Neither a full transcript nor a full recording of the meeting is required, except as otherwise provided by law, but the written minutes or recording must give a true reflection of the matters discussed at the meeting and the views of the participants. All minutes or recordings shall be available to the public within a reasonable time after the meeting, and shall include at least the following information:

- a) All members of the governing body present;
- All motions, proposals, resolutions, orders, ordinances and measures proposed and their disposition;
- c) The results of all votes and, except for public bodies consisting of more than 25 members unless requested by a member of that body, the vote of each member by name;
- d) The substance of any discussion on any matter; and
- e) Subject to ORS 192.410 to 192.505 relating to public records, a reference to any document discussed at the meeting.

Minutes of the State Board meetings shall be written in compliance with Oregon Revised Statutes and give a true reflection on the matters discussed at the meeting. They shall contain brief statements on important points made by Board members and participants and include all motions, proposals, resolutions, orders, ordinances and measures proposed and actions taken.

As a cost-cutting measure, minutes content will be reduced and can used as a guide to the video.
