

High School Success Plan
2021-2023

Lead Organization **Clackamas Middle College**

Goal #1	90% of students will be on-track toward graduation after completing 9th and 10th grade. Goal: Students will document and track post-secondary plans during and following graduation, and will move along a deliberate path through school toward their preferred next steps in college or career.
Short-Term Outcome	Ninth and Tenth grade advisories (teachers and relevant support staff) are meeting regularly, looking at data, student supports are tracked for effectiveness and students and families are involved in the evaluation of those supports. Short-Term Outcome: Teachers actively encourage students who are members of groups of students not typically engaged in advanced coursework or career and technical courses to pursue these paths in accord with their post-secondary plans, as expressed in the student's education plan and profile.
Long-Term Outcome	The overall 9th and 10th grade on-track rate of students will increase by 5%. Long-Term Outcome: Student enrollment in advanced coursework and career and technical courses will rise to 85% with the largest increases seen in focal student groups identified in the needs assessment.
Dropout Prevention Activity #1	Improve effectiveness of teacher collaboration meetings: We will review data more regularly from each class and assign appropriate interventions and support as necessary.
Goal(s) this activity addresses	Goal 1
College Level Opportunities Activity #1	Pathways to College and College Extended Options programs will be implemented to help students navigate the high school to college transition. A transfer track and career technical track will be set up to connect their courses with a career pathway and their college degree/certificate.
Goal(s) this activity addresses	Goal 1
Career Technical Education Activity #1	Create contracted courses for CTE through Clackamas Community College connected to student's educational plans. Ex) Digital Media, Intro to Manufacturing, Wildland Fire etc.
Goal(s) this activity addresses	Goal 1
