

## How to Check for OSIPM in the Legacy Access

NOTE: Must be done through “Person Search.” This will not work if you are assigned to the case and double click on the consumer name from the main menu.

### 1. Person Search > then View the Case > Case Details

Look for the tabs on this screen and click on **Financial Eligibility**

Look for the infinity end date **12/31/9999**. This shows continuing benefits. Financial eligibility tabs can show just one benefit, or multiple benefits.
