DATE and time:

Produce from this farm:

- Schedule with principal
- Schedule with kitchen staff
- Arrange our location in the cafeteria and place to prep (wash and prep veggies elsewhere if possible) Schedule volunteers
- At least one person with food handler's card and they know protocol
- Volunteer background check forms complete for all volunteers; Submit volunteer background check forms
- Create a schedule for the day
- Order the veggies **Know the source**:
- Identify the farm from which the produce came:
- Provide farms with ODA brochure "Keeping Produce Safe on the Farm" Interview suppliers about food handling practices and make notes
- Determine that practices are consistent with ODA's recommendations Confirm that farm supplying produce has product liability insurance Get proof of product liability insurance
- Confirm/ arrange delivery/ pick up of veggies
- Confirm meeting place and time with all vols.
- Remind kitchen staff, principal, office staff and teachers a couple of days before Encourage them to make a morning announcement
- Pick up the veggies

• Pack and prep supplies
