell grants, Oregon Opportunity grants (OOG), and Oregon Promise grants are available only for those who filed a FAFSA/ORSAA. Measure shows the number of students receiving a grant in 2019-20. Institutional aid data reflect all resident undergraduates, regardless of a FAFSA/ORSAA.   |  |
| Students Seeking Financial<br>Aid                    | Data include resident, undergraduate students at the universities and community college students attempting six or more credits, who were not accelerated learning students. Shows percentage of these students who filed a complete FAFSA/ORSAA and did or did not receive aid as well as the percentage of these students who did not file a complete FASFSA/ORSAA.   |  |
| Federal Loan Debt                                    | Federal loan debt for graduates includes those with \$0 of federal loans. Percentage of undergraduates with federal loans includes Oregon residents and nonresidents. Both measures from IPEDS at https://collegescorecard.ed.gov/data/.  |  |
| COA after Public Student<br>Aid                      | Shows average cost of attendance for students who receive public aid. Subtracts average public aid from the total cost of attenance.  Max. Pell grant = \$6,195  Max. OR Opportunity grant = \$3,300 (university)  Max. OR Promise grant = \$1,000-\$3,834  \$2,700 (community college)   |  |
| COA after Inst./Public Aid                           | The cost of attendance after subtracting the average amount of public aid and institutional aid provided to students.   |  |
| Time to Completion                                   | For 2019-20 first-time graduates, shows median time between first for-credit community college enrollment in LDC/CTE/Dev.Ed. after high school and earning an associate degree or between university admission and earning a bachelor's degree. Excludes students who earn an associate degree during high school. Excludes summer term.  |  |
| OUTCOMES Completion Pates                            | University completion rates show the percentage of recident first time full time freshmen in the fall access select whe answer  |  |
| Completion Rates                                     | University completion rates show the percentage of resident, first-time, full-time freshmen in the fall 2014 cohort who earned a bachelor's degree within 6 years at any public university. Community college completion rates show the percentage of students who earned an associate degree or career certificate or who transferred to any 4-year university nationwide, among students who were new to the college in fall 2016, were not enrolled in dual credit/accelerated learning, and earned at least 18 quarter credits over 2 years or earned an award of fewer than 18 credits.  |  |
| Race/Ethnicity                                       | The completion rate for those not reporting a racial/ethnic group, <b>56%</b> .   |  |
| Bachelor's Completion if<br>continued to junior year | This measure shows the graduation rate for students who are about half-way through a bachelor's degree. It compares first-time freshmen who continue into a third year and who graduate within 6 years of admission to the university with transfer students from an Oregon community college who transfer with at least 90 credits accepted and then graduate within 4 years of admission to the university as a transfer student.   |  |
| Retention Rate                                       | For university students, shows the percentage of first-time, full-time freshmen in fall 2018 who enrolled in fall 2019. For community college students, shows the percentage of new, credential-seeking students in fall 2018 who were enrolled in fall 2019 or received an award before or during fall 2019. This includes students who were new to the institution in summer or fall <sup>2018</sup> , not enrolled in dual-credit courses after the spring of <sup>2018</sup> (a proxy for high school graduates), and earned at least 18 credits or earned an award by the end of 2 years (the VFA credential-seeking cohort).  |  |
| 1st-Generation Status                                | Shows the completion rate for 1st-generation students and the comparable completion rate for non-1st-generation students. For definition of 1st-generation status, see Enrollment section above.  |  |
| Annual Earnings                                      | Earnings outcomes come from the Oregon Employment Department and include students employed in Oregon in 2019-20, 5 and 10 years after completion in 2013-14 and 2008-09, respectively. Includes all certificate, associate and bachelor's degree recipients whether or not they completed additional degrees.   |  |
| Number of Students<br>Completing/Transferring        | Shows all students completing a degree/certificate at an Oregon community college and resident students at public university during the   |  |
| General notes  | Percentages may not sum to 100 due to rounding. For privacy, data are suppressed for measures containing fewer than 10 students.  |  |
