

Long-term RFID Reader Loan Requirements & Application

The Oregon Department of Agriculture has purchased a limited supply of Allflex RFID Readers to provide to Oregon Veterinarians through long term/semi-permanent loans. These RFID reader loans are intended to assist Category 2 accredited veterinarians working with food animal species to better be able to serve their clients and meet evolving state and federal standards for livestock.

Qualifications

- 1) The loan program is available to veterinarians located in Oregon that practice on Oregon livestock
- 2) Veterinarians must be category 2 accredited in Oregon
- 3) Veterinarians must have performed regulatory work on livestock within the last 12 months.
 - a. If there is no history of regulatory work (i.e. new practice, recent graduate, etc.), an explanation of work to be done in the future is required.
- 4) Long-term reader loans are only available to practices which do not currently own an RFID reader.

Stipulations of the loan

- 1) Veterinarians must fill out an application and loan agreement form completely to be eligible.
- 2) Veterinarians must not own or work for a clinic that owns an RFID reader.
- 3) Veterinarians must be Oregon based and include food animals in their practice.
- 4) If a veterinarian/clinic purchases another RFID reader, discontinues food animal practice, or moves out of the State of Oregon, the RFID reader must be returned to ODA.

To apply for a long-term RFID reader loan please fill out the attached application and submit to the ODA Animal Health Program. For more information, please contact the ODA Program Disease & Traceability Coordinator at 503-986-4689.

Long-Term RFID Reader Loan Application

NAME OF VETERINARIAN

NAN:

--	--

CURRENT MAILING ADDRESS

--

CURRENT PHYSICAL ADDRESS (IF DIFFERENT)

--

TYPE OF REGULATORY WORK DONE IN THE LAST 12 MONTHS (OR EXPLANATION OF FUTURE WORK):

--

APPROXIMATE NUMBER OF:

Animals officially identified in the last 12 months	Brucellosis vaccinations administered in the last 12 months	TB tests performed in the last 12 months	Large animal CVI's issued for livestock in the last 12 months

Please review and check all before signing your application:

- I do not currently own an RFID reader or work for a clinic that does own one.
- I do regulatory work on livestock within Oregon or intend to in the near future (provide explanation above).
- I will maintain this reader in good working order. If this unit is damaged, I will inform ODA immediately.
