Safe & Inclusive Schools

Introductions

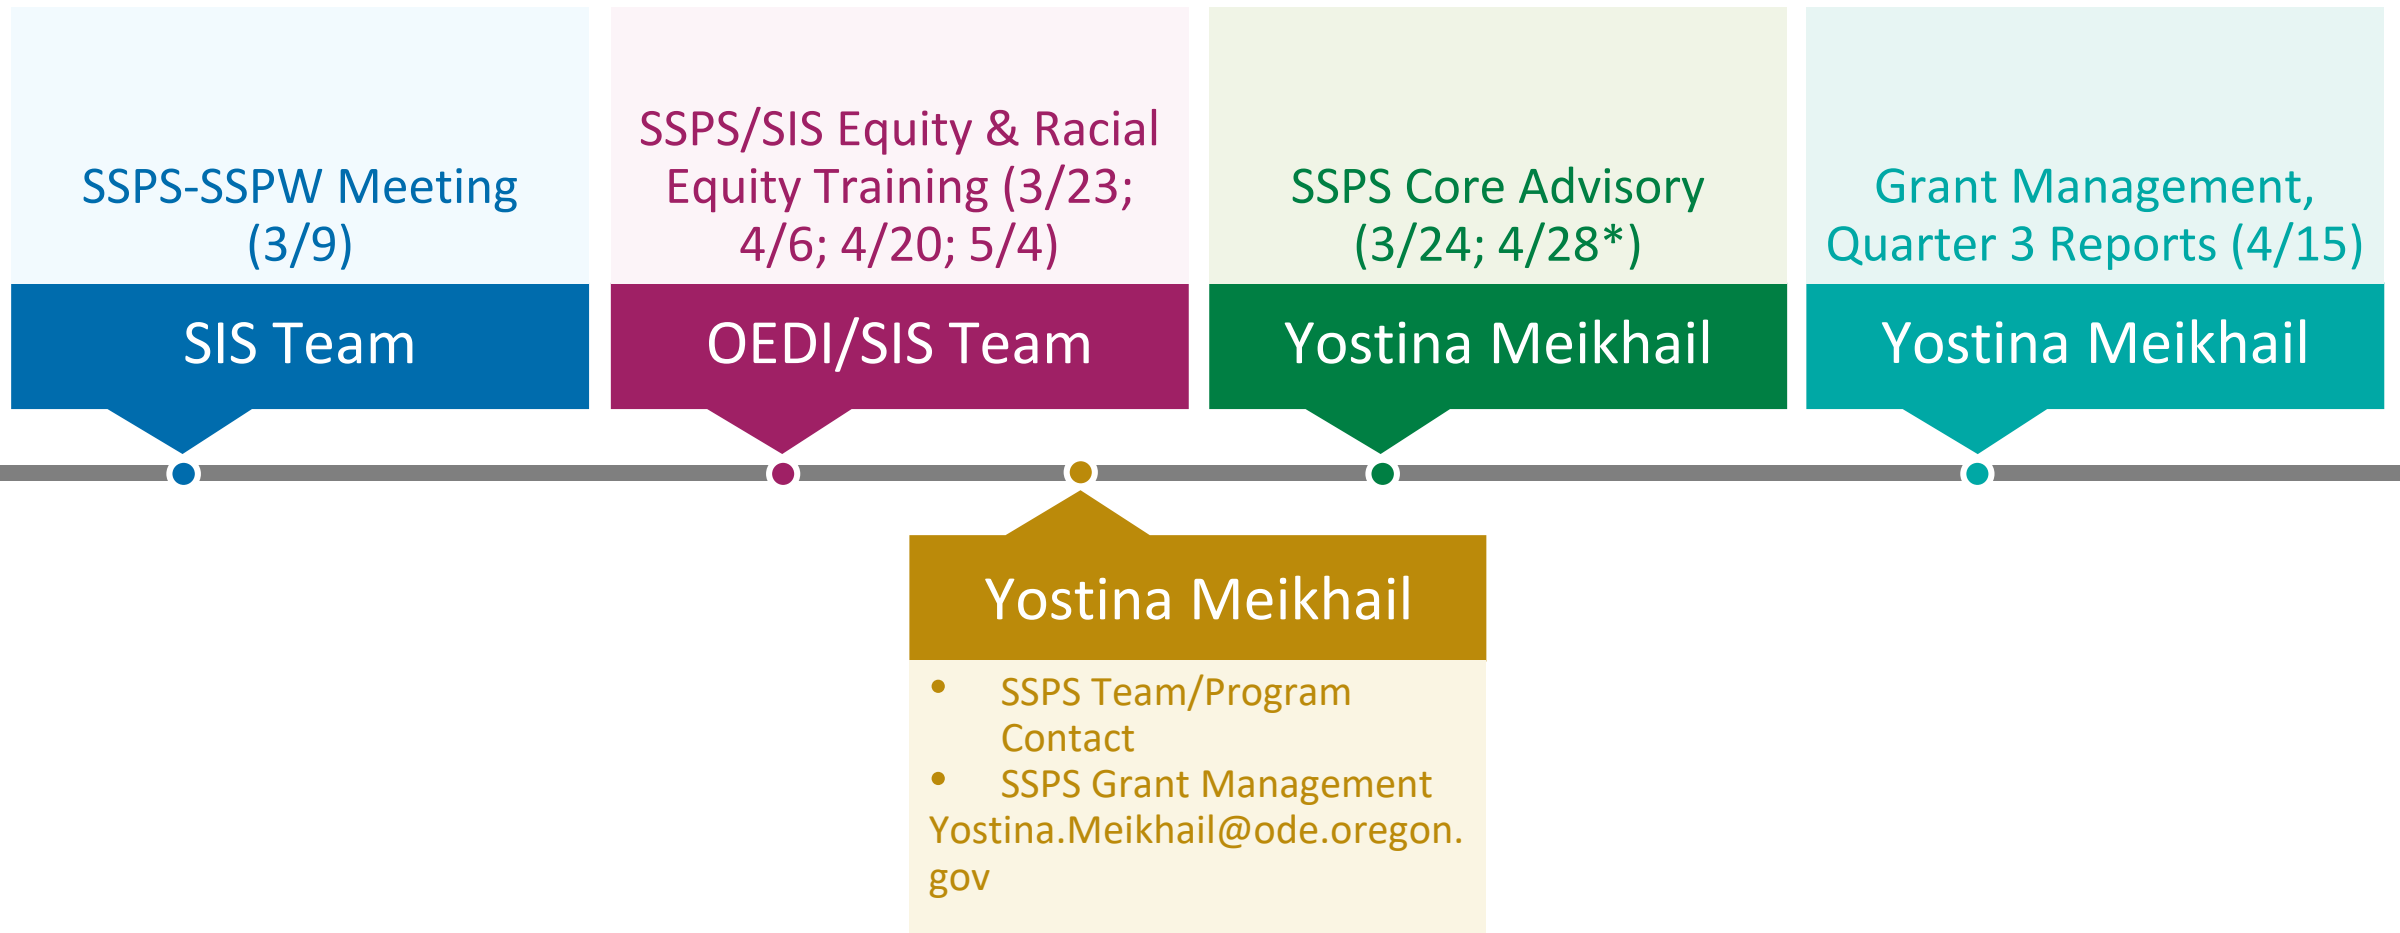

Welcome & Grounding

Leave Coverage Plan

SSPS Coverage, March 7-April 15

Interagency Agreement (IAA) with Oregon Health Authority (OHA) (2021 - 2023)

IAA Overview

- Spans July 1st, 2021 - June 30th, 2023
- Allocates \$395,296.00 annually in funds from Section 36 of the SSA for suicide prevention, intervention, and post-vention activities to OHA.
- Articulates our common approach to interconnected and mutually supportive initiatives and activities over that time frame.
- Continues and refines the work already started under the School Suicide Prevention and Wellness (SSPW) Program through Lines for Life.

Ongoing IAA Activities

- The program will continue to include:
 - Staffing:
 - 4 School Suicide Prevention and Wellness Specialists
 - at least one of whom must be bilingual/bicultural
 - 1 School Suicide Prevention and Wellness Program Manager
 - Regional Approach to Technical Assistance
 - 5 total regions, allocated amongst 4 specialists
- Ongoing Collaboration and Coordination
 - between ODE, OHA and Lines for Lines
 - between SSPS Specialists and SSPW Specialists
- Strategic Planning Sessions between SSPS and SSPW teams
- Updated Step by Step guide

New IAA Activities

- Adi's Act Audit
 - Co-development of evaluation criteria for Adi's Act Plans.
 - Evaluation of all 197 district Adi's Act plans against the developed evaluation criteria.
- Once the evaluation is complete, we will use the results to allocate supports to districts in order to improve their Adi's Act plans, which will include:
 - an Adi's Act manual for the SSPS and SSPW teams;
 - targeted technical assistance from both SSPW and SSPS teams in alignment with their regional strategic plan.

Oregon School Suicide Prevention Project (OSSPP)

Oregon School Suicide Prevention Project Overview

- Partnership between ODE, OHA, Lines for Life, and the University of Oregon Suicide Prevention Lab
- “Deep Dive” evaluation of 8 school (not district!) suicide prevention efforts
- 3 years (2022, 2022-2023, 2023 - 2024)
- Activities include:
 - School Suicide Prevention Implementation Systems Inventory (SSPISI)
 - Network Improvement Collaborative (NIC)
 - Technical Assistance, Surveys, Work Sessions, Focus Groups, and other supports

Thank You!
