

*High School Success Plan
2021-2023*

Lead Organization **Eagle Point School District 9**

| | |
|--|---|
| Goal #1 | Goal: 90% of students will be on track toward graduation after completing 9th grade |
| Short-Term Outcome | Short-Term Outcome: Ninth-grade success teams (teachers and relevant support staff) are meeting regularly, looking at data, student supports are tracked for effectiveness, and students and families are involved in the evaluation of those supports. |
| Long-Term Outcome | Long-Term Outcome: The overall 9th-grade on-track rate of students will increase by 10%. |
| Dropout Prevention Activity #1 | We will continue to have 4 graduation coaches in place at EPHS, monitoring students with disabilities and males. There will be one coach assigned to each grade level. The graduation coaches will focus on relationships and systems of support of students and their families. They will also support students at Upper Rogue. |
| Goal(s) this activity addresses | Goal 1 |
| Dropout Prevention Activity #2 | We will continue with our community partnership with College Dreams to focus on dropout prevention for our most at-risk populations of Seniors who are currently in the red zone according to our MTSS identification process. |
| Goal(s) this activity addresses | Goal 1 |
| Dropout Prevention Activity #3 | Our teaching teams will be meeting a minimum of two times per month to participate in grade-level PLCs to monitor our freshman students to ensure they are on track to graduate. Teachers will be collaborating on interventions to ensure students on track status using data from our MTSS district systems. |
| Goal(s) this activity addresses | Goal 1 |
| College Level Opportunities Activity #1 | We will continue to send teams of teams each summer to the AVID Summer Institute for professional learning to increase instructional rigor in the classroom, learn new high-yielding instructional strategies and provide more advanced coursework with a focus on recruiting male students. In addition, this professional development will train teachers in current college and career prep strategies. |
| Goal(s) this activity addresses | Goal 2 |
| College Level Opportunities Activity #2 | We are budgeting funds for our students to have more access to AP Courses and Dual Credit opportunities. Our district currently sets aside money to pay for teachers to become AP certified by attending summer training. In addition, one of the goals for our new college and career coordinator will be to increase dual credit opportunities for our advanced courses and our CTE courses. By setting aside money for the line item it will break down barriers for our students to earn these credits. |

| | |
|--|---|
| Goal(s) this activity addresses | Goal 2 |
| College Level Opportunities Activity #3 | We are creating a College & Career Coordinator Position to serve our students. (Funding CLO Portion) Their main roles and responsibilities will be: -CTE Pathways Development -CTE Internship Coordinator (School Year & Summer) -SORED/Busines Education Partnership Liasion -Dual Credit Program Alignment -Scholarship Coordinator -Post Secondary Family Involvement (ex. FAFSA & Scholarship Workshops, Parent University Events) |
| Goal(s) this activity addresses | Goal 1 |
| Career Technical Education Activity #1 | We are creating a College & Career Coordinator Position to serve our students. (Funding CTE Portion) Their main roles and responsibilities will be: - CTE Pathways Development -CTE Internship Coordinator (School Year & Summer) -SORED/Busines Education Partnership Liasion -Dual Credit Program Alignment -Scholarship Coordinator -Post Secondary Family Involvement (ex. FAFSA & Scholarship Workshops, Parent University Events) |
| Goal(s) this activity addresses | Goal 1 |
| Career Technical Education Activity #2 | Our district has been in the process of creating a Vet Med Pathway Program. We have received a grant from the Morris Foundation that allowed us to purchase all of our lab furniture, curriculum, supplies, and minor remodel to our new classroom lab. The next step to complete the program to a barn with chutes to be able to perform minor animal procedures. This barn will also support our traditional Animal Science pathway and our FFA club. |
| Goal(s) this activity addresses | Goal 1 |
| Career Technical Education Activity #3 | Our Ag Mechanics and Manufacturing programs have been collaborating to purchase new machines utilizing Morris Foundation Funding and Perkins funding. The next step for these two programs to build an outdoor extension of their classrooms to allow more students to utilize the tools and have more space to complete their projects. |
| Goal(s) this activity addresses | Goal 1 , Goal 3 |
| Career Technical Education Activity #4 | Since the construction of our Information Technology Center, our teacher has retired. Therefore, we have hired a new teacher and are budgeting to have the teacher attend the series PLTW Computer Science courses. The teacher will attend the first two courses Summer of 2021 and the next two courses in Summer of 2023. |
| Goal(s) this activity addresses | Goal 3 |
