

School and District Report Card Appeals (2013-2014 through 2018-2019)

2018-2019							
ID	Related to	Grounds	Status	Rationale	How	Change data?	Change Rating?
1819RC01	Ninth Grade On-Track rate for 2017-18	District requested to have 2017-18 data corrected for 2018-19 reports. In 2017-18, district missed the validation window and accountability appeal deadline to have the data corrected. District addressed the error through their 2017-18 narrative.	Appeal deemed ineligible for consideration	The district's 2017-18 Ninth Grade On-Track data are considered to have been publicly released in final form on both the At-A-Glance and Accountability Details reports.		No	No

2017-2018							
ID	Related to	Grounds	Status	Rationale	How	Change data?	Change Rating?
1718RC01	Assessment Participation Rate	First-year English Learners were enrolled on May 1 but not during ELPA testing window	Approved	According to the Test Administration Manual for 2017-18, first-year English Learners are not required to take the ELA assessment if they did not enroll until after the ELPA testing window closed.	Overrides to remove two students from participation denominator	Yes	No
1718RC02	Ninth Grade On-Track rate from 2016-17	District missed window for correcting data in 2016-17 but wanted it corrected for 2017-18	Approved	The district has taken steps to improve the quality of reporting in 2017-18, so the appeal is accepted on a one time only basis for the 2016-17 data.	Override to add students to numerator	Yes	No
1718RC03	College Going Rate on the At-A-Glance	District has evidence the percentage is not accurate	Approved	The data source was inaccurate and incomplete. ODE will establish a process in 2018-19 to validate the post-secondary enrollment data received from the National Student Clearinghouse (NSC).	Remove College Going data from At-A-Glance for all schools	N/A	N/A

School and District Report Card Appeals (2013-2014 through 2018-2019)

2015-2016							
ID	Related to	Grounds	Status	Rationale	How	Change data?	Change Rating?
1516RC01	Assessment Participation Rate	District missed window for applying test administration codes	Denied	District's failure to submit correct data was not due to unique events that could not be predicted and/or controlled by the school or district.		N/A	
1516RC02	Graduation rate	District missed window for applying appropriate program type codes in ADM	Denied	District had the opportunity to correct data during the validation window; log shows that district did view the validations during the window. ODE and ESD Partners had no way of knowing data was incorrect, so no specific reminders were sent.		N/A	

2014-2015							
ID	Related to	Grounds	Status	Rationale	How	Change data?	Change Rating?
1415RC01	Graduation rate	District missed window for applying appropriate program type codes in ADM	Denied	District had the opportunity to correct data during the validation window; log shows that district did view the validations during the window. ODE and ESD Partners had no way of knowing data was incorrect, so no specific reminders were sent.		N/A	N/A
1415RC02	Assessment Participation Rate	Impropriety	Denied	Data was correctly reported.		N/A	N/A
1415RC03	Assessment Participation Rate	District missed window for applying test administration codes	Denied	District's failure to submit correct data was not due to unique events that could not be predicted and/or controlled by the school or district.		N/A	N/A
1415RC04	Assessment Participation Rate	Private school students counted as non-participants	Denied	District correctly reported students in ADM, and students were expected to test.		N/A	N/A
1415RC05	Assessment Participation Rate	Students missing Smarter Balanced CAT	Denied	Lack of evidence (of administered tests) indicates that district failed to administer CAT to these students.		N/A	N/A
1415RC06	Assessment Participation Rate	Student missing Smarter Balanced PT due to login issues	Approved	Student attempted to log in but was unable to start test. Login issues were documented by testing vendor.	Override to remove student from participation denominator	Yes	No

School and District Report Card Appeals (2013-2014 through 2018-2019)

2014-2015							
ID	Related to	Grounds	Status	Rationale	How	Change data?	Change Rating?
1415RC07	Assessment Participation Rate	Students moved out of district prior to starting Smarter Balanced PT	Denied	Students were enrolled during testing window and should have been tested.		N/A	N/A
1415RC08	Assessment Participation Rate	Student did not get the correct language glossary before starting Smarter Balanced CAT	Denied	District error was not due to unique events that could not be predicted and/or controlled by the school or district.		N/A	N/A

2013-2014							
ID	Related to	Grounds	Status	Rationale	How	Change data?	Change Rating?
1314RC01	Academic Achievement and Subgroup Growth	Students not flagged as Economically Disadvantaged in 2012-13	Approved	School staff were not able to correct data in 2012-13 due to unique events that could not be predicted and/or controlled by the school.	Override to change Economically Disadvantaged flags	Yes	No
1314RC02	Assessment Participation Rate	Students did not participate in the OAKS Reading assessment but did meet Essential Skills	Denied	Students were required to be tested according to the 2013-14 Test Administration Manual.		N/A	N/A
