BACKGROUND

During the 2015 State Board of Education retreat, the Board identified three goals to focus on during the 2015-2016 year: equity, graduation, and achievement gap. The Board has convened two work sessions on equity and graduation. During the equity work session, the Board agreed to work on an equity vision and mission stance. For this project, the Board will be working with Dr. Johnny Lake and the Board Vice Chair, Dr. Charles Martinez. This update is to collect information from the board on next steps.
