SUBJECT: Emergency Fire Cost Committee – Recommendation to Purchase a Firefighting Expense Insurance for the 2021 – 2022 Policy Year

Dear Peter,

The Emergency Fire Cost Committee (EFCC) voted unanimously at its March 2, 2021 meeting to recommend to you that Oregon purchase a firefighting expense insurance for the 2021 – 2022 policy year. This approval recommended that the 2021-2022 (Fire season 2021) policy premium does not exceed the percent increase from the prior year insurance premium, exclusive of taxes and fees.

The state of Oregon's Broker (through DAS), Willis Towers Watson, reported at our EFCC committee meeting today on securing the policy. It appears with confidence that the premium price from Lloyds's of London will be within this margin.

Feel free to contact me if you have any questions.

Sincerely,

Kenneth P. Cummings, Chair
Emergency Fire Cost Committee
